## College and Career Week

College and Career Week will be April 25-29th. This will be a fun week full of assemblies with special guests, activities, prizes, and college and career exploration.

Why is it important for elementary students to learn about different colleges and careers?

Students in elementary school are not too young to be exposed to the idea of postsecondary education and different careers. Those who get this exposure are more likely to see college and/or the career they want as an achievable goal.

## GRANDfamilies

Are you or someone you know raising a relative's child? The GRANDfamilies program can help with that! Here's a link to their website: [HERE](#)

And here's a link to their upcoming Support Classes in Brigham City: [HERE](#)

## Hot Chocolate Talks

"The Hot Chocolate Talk" child-protection campaign kicks off April 1st in support of National Child Abuse Prevention Month. This is a public awareness campaign to help families navigate conversations about child sexual abuse. These research-based how-to guides and free online resources teach simple, age-appropriate body safety rules and help families create a sense of warmth and comfort when talking about serious topics.
