Avon Backpack Program

Assistance is offered for a free supply of meals and snacks to students in grades K-6 who may need an additional food resource over the weekends during the school year. Food is discreetly sent home on the last day of the school week. If you have not already signed up and your child would benefit from this program, please contact 605-286-3291 x 114 or email Julie.mudder@k12.sd.us with child's name, grade, age, and any food allergies.
