

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. A site-based meeting is held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

Building Partnerships

There are many ways for parents to volunteer and play a role in the education of their children. Please consider joining the faculty, staff, and fellow parents through some of the following events and programs:

Meet the teacher
School board meetings
Curriculum/ AVID awareness night
Modern Gentlemen/ Classy Cadets homecoming parade
Modern Gentlemen football games
Modern Gentlemen basketball games
Attendance at student games or dance performances
