## READY FOR A GREAT YEAR IN 2020

We are excited for the 2020/2021 school year! GO Club offers activities that will encourage your child to be fit and healthy for life. Students will learn games and activities that are centered on physical fitness. In addition, teamwork, character development, nutrition and tutoring will be integrated into the program.

# WELCOME

Dear Parent/Caregiver:

We are excited to invite your student to participate in the YMCA Graduate Oklahoma (GO) Club program. The program is focused on helping increase your child's academic success and develop his/her social and emotional skills in a way that supports a child's overall youth development.

We believe that family involvement is the key to the success of any child. In order for your child to most effectively participate in the program, we need your participation too. Your family involvement will include registering your child for the program, reading and understanding the parent handbook, supporting the program model, and helping provide a way for your child to fully participate by staying for the full length of the program each day. Kids who are picked up early miss out on valuable enrichment time, as well as a great deal of fun.

We intend for your child to have FUN, be ACTIVE, and make HEALTHY CHOICES—during the program AND at home!

**Your initials and signature are required on the last page of this registration form.** Please take a moment to read and complete the following information and agreement, followed by completing your student's registration with your initials and signature where applicable. We look forward to working with you and your child this year!

## HEALTH & SAFETY

We have implemented additional safety procedures for the health and safety of GO participants and staff. Each GO club will have limited capacity that will assist in social distancing of program participants. Staff will check every child's temperature with a No Contact Infrared Forehead Thermometer. In addition our team will have a series of 4-5 health and safety questions for each child. Children with a 100 degree temp or the below health and safety questions answered yes will not be allowed to attend GO club. Staff are routinely cleaning and sanitizing touch points and supplies. We highly encourage all participants over the age of 2 to follow the CDC protocols for face coverings. YMCA of Greater Tulsa GO staff will wear face coverings and gloves in program areas. Children need to wash hands upon arrival to the program as well as when they leave the program before leaving the facility. Staff will monitor child handwashing after restroom use, sneezing, coughing and other times.

## MISSION AND CREED

**YMCA MISSION** – To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

**GO CLUB MISSION** – To positively affect students' success in school with improved grades and attendance by providing increased health and wellness education.

**PROGRAM CREED** – "I pledge my commitment to the four core values of Caring, Honesty, Respect and Responsibility and to reflect them in my thoughts, words and actions to be the person I was intended to be."

## SCHOLARSHIPS AVAILABLE

Financial assistance is available to individuals and families who substantiate a need. Applications for financial assistance must be turned in prior to registration. Applications may be picked up at the front desk or online at <http://ymcatulsa.org/programs-services/childcare/and-after-school-care>

## DHS-LICENSED

All our Before and After sites are DHS-licensed facilities. All families interested in receiving DHS benefits are required to bring a current DHS childcare co-payment letter at the time of registration.

## SPECIAL NEEDS

Prior to attendance, please alert the GO director of your child's special emotional or physical needs so that staff can best support your child.

## DISCIPLINE

The philosophy of our program is based on the character development principles of Respect, Responsibility, Honesty and Caring. It is expected that our staff give respect and courtesy to each participant, as we expect to get the same in return. GO rules are designed to enhance the happiness and safety of all children.

Discipline and guidance is a necessary developmental aspect of a child's life and it is an ongoing process. The YMCA staff strives to create an environment for children and staff to have pleasant experiences and because of that our discipline system uses positive reinforcement and re-direction. Methods are determined based on each child's understanding and stage of development.

## GENERAL GO PROCEDURES

### ARRIVAL AND DEPARTURE

Each participant is signed in and out by an authorized adult listed on the registration form each time they attend the program. Adults will be responsible for providing the correct identification when signing out their child. To ensure the child's safety, the YMCA reserves the right to not release a child to unauthorized individuals.

If a child needs to be picked up at the regularly scheduled school pick up time, please follow the regular school procedures for pick up.

### LATE PICK UPS

Parents who pick up their children after 6:00 p.m. will be charged a late fee of \$1.00, per child, for each minute after 6:00 p.m. This fee must be paid before your child may return to GO Club. Repeated late pick ups can result in dismissal from the program. Please contact the GO director if a late pick-up is going to happen.

### NECESSARY DOCUMENTS

Each GO Club participant is required to have on file a current immunization record (within the past 12 months) and signed acknowledgement of reading the GO handbook.

### DHS PROCEDURES

Each family with DHS co-payments will have a card and case number, which you will use each day as you are signing your child in and out. This means you will have to swipe your card for your child each time they are picked up or dropped off. You have three (3) days to re-swipe for a previous date should one be missed. Any swipes that are not made in a three-day period will require a cash payment of the YMCA daily rate. DHS will not be responsible for payment of missed swipes. A \$25.00 late fee will be added to the account after the 5th day of the month, and the participant will be dropped from the program if the co-payment has not been received before the last day of the month.

DHS requires all enrollment and compliance paperwork on site at all time. Compliance paperwork is kept under lock and key in our filing cabinet.

Oklahoma State DHS Requires all GO Club personnel to function as mandated reporters for child abuse reporting.

# WHAT TO EXPECT FROM THE GO PROGRAM

## WHAT TO BRING

Clothing: Please take the weather forecast and GO activities into consideration when dressing for the day. We encourage each child to wear clothes they can play in, as children will be participating in outdoor activities. For safety reasons, participants should wear tennis shoes and socks to after school care every day. A refillable water bottle is encouraged for each child.

## WHAT NOT TO BRING

Please leave the following items at home: toys, radios, electronic games, cell phones, iPods, etc. In addition, firearms, fireworks, knives, matches, lighters, tobacco products, vaping products, expensive items, illegal drugs, money, trading cards and bad attitudes are not permitted in our facilities or programs.

