Dear Community Members:

Ovid-Elsie High School is seeking nominations of individuals and teams for induction into our Hall of Fame. The nomination form can be found [here](#) or by going to www.OvidElsie.org, selecting the Schools heading, then Ovid-Elsie High School from the drop-down box and the Hall of Fame link to a Google Form. Nomination forms are due no later than April 15, 2022. Nominations can also be submitted directly by contacting the high school athletic director, Jesse Johnson at jesse.johnson@ovidelsie.org or the high school principal, Jason Tokar at jason.tokar@ovidelsie.org.

Nominations stay on file and will be reviewed and considered annually, so there is no need to resubmit for previously nominated candidates. Typically 5 or fewer inductees are selected annually. Nominees should be distinguished in their fields by virtue of their work and performance and are widely known for their contribution to Ovid-Elsie High School. Eligibility is based on the following criteria:

- **Individual students and athletes** must have graduated from Ovid-Elsie in 2012 or earlier. Students and athletes are selected based on their impact on Ovid-Elsie High School. This is not just for athletic contributions.
- **Individual staff members or coaches** need to have been removed from service at Ovid-Elsie Area School for a minimum of 5 years, 2017 or earlier, to be considered or retired from the district for at least 3 years, completing their service in 2019 or earlier.
- **Teams** are eligible after 5 years, competing in 2017 or before.

If you know a student, athlete, staff member, or team that is worthy of recognition and induction into Ovid-Elsie High School's Hall of Fame, please submit your nomination by April 15, 2022. Inductees will be honored at a banquet and induction ceremony next fall. More details about the induction ceremony will be announced after inductees have been selected.

Thank you for always supporting our school, community, and the people that have made an impact here.

Sincerely,

Jason D. Tokar
