RE: Route Changes

From: Ron Stearns, Director of Transportation

Students and Parents,

In an effort to provide better service to our students and allow for improved arrival and dismissal times to our schools, Mid-Del Transportation will be making changes to the routes listed above. Please read the following statements in regards to these changes.

1. All stops will remain the same.
2. Many of our routes will be combined, but your student's route number will be displayed on the side of the buses. Buses will have multiple numbers displayed. It is important that your student looks for their route number before boarding the bus. Example: Routes 6 and 7 have been combined and this bus will have both RT 6 and RT 7 displayed on the side of the bus.
3. These changes will begin Wednesday afternoon. The school will also be communicating with your student of these changes.

Thank you for your patience and working with us in the process of the changes.
