

# Save The Date!

Looking for fun activities for your child to engage in this summer?

LPS and RSD6 are excited to sponsor the Summer Step Enrichment program at James Morris School. This program is open to all currently enrolled students in grades K-5 across both districts, at no cost to families!

Summer Step offers students an opportunity to participate in a variety of academic activities in ELA and Math subject areas, led by certified teachers.

We will also be working with local community agencies to provide fun, on-site presentations and/or activities!
