I. ALL EMPLOYEES

A. Preamble:

The School District of Athens affords equal employment opportunity to qualified individuals regardless of their race, color, religion, sex, national origin, age, marital status, genetic information, disability, or because of being a protected veteran, to the extent required by law, in all aspects of the employment relationship, including recruitment, selection, placement, training, assignment, promotion, transfer, compensation, benefits, and termination.

This employee handbook is an employment guide for employees of the School District of Athens. This handbook outlines important information about compensation, benefits, leaves and absences, grievance procedure, and work schedules. It is the employee's responsibility to read, understand and be familiar with this handbook. Any questions you have about provisions of the handbook should be brought to the district office Administrative Assistant.

The school building administrator to which you are assigned will establish additional appropriate guidelines and procedures. Questions that you have about these procedures and guidelines should be addressed with your supervisor.

This Handbook is not a contract or any part of a contract for employment, expressed or implied. Employees without an individual contract for employment are "at-will" employees.

Employees with an individual employment contract are subject to provisions of this handbook that are not covered in the individual employment contract. If there is a conflict between the provisions of this handbook and the terms of an individual employment contract the employment contract will control.

This handbook can be changed at any time at the discretion and action of the School Board of Athens.

This handbook is subservient to, and does not supersede the provisions set forth in District policies or state and federal laws.

B. Definitions:

Administrators: Administrators are defined as persons who are required to have a contract under §118.24 Wisconsin Statutes and any other individual given an administrator contract by the School Board.

Certified staff generally receive an individual contract for employment and the renewal of the individual contract is subject to Wisconsin Statutes.

Classified Staff: Classified staff are regular employees other than certified staff and administrators and do not receive an individual employment contract with the District.

Discipline: Discipline is defined as any employment action that results in disciplinary suspension without pay, disciplinary reduction in pay or other benefits, or disciplinary demotion. Discipline shall not include the following:

- performance evaluations or reviews;
- documentation of employee acts and/or omissions in an employment file;
- oral or written reprimands;
- administrative suspension with pay;

Violation may result in disciplinary action, including termination of employment.

The District expects its employees to refrain from conducting activities during work time that is not associated with their assigned duties and responsibilities.

Confidentiality: Pupil information obtained as the result of employment with the District is confidential and protected by law unless such information has been designated as pupil directory data in School Board policy. The law and respect for our student’s rights require that student issues are only discussed with employees and parents who need to know the information.

In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the superintendent, or designee.

Conflict of Interest: A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party with which the employee is affiliated because of the employee’s position with the District. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

No employee may negotiate or bid for, or enter into a contract in which the employee has a private pecuniary interest, direct or indirect, if at the same time the employee is authorized or required by law to participate in the employee's capacity as an employee in the making of that contract or to perform in regard to that contract some official function requiring the exercise of discretion on the employee's part. Volunteers are also required to complete a background check. Individuals given an offer of employment are required to file, on forms provided by the District, a statement identifying whether the applicant:

- has been convicted of a misdemeanor or felony in this state or any other state or country; and

However, an offense of operating under the influence, revocation or suspension of license and driving after revocation or suspension must be reported. Such report shall be made as soon as possible, but in no circumstance more than three calendar days after the event giving rise to the duty to report.

The District may conduct criminal history and background checks on its employees. An arrest, indictment or conviction of a crime shall not be an automatic basis for termination. The District shall consider the following factors in determining what action, if any, should be taken:

- the relationship between the offense and the position to which the employee is assigned.

Nothing herein shall prohibit the District from placing an employee on administrative leave based upon an arrest, indictment or conviction.

Teachers may accept only gifts of token value from students.

Employees shall decline gifts, gratuities or favors from any organization or individual seeking to do business with the District. Employees may purchase additional coverage at their own expense (\$10,000 additional). The district will determine the provider. Part-time employees (75% FTE and above) will have this benefit prorated. See the district office for more details on using the program.

Wisconsin Retirement System (WRS): The Board shall pay a portion of the employee's required pension cost toward the Wisconsin Retirement System as determined by §40.05 and §66.0518 Wisconsin Statutes. The employee will pay the remaining portion.

Representation: In the event any employee is called to a meeting with representatives of the District for the purpose of investigating circumstances which may lead to discipline or discharge, the employee may request to bring an advocate. Nothing in this provision shall prevent the District from removing an employee from the work place if immediate action is required.

E. Grievance Procedure:

The Board has a grievance procedure for employees. Please refer to Appendix A.

F. Savings Clause:

If any provision of this Handbook, or addendum thereto, is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any sections, or addendum thereto, should be restrained by such tribunal, the remainder of this Handbook shall not be affected thereby.

G. School Board Functions and Policies:

Notwithstanding any provision of this Handbook, the School Board, on behalf of the electors of the District, retains and reserves unto itself all powers, rights, authority, responsibilities, and duties conferred upon and vested in it by the laws and constitutions of the State of Wisconsin and the United States.

II. CONTRACTED STAFF

A. Covered Employees:

Licensed administrators, confidential secretarial staff, supervisors, district technology specialist, and the district administrator's administrative assistant.

B. Salary and Benefits:

Salary and benefits will be outlined in the contracts individually negotiated with each person. Contracted items will supersede any item generally referred to in the employee handbook if there is a conflict. State and Federal statutes also impact the employment rights and responsibilities of the contracted individual.

C. Evaluation:

Contracted employees will be evaluated on criteria described by state and local expectations. Job descriptions will provide the basis of areas of responsibility to be measured.

D. Bonus Pay for Supervisors of Support Staff:

For any "4" on the evaluation form, the supervisor will receive \$50 per component up to a \$150 maximum during a rating year evaluation. This bonus is available every year as it is intended that these evaluations be completed each year. This bonus pay is not permanent to a salary base. (Effective in the 2017-18 school year.)

III. CERTIFIED INSTRUCTIONAL STAFF

A. Substituting for Teachers:

If a qualified substitute cannot be found, teachers will be expected to supervise the absent teacher's classes. They will be reimbursed at the rate of \$20.00 for each 45-minute period.

B. Afterschool Programs

The rate of pay for afterschool programs approved by the district is \$20 per 60-minute hour.

C. Professional Development:

Teachers will be expected to participate successfully in district provided professional development. Administration will assess the degree of successful participation by the employee. This assessment will be part of the overall evaluation of the employee.

Teachers may request a scholarship to participate in professional development in addition to the district's directed professional development plan. That professional development proposal must be in concert with the district's professional development goals. These scholarships must be approved by the district administrator and the CIA director and be within the budgeted professional development resources approved by the Board.

D. Teaching Hours and Class Loads:

The typical school teaching day will be 7:30 am to 3:30 pm. As exempt professional employees, teachers will be expected to attend after school meetings as directed by administration for staff, student, parent, committee meetings, professional development, and district assigned events. Employees who are unable to attend due to other district responsibilities (coaching for instance) or unanticipated conflicts may request to be excused but will be responsible for the acquiring the information of the event missed. This request must be approved by the district administrator or building principal.

The district will determine the daily instructional schedule. A preparation period of 45 minutes will be provided, as well as a 30 minute duty-free lunch. Administration will schedule the other times for instruction of courses and/or other district duties. Part-time employees will have prorated instructional/duty responsibilities.

E. Professional Pay Model:

The base salaries of teachers will be determined sensitive to state statutes and approved by the Board. The Board may determine to provide additional supplemental pay at its sole discretion. This will be for core services rendered during the school calendar year.

Newly hired teachers will be provided a base salary appropriate to the skills brought to the district and the market forces impacting acquisition of those categories of employees.

Teachers may be asked to consider additional duties beyond the school year calendar. Summer school instructors will be paid based on a salary model determined by the Board.

Paid holidays are recognized as Labor Day, Thanksgiving Day and Memorial Day.

Teachers employed in the District are subject to non-renewal on a statutory basis as prescribed in §118.22 Wisconsin Statutes. Such nonrenewal shall be exclusively subject to the provisions of §118.22 Wisconsin Statutes and is not covered by the grievance procedure of this Handbook.

The Board may find it necessary to reduce its employee force due to fiscal constraints or programmatic changes. Staff who will be considered to be fully or partially reduced in assignment will be afforded procedural rights outlined in state statute.

Staff who have been partially or fully reduced in contract may apply for other posted positions in which they have licensure. The district retains at its discretion the right to assign existing employees to positions in which they are licensed to perform duties.

H. Post-Employment Benefits:

Upon retirement from the school district, teachers who have 15 years of continuous full-time employment, were hired before July 1, 2013, and retire with benefits from the Wisconsin Retirement System (WRS) shall receive a stipend of \$25 per unused sick leave day to a maximum of \$2750 payable by January 1 of the year following retirement. Appropriate forms will be provided to the IRS upon distribution of this stipend. Certified employees hired on or after July 1, 2013, will not receive this benefit.

Professional Certified Staff

 - Upon retirement, the employee shall have placed in a district-sponsored HRA (Health Retirement Account) for health insurance premium for the lesser of the following two options:
 - a. Number of years of service times \$2000 (prorated for part-time employees counting those years with 75% employment or greater).
 - b. Maximum of \$48,000.
 - The retiree will seek out and pay for their own health insurance plan with allowances made for COBRA as per federal law.
 - The employee shall successfully complete fifteen (15) continuous years of service to the district prior to retirement.
2. Employees Hired for the 2011-12 School Year and thereafter

Upon retirement, the employee shall have placed in a district-sponsored HRA (Health Retirement Account) for health insurance premium for the lesser of the following two options:

- a. Number of years of service times \$1500 (prorated for part-time employees counting those years with 75% employment or greater).
- b. Maximum of \$36,000.

The retiree will seek out and pay for their own health insurance plan with allowances made for COBRA as per federal law.

The employee shall successfully complete fifteen (15) continuous years of service to the district prior to retirement.

This benefit negates upon resignation or termination with no pay out.

I. Breaking Contract:

If a teacher resigns prior to fulfilling their contract, the teacher shall forfeit liquidated damages. There will be a \$1000 penalty if said resignation occurs between June 15 and July 15 of any calendar year, and \$2000 from July 15 through the remainder of the school term. The Board may waive this penalty for unusual circumstances.

J. Evaluation:

Teaching employees will be evaluated on criteria directed by state and local expectations. Job descriptions will provide the basis of areas of responsibility to be measured. For instructional staff, they will be evaluated on curriculum fidelity, instructional behaviors using the Danielson/State of Wisconsin model, and formative and summative assessment expertise. Additionally the organizational behaviors of staff will be evaluated to measure fidelity to the professional behavior expectations of the Board.

The administration will be responsible for the creation of instruments and procedures to assure a valid and reliable evaluation of the employee. Minimally, an evaluation of teachers will occur at a frequency required by state law. The district administrator will direct additional evaluations upon the recommendations of the building principals.

IV. CLASSIFIED SUPPORT STAFF

A. Designation of Classified Employees by Time:

Twelve-month full-time: A twelve-month full-time employee is defined as an employee who normally works at least 37.5 hours per week and is scheduled for all work days of the year on a twelve-month basis exclusive of paid holidays, vacations, and paid-time-off personal illness usage.

Twelve-month part-time: A twelve-month part-time employee is defined as an employee who is regularly scheduled to work less than 37.5 hours on a twelve-month basis.

School-year full-time: A school-year full-time employee is defined as an employee who normally works at least 37.5 hours per week during the school year. The school term may include specified periods of time prior to the start of the school year and after school closes.

School-year part-time: A school-year part-time employee is defined as an employee who is normally scheduled to work less than 37.5 hours per week during the school year.

The van driver will be assigned as needed by administration.

B. Work Schedule, Holidays, Vacations:

The normal work week for employees shall be Monday through Friday. The District reserves the right to make changes in the normal work week and/or work day. The hours of assignment may be provided in an assignment form for the employee.

An unpaid duty-free lunch period of thirty (30) consecutive minutes shall be permitted employees scheduled to work a shift of six (6) or more hours. Food Service employees will not have a scheduled unpaid duty-free lunch period.

Overtime shall be paid at the rate of time and one-half the employee's regular hourly rate of pay for all time worked in excess of forty (40) hours in any work week.

Traditional holidays that will be recognized for 12-month full-time employees are as follows:

1. New Year's Day
2. Good Friday
3. Memorial Day
4. Independence Day
5. Labor Day
6. Thanksgiving Day
7. Christmas Eve
8. Christmas Day

Support staff school-year employees will receive three (3) paid holidays per school year. All employees shall receive prorated holiday pay computed on the basis of the number of hours they work in a normal day. Paid holidays are recognized as Labor Day, Thanksgiving Day and Memorial Day.

If a holiday falls on Sunday, Monday shall be declared the holiday. If a holiday falls on Saturday, Friday shall be declared the holiday. Any employee required to work on a holiday shall receive overtime pay.

The Board will adjust support staff work days and hours at its discretion. Budget constraints and service needs will be the prime determinants in adjustments to these assignments.

Any employee working six (6) or less hours per day shall be entitled to one fifteen (15) minute break. Any employee working more than six (6) hours per day shall be entitled to two 15 minute breaks per work day. Any employee who voluntarily gives up their 15 minute break shall do so without additional compensation.

Classified employees who work before or beyond their assigned hours without supervisor permission will be considered insubordinate and subject to progressive discipline. Good communication with the supervisor will make this a rare occurrence.

During the summer months outside the general school-year calendar, the buildings and grounds supervisor may schedule the custodial staff for 10-hour-days, four-days-per-week as necessary. When working this type of schedule, a day-of-leave would be considered 1.25 day of leave.

C. Post-Employment Benefit:

Upon retirement for those employees eligible to receive benefits from the Wisconsin Retirement System (WRS) and with 15 years of continuous full-time service with the district, the retiree shall receive a stipend of \$15 per unused sick leave day to a maximum up to 110 days for those hired before July 1, 2013. The stipend will be payable by January 1 of the year following retirement. Appropriate forms will be provided to the IRS upon distribution of this stipend. Employees hired after July 1, 2013, will not receive this benefit.

Retirees can remain on the district's health care plan for a period of time allowed by federal statute (COBRA). The retiree will pay for all premium and other costs defined in the plan.

D. Pay Plan:

Classified staff will be paid on an hourly basis. The rate of pay will be determined by the Board. The Board will inform the employee of their rate of pay through a documented schedule.

E. Bonus Pay for Support Staff:

For any "4" on the evaluation form, the support staff individual will receive \$25 per component up to a \$75 maximum during a rating year evaluation. This bonus is available every year as it is intended that these evaluations be completed each year. This bonus pay is not permanent to a salary base. (Effective in the 2017-18 school year.)

E. Union Dues:

The district will not collect union dues from represented employees per §111.845 Wisconsin Statute. The employer may not deduct labor organization dues from a general employee's earnings.

- F. Evaluation:
Support staff employees will be evaluated on criteria informed by local administrative expectations. Job descriptions will provide the basis of areas of responsibility to be measured. Additionally, the organizational behaviors of staff will be evaluated to note the degree of professionalism required by the Board.

