

# GRASSY CREEK NEWS

Clark-Pleasant Community School Corporation

July 27, 2018

Dear Grassy Creek Families,

We've had a great start to the school year! Thank you for making sure your children are here and ready to learn.

For communication purposes, we will email a newsletter every other week from the office. Teachers will have updates on their class dojo account and on their webpages. Our district and school webpage is a wonderful resource for events, information about academics, school calendars, and specific school information such as the student handbook.

Parent Vue is the way for parents to connect to see your child's progress through a grade book view. If you haven't signed up for an account and need help, please contact our school office at 535-3980. Parent Vue is an application you can add to your smart phone.

Our school, and three other elementaries in our district will undergo renovations this school year. We will be replacing carpet and repainting walls at GCES. While your child's room is under construction, they will continue their normal learning schedule in a different classroom within the building. This has taken much creative planning and flexibility, but our focus will continue to be on student learning. Teachers will communicate about renovations as it affects their class.

Have a good weekend,

*Mrs. Lake*

## Dismissal Reminder

If your child is not a bus rider, he/she will be picked up from our car rider line. Please do not come to the office to pick up your student. All car riders are sent to the cafeteria to be released to their parents. We can't accommodate having numerous students come to the office to meet parents.
