Questions or Comments:

• ***Leslie Finer - 89 Norma Road, Harrington Park, NJ***

- Ms. Finer questioned why the meeting was scheduled for Friday at noon with no virtual option. She was concerned that some people might not be able to attend who wanted to and she wondered if the virtual option could be implemented for the future.
- Ms. Finer wondered what are Covid procedures from the State for school opening and what happens if someone tests positive?

Dr. Fried responded that we are looking into a testing vendor, insurance is an issue and looking for a no-cost option that won't affect families/staff. There are multiple scenarios/procedures for a positive test, all of which are being finalized by administration based on guidance from the Department of Education.

- Ms. Finer mentioned issues regarding race/discrimination issue and Critical Race Theory Curriculum up at the HS - how is HP handling this subject?

Dr. Fried responded that we are looking at new and different programs to help address this topic, but have always had curriculum in place that has been successful. The long-term goal of the Board is to continue to empower and educate students and let them share their own thoughts/feelings with the adults, rather than letting the adults think they know how students should feel.

• ***Miki Jensen - 224 Florence Road, Harrington Park, NJ 07640***

- Ms. Jensen mentioned that racial and social justice issues are very complicated and asked what kind of professional development/support is available for staff on how to address with students?

Dr. Fried responded that we continue to work at this but more recent student council meetings have been a great success in talking about these issue and letting the students know that they can be comfortable in sharing their feeling with staff and have support available to them.

• ***Joon Chung, Harrington Park, NJ 07640***

- Ms. Chung mentioned that the HS issues dealing with race are concerning but the culture there has been divisive on many subjects in the past such as random drug testing and BLM. HP has always been about cohesiveness and working together on the same side of the isle and coming up with solutions, and we have to continue to work on this moving forward.
- Ms. Chung mentioned that the HS put a deadline on staff to get Covid-19 vaccination, is HP doing this as well?

Dr. Fried responded that this deadline of mid-October actually came from the Governor, where staff needs to get vaccinated or face regular testing twice per week.

- **Lisa Rossi - 107 Kline Street, Harrington Park, NJ**

- Ms. Rossi read a statement regarding plexiglass dividers and studies saying they are unnecessary for the return to normal learning and she was wondering what Harrington Park School is doing.

Dr. Fried responded that the dividers are available in classrooms but will only be used in the lower grades where tables are used instead of desks (closer seating situation) and during lunch where there are no masks.

- **Daniel Warakfa - 34 Carmen Road, Harrington Park, NJ**

- Mr. Warakfa understands masks are required as directed by the Governor but he is concerned about the stamina of our children who are required to wear their masks for 6+ hours per day. He was wondering if the district would consider having “mask breaks”.

Dr. Fried responded that the staff started taking students outside last Spring for mask breaks/walks and this will continue for next year. There is also the possibility some teachers will hold their classes outside, when possible.

Motion by President Perides, seconded by Trustee Cho to close the meeting to the public.
