RE: MARJORIE GRAHAM STUDENT SCHOLARSHIP

The CAAEOP is an affiliate of the New York State Association of Educational Office Professionals, an organization of secretarial, clerical, and accounting personnel who are employed by educational systems in New York State. You are receiving this letter because an employee of your district is currently a member of the CAAEOP. This means students from your district **are eligible to compete for a \$500 scholarship**. This year we are awarding three (3) scholarships to students from our districts within Otsego, Schoharie, Greene and Delaware Counties, and one of the three scholarships will be specifically designated for a vocational student.

Two scholarships will be awarded to graduating seniors who intend to continue their education in preparation for a career in business. This includes, but is not limited to, careers in accounting, business management, and computer technology. One additional scholarship will be awarded to a graduating senior who intends to continue their education in a career related to their vocational education.

The applications must be received or postmarked no later than **April 1, 2022** (faxed or emailed applications will not be accepted). Additionally, we are planning to hold a dinner in May which the scholarship recipient(s) and parents are encouraged (but not required) to attend so that we can honor them. We will notify you of the date when it is set.

Attached is the application and information for students who wish to apply.

Again, please remind your students of the **April 1, 2022** deadline.

If you have any questions, please contact the scholarship committee chairperson:
