

# **USD 327 Ellsworth-Kanopolis-Geneseo Goals**

## **Board of Education**

To pursue excellence

To insure an environment that promotes responsible behavior and good character on the part of students, faculty, staff and patrons.

To provide programs and instruction designed to help all students master the skills necessary for reading, mathematics, and science that are age appropriate and correspond to their interests and aspirations.

To develop technology programs designed to supplement learning and to enhance opportunities for our students and our community.

To explore, develop, and implement programs to better meet the needs of all students.

To acknowledge the impact of Elementary Secondary Education Act and the importance of continuous improvement.

## **Ellsworth Elementary School**

To improve student performance in meeting the curriculum outcomes of Ellsworth Elementary School

## **Kanopolis Middle School**

To promote and evaluate student accountability in meeting the curriculum outcomes of USD #327.

Increase student achievement through analysis and development of strategies to meet the Curricular Standards as prescribed by the State Dept. of Education.

Continue to increase technology competency of staff and students.

Augment responsible behavior and good character on the part of students, staff and patrons.

## **Ellsworth Jr/Sr High**

To continue to improve student performance in the areas of communication, reasoning, and problem solving especially as they pertain to math and science.

To continue to improve student performance in the areas of comprehension, written expression, and lifetime reading skills.

To continue to promote positive behavior, personal wellness, safety, and character on the part of the students, faculty, and staff.

To continue to access and implement modern instructional technology uses within the curriculum.
