

## **Gifted and Talented**

The Blevins School District is seeking to hire a K-12 Gifted and Talented teacher for the 2022-2023 school year. Interested applicants will be required to have a standard educator's license with the Gifted and Talented endorsement or a standard teaching licensure and be willing to complete the Gifted and Talented endorsement on an Alternate Licensure Plan (ALP).

The Blevins School District will implement a four-day school week beginning with the 2022-2023 academic school year. The off day will be Friday.

The Blevins School District participates in the High Priority Bonus program and qualified applicants could receive an annual incentive bonus. High Priority Bonus information can be found at:
