

BRIAN COOPER – Paris School Board

I have lived in Paris for the past 54 years. Teresa, my wife of 30 years, and I both graduated from Paris Schools. Our two children, Troy and Erin, are also both Paris graduates. I am a 35 year member of the Arkansas Army National Guard; the last 22 years full time. I have served on the Paris School Board for 16 years. I believe a child's education is the most important part of a parent's life and try to keep that attitude toward all children in the Paris School District.