The administration will be responsible for the creation of instruments and procedures to assure a valid and reliable evaluation of the employee. Minimally, an evaluation of support staff will occur at least once a year. The district administrator will direct additional evaluations upon the recommendations of the building principals and supervisors.

V. **SEASONAL, PROJECT, SUBSTITUTE, TEMPORARY, CASUAL EMPLOYEES**

A. Pay Plan:

Employees asked to consider voluntary non-instructional projects outside of their school year responsibilities will be offered pay based on agreement between the district and the employee.

Persons asked to consider voluntary short term or seasonal projects will be offered pay based on agreement between the district and the person.

This does not include persons employed as substitutes/long-term substitutes.

B. Substitutes Pay Plan:

Substitute Teachers - \$100/day (plus \$5.00/day after 15 days per semester).

Long-term substitute (LTS) teacher - After ten (10) days of substitute rate, per diem will be based minimally on lowest base salary of a teacher. The per diem will be calculated on this base and a per diem determined with proration factors if necessary.

Custodians - \$10.25/hour.

All other support staff (aides/food service/secretaries/special education van driver) - \$9.25/hour.

The Board may adjust the amount of pay on a case-by-case basis.

VI. **COACHING AND ACTIVITIES PERSONNEL**

A. Philosophy:

The School District of Athens recognizes that learning occurs in many contexts. A classroom can be a traditional four-wall experience. Additional student participation in athletics and activities provides another set of classrooms to learn life-long skills. Competition, teamwork, respect, persistent commitment, and technical skills can be learned and enhanced through athletics and activities. While winning remains an important element in competitive sports and activities, it is only one of many elements to a successful experience. Our successful programs will make a great effort to acquire great performance from our students and acquire the highest awards available. Additionally, whatever the win or losses, a program can be successful when participating students learn to improve their skills, become good followers and leaders and exhibit great character as they represent their district, families, and community.

Coaches and activity advisors have a central role in the success of our programs. Additionally, many people also help in the processes of events. Without those ticket-takers and other extra-duty employees, we would not be able to execute our best presentation of events.

B. Coaching/Advisor-Activity/Extra Duty Pay Plan:

These plans are attached to this handbook.

APPENDIX A: GRIEVANCE PROCEDURE

RESOLUTION FOR GRIEVANCE PROCEDURE THE SCHOOL DISTRICT OF ATHENS

Approved 9/19/2011

DISCIPLINE AND GRIEVANCE PROCEDURE

Discipline. Discipline may result when an employee's actions do not conform with generally accepted standards of good behavior, when an employee violates a policy or rule, when an employee's performance is not acceptable, or when the employee's conduct is detrimental to the interests of the School District of Athens. Disciplinary action may call for any of four steps – verbal warning, written warning, suspension (with or without pay) or termination of employment – depending on the problem and the number of occurrences. There may be circumstances when one or more steps are bypassed. Certain types of employee problems are serious enough to justify either a suspension or termination of employment without going through progressive discipline steps. The School District of Athens reserves the right, in its sole discretion, to impose disciplinary action as may be appropriate to the particular circumstances.

Grievance Procedure. This procedure is intended to comply with §66.0509 Wisconsin Statutes and provides a grievance procedure addressing issues concerning workplace safety, discipline and termination. This policy applies to all employees covered under §66.0509 Wisconsin Statutes. An employee may appeal any level of discipline under this grievance procedure. For purposes of this policy, the following definitions apply:

1. "Employee discipline" includes all levels of progressive discipline but shall not include the following items:
 - Placing an employee on paid administrative leave pending an internal investigation;
 - Counseling, meetings, or other pre-disciplinary action;
 - Actions taken to address work performance including use of a performance improvement plan or job targets;
 - Demotion, transfer, or change in job assignment;
 - Other personnel actions taken by the employer that are not a form of progressive discipline.
2. "Employee termination" shall include action taken by the employer to terminate an individual's employment for misconduct or performance reasons, but shall not include the following personnel actions:
 - Voluntary quit;
 - Layoff or failure to be recalled from layoff at the expiration of the recall period;
 - Retirement;
 - Job abandonment, "no-call, no-show", or other failure to report to work;
 - Termination of employment due to medical condition;
 - Lack of qualification or license;
 - Other inability to perform job duties.
3. "Workplace safety" is defined as conditions of employment affecting an employee's physical health or safety, the safe operation of workplace equipment and tools, safety of the physical work environment, personal protective equipment, workplace violence, and training related to same.

