Please keep your student(s) home if they are sick in any way. Let's "work hard" at having a normal school year, and let's "be nice" by considering others' health as well as your own.

Attention all students: As a reminder, food deliveries can be picked up during your lunch period only. All deliveries that arrive outside of the lunch period will remain in the office, this includes breakfast and coffee.

The Umatter Committee is currently accepting donations for a school therapy dog! The therapy dog would be available for students throughout the day to help with emotional support, to reduce anxiety, and provide a helping hand in the journey to a successful school year at PHS. Donations are available through Rev Track or in the Front Office of the High School. The goal is to reach \$2500, so anything helps! Our mission is to help provide a positive and healthy student body and we are determined to do this by creating positive school interactions and events, and a facility dog helps us accomplish this! Please use the link below to update any demographics (phone numbers, addresses, emergency contacts) for our Student Information System. It is important our district has current and accurate demographics for each of our students and families. Thank you. Go Trojans!
