- **Attention senior parents: Please make sure that you have completed the FAFSA if your child is considering attending college. This will give them any need based financial aid and scholarships including the Michigan Achievement Scholarship in which the State of Michigan estimates 80% of graduating seniors will receive.**
- In partnership with Educatius, we welcome two new students for the 2023 – 2024 school year: Alessio from Italy and Nhat from Vietnam. **We are currently looking for paid host families.** Host Families come in all sorts: young couples with small children, single persons, one parent families, or empty nesters. The characteristic all host families share is a big heart for a new family member and an interest in other cultures. Would you be interested in hosting or know someone who could?

Please consider helping these international students wishing to live and study in Plainwell. Feel free to email Erin Freshour at erin.freshour@educatius.or or call/text at (616) 301-4241.

- Student Management Group, in partnership with Plainwell Schools, is looking for host families for two Japanese students coming to Plainwell High School through the Tokyo Bureau of Education Scholarship Program. The students speak English, have their own health insurance and spending money. A host family provides a room and meals, passes a background check, and receives a monthly stipend to offset the expense of hosting. Meet some of our students:

Go (15 year old boy): I am in the basketball club at school now. I play with high school students almost every day. In the US I hope I get to try basketball, snow skiing, bowling and soccer. My favorite subjects are foreign languages and physical education. I live in Tokyo now, but I was born in Osaka. Also, I had been in America for about three years starting when I was in first grade. I have a younger brother and we get along well. The reason that I joined this program is that I am starting to forget about English. So, I want to study it again. Also, I want to learn the U.S. culture and the life. When I had been there, I stayed with my parents and brother. So, I only know the Japanese culture. I want to learn them by spending fun time with the host family.

Konatsu (16 year old girl): My name is Konatsu. I have a mother, a father, and an older brother. I like speaking English very much. I am in the library staff at my school. I like volunteering. I like reading books, listening to music, and traveling to foreign countries. I also like tennis, dance and skiing. I joined this program because I want to be a member

of the Doctors Without Borders organization. So I want to be good enough to work in English. I also want to learn foreign culture and point of view. I'm looking forward to seeing you.

For more information about hosting one of these great students, please contact Heather Roberts at 269-674-8379 or hroberts@student-management.com

- Please use the link below to update any demographics (phone numbers, addresses, emergency contacts) for our Student Information System. It is important our district has current and accurate demographics for each of our students and families. Thank you. Go Trojans! <https://5il.co/z35k>
- If your student(s) need to leave during the school day for any reason (appointments, sick, etc.) please call the high school office at 269-685-9554, to give permission to allow your student(s) to leave school property.
- If your student takes medication ([prescription](#) and [non-prescription](#)) please complete new medication forms, they are needed annually and linked above.
- Digital ticketing is a learning curve for everyone! Thank you for taking this journey with us. We STRONGLY encourage our parents to download the Hometown Ticketing app on your phone from your app store. It is the easiest way to get your Plainwell Trojan Tickets! You can also purchase tickets by going to the PHS Athletics page or www.bit.ly/plainwell-tickets.
