Dear Provider:

The athlete that you are treating today is a member of the School District of Greenwood, which is a participating member of the Wisconsin Interscholastic Athletic Association (WIAA).

The WIAA has provided the athlete with an excess accident medical plan that pays for expenses related to the care of a concussion injury. This plan will pay for covered charges after the athlete's primary insurance has been exhausted. K & K Insurance is the claims administrator for the excess plan and the following information is being supplied to you in an effort to assist the claimant in obtaining maximum benefits in a timely manner.

Please submit all charges through any other primary insurance first, and then submit itemized bills (HCFA-1500 or UB-92) and the primary Explanation of Benefits to:
