

REGGIE TRUSTY – Paris School Board

I was raised in Paris, AR along with my 5 brothers. My wife, Karen and I are both Paris graduates of the class of '86. We both attended the University of Arkansas at Fayetteville where I played Football with the Razorbacks during the 1986-1990 seasons. My degree is in health and physical education. I am a supervisor at the Arkansas Highway Transportation Department, where I have been employed for 27 years for District 4. Karen has been a history teacher for 29 years, 19 of those years with the Paris School District. We have two children, Raegan who is a 2010 graduate and Raece who is a 2017 graduate of Paris Schools. I enjoy serving on the school board and helping our district grow.
