RE: Elementary Open House Schedule

Dear Students, Parents, and Guardians:

The Avon Elementary Open House is scheduled for August 16th for preschool through 5th grade students. In the attempt to limit congestion in classrooms during the Open House, we are scheduling families into the building by last name. If there are combined families, we certainly understand the need for convenience and to eliminate several trips into the building. Therefore, such families are encouraged to select a session that fits the last name of one of the families within your household and have all students within the household attend that session.

Each session is limited to 15 minutes. While this is not a long time, it should allow the opportunity for students to meet their classroom teacher and bring their school supplies in. Please follow the time limits. Families will be entering through the southwest main entrance and exit from the northwest doors to further eliminate congestion.

6:00 A & B
