BROWNSVILLE PA 15417**

Dear Parent:

The Brownsville Parent Advisory Council (BPAC) is searching for an interested, hardworking, and dedicated parent to fill a vacancy on our council.

Our purpose is to develop communication and awareness of Title I programs and to provide parents with resource materials and educate them to become involved as Title I parents.

Requirements are attending monthly meetings as well as planning and attending workshops, assist with open house for National Education Week, assembling supply packets to be given to kindergarten children at the time of registration, in addition to many other activities.

If you are interested in assisting the council, please complete the application form on the back side of this letter and return to Lana Konopka, at the address listed above.

Representatives from the council will also be present at the open house in November to answer any and all questions.

Thank you.