Any written grievance filed under this procedure must contain the following information:

- The name and position of the employee filing it,
- A statement of the issue involved,
- A statement of the relief sought,
- A detailed explanation of the facts supporting the grievance,
- The date(s) the event(s) giving rise to the grievance took place,
- The identity of the policy, procedure or rule that is being challenged,
- The steps the employee has taken to review the matter, either orally or in writing, with the employee's supervisor,
- The employee's signature and the date.

STEPS OF THE GRIEVANCE PROCEDURE

Employees should first discuss complaints or questions with their immediate supervisor. Every reasonable effort should be made by supervisors and employees to resolve any questions, problems or misunderstandings that have arisen before filing a grievance.

Step 1 – Written Grievance Filed with the Direct Supervisor.

The employee must prepare and file a written grievance with the Direct Supervisor within five (5) business days of when the employee knows, or should have known, of the events giving rise to the grievance. The Direct Supervisor will investigate the facts giving rise to the grievance and inform the employee of his/her decision, if possible, within ten (10) business days of receipt of the grievance. In the event the grievance involves the Direct Supervisor, the employee may initially file the grievance with the District Administrator, who shall conduct the Step 1 investigation.

Step 2 – Review by the School District of Athens Administrator.

If the grievance is not settled at Step 1, the employee may appeal the grievance to the District Administrator within five (5) business days of the receipt of the decision of the Direct Supervisor at Step 1. The District Administrator or his/her designee will review the matter and inform the employee of his/her decision, if possible, within ten (10) business days of receipt of the grievance.

Step 3 – Impartial Hearing Officer.

If the grievance is not settled at Step 2, the employee may request in writing, within five (5) business days following receipt of the Administrator's decision, a request for written review by an impartial hearing officer. The School District of Athens shall select the impartial hearing officer. The hearing officer shall not be a School District employee. In all cases, the grievant shall have the burden of proof to support the grievance. The impartial hearing officer will determine whether the District acted in an arbitrary and capricious manner. This process does not involve a hearing before a court of law; thus, the rules of evidence will not be followed. Depending on the issue involved, the impartial hearing officer will determine whether a hearing is necessary, or whether the case may be decided based on a submission of written documents. The impartial hearing officer shall prepare a written decision. Both parties will share equally in the cost of the impartial hearing officer.

Step 4 – Review by the Governing Body.

If the grievance is not resolved after Step 3, the employee or the District Administrator shall request within five (5) business days of receipt of the written decision from the hearing officer a written review by the Athens School Board. The Athens School Board shall not take testimony or evidence; it may only determine whether the hearing officer reached an arbitrary or incorrect result based on a review of the record before the hearing officer. The matter will be scheduled for the School Board's next regular meeting. The School Board will inform the employee of its findings and decision in writing within ten (10) business days of the meeting. The Athens School Board shall decide the matter by majority vote and this decision shall be final and binding.

An employee may not file a grievance outside of the time limits set forth above. If the employee fails to meet the deadlines set forth above, the grievance will be considered resolved. If it is impossible to comply with the deadlines due to meeting notice requirements or meeting preparation, the grievance will be reviewed at the next possible meeting date. An employee must process his/her grievance outside of normal work hours, unless the employee elects to use accrued paid time (vacation, comp time etc.) in order to be paid for time spent processing his/her grievance through the various steps of the grievance procedure.
