INFORMATION

1. Mask Mandates in Schools-

- Mr. Posey reported on the current Mask Mandate in California Schools
- Mr. Posey shared the results of the mask mandate survey- results will be shared on our website tomorrow
- Yolo Middle School- Mrs. Decator and Yolo Students reported 24/26 students are in favor of keeping masks if it would allow dances and mega events. They think masks should be optional. They would like to hold normal indoor event, if masks would help keep indoor events they would wear them.
- Alexa Castaneda reported 9/10/11 prefer optional masking but Seniors want masks in place because they do not want to miss out on prom and senior activities. Students concerned it will interfere with sports and do not want to go back to distance learning. They want to avoid the risk of going back to distance learning and missing out on events.
- CSEA- Brittney Clark reported – they will always back the students and if not possible they would like to sit down and talk about the plan.
- NCLTA: Recommended to continue to follow the science and look at local transmission rates and hospitalizations in guiding any decisions regarding the local response to COVID-19 and encouraged everyone to get vaccinated.
- Cristy Diaz, Veronica Gonzalez, Edgar Lopez, Robin Leffler, Maria Fernandez. And Brandi Decator shared their opinion on the mask mandate
