# Resetting Your Wonders Teacher Dashboard

*Remember that your Teacher Calendar determines the access for students

**Step 1:** After opening your Teacher's Edition, click on the CLASS on the upper right hand corner.

Step 2: Select your 2019-2020 class roster. There are two classes listed (one will have EL at the end of the name), you will also need to do the same process for your designated ELD materials.

Step 3: Be sure to enter the correct date for the first day of school, August 5th, the select next.

Step 4: You are now able to click on all of the dates for student recess. Be sure to have your district calendar beside you for support.

You will use this page to set non-teaching days for your lesson plan. Click on any day that you want to designate as a non-teaching day. Weekends and national holidays have been preselected for you. Preselect non-teaching days can be deselected by clicking on the day.