## PERSONAL BELONGINGS AND LOST AND FOUND

Children will be provided with a space/cubby to put their belongings. We will make every effort to return lost and found items during after school care. However, we are not responsible for lost, stolen or damaged clothing or equipment. There will be a place to look through for lost items at each after school care site.

# FREQUENTLY ASKED QUESTIONS

## What is the difference between GO Club and daycare?

Daycare focuses on providing an environment that is play-centered. GO Club focuses on the kids having new experiences and trying new things in a fun, non-threatening, safe environment that is structured with homework, reading, nutrition and fitness time.

## Why do I have to fill out paperwork annually?

DHS Licensing requires that paperwork is submitted once a year. This helps ensure that, in the event of an emergency, the paperwork we have for your child is up-to-date.

## What type of training does the staff have?

All staff are required to attend over 40 hours of training before working in our school care programs. Their training hours are spent on CPR, First Aid, Character Development, Age-Appropriate Activities, Child Abuse Awareness, and a variety of other topics to ensure your children have a safe and fun experience during school care.

## Are breakfast and snacks provided?

Breakfast is not provided by the YMCA, but some schools do have the option to purchase breakfast. Please check with the GO director to see what is available at each site. Snack is provided at the beginning of program each day.

## Are there transportation options?

There will be no transportation provided for Bixby or Tulsa GO Club School Sites. There is transportation for the Owasso GO at the YMCA.

# MEDICATIONS AND SICKNESS

All medications should be administered at home before the school day. Medications that are required after the school day will be dispensed by our GO Site Coordinator.

## **No medications will be allowed in participant's backpack**

All prescription medications must be in the original container that identifies the prescribing physician, the name of the medication, the dosage, and the frequency of the administration. Parents must also fill out a medication release form. Any medications provided without a medication release will be confiscated and returned to the parent.

## **Emergency Medical Care Authorization**

A medical authorization form must be filled out and signed before medication can be administered. Refrigeration will be provided if necessary. Routine scrapes and cuts will be treated by program staff. In the case of serious illness or accident involving a participant, the Y will contact the guardian directly. In the event the guardian cannot be reached, the signed authorization on the participants registration form allows us to secure prompt treatment; outside medical cost will be billed to the participant's guardians. General medications and first aid are provided at no cost.

## **Sick Child Procedures**

The following symptoms will require a participant to be sent home:

- Cold with fever
- Severe cough
- Lethargic behavior
- Skin eruptions
- Sore throat
- Fever of 100 degrees or more
- Vomiting and Diarrhea

Children must be picked up within one hour after parent is contacted. Contagious children will be placed away from other children during the duration of that one hour. Children sent home for any illness must be out of the program for a minimum of 24 hours from the time of departure.

Should your child be diagnosed with a contagious illness, please contact the GO director immediately. A doctor's note must accompany the child upon returning to the program. Director's discretion can override the doctor's statement due to the severity of the illness.

Additionally, all parents will be notified in the event communicable disease exposure occurs in the program.

## **Poison Exposure**

If a child is exposed to poisonous material Poison Control will be contacted, followed by the parent/guardian. Any further medical attention will be sought based on the recommendation of Poison Control.

# LICE

We are a lice free program. If live lice and/or nits are found on a participant, they will be separated from the group and a parent will be notified to pick up the child. The child must be treated before they can return to our program. All children will be checked for lice if a case is found and all parents will be notified if more than one case is identified.

# OUTDOOR WEATHER

To protect against cold, heat, sun injury, air pollution, and insect-borne disease, the staff ensures that:

Children wear clothing that is dry and layered for warmth in the cold weather

Children have the opportunity to play in the shade. When in the sun, they wear sun-protective clothing, applied skin protections, or both. Sunscreen/sunblock with a UVB or UVA protection of SPF 15 or higher will be applied only when provided by parent with written parent permission.

When public authorities recommend use of insect repellents due to a high risk of insect-borne disease, only repellents containing DEET are used. Staff apply insect repellent when provided and with written parent consent.

Program staff protects children from exposure to high levels of air pollution by limited outdoor activity as a precaution during smog or other air pollution alerts.

# CONSENT TO PARTICIPATE IN PROGRAM EVALUATION

As a leading nonprofit for strengthening community through youth development, the Y offers the Graduate Oklahoma (GO) Club program to provide children and teens with a safe and nurturing environment during afterschool hours. The program focuses on helping youth realize who they are and what they can achieve. This program offers academic assistance, health, and enrichment activities for school-age children. The Y conducts periodic evaluations to ensure these activities are meeting the needs of children.

Participation is voluntary; you can withdraw your consent to participate in the evaluation at any time, and your child's participation in the program will not be affected. If you choose to participate in the evaluation, your privacy and your child's privacy will be protected, we will not use your child's name in any report or publication, and individual responses will not be made public. Your child's information will be secure. As required for evaluation purposes, we may share your child's information with our evaluation partners, whom we require to protect your child's privacy and confidentiality.

For evaluation purposes, we ask your permission to:

- Collect demographic information on your child
- Track your child's attendance in this program

Where applicable, we also ask your permission to:

- Survey your child about his/her program experience
- Interview your child about his/her program experience
- Receive the results of assessments your child takes as part of the program
- Observe your child participating in the program
- Receive academic data from your child's school in accordance with applicable state and federal laws
- Track your child's fitness levels throughout the program

If you choose to participate in the evaluation, your privacy and your child's privacy will be protected. We will not use your child's name in any report. Individual responses will not be made public.

## WHAT ARE WE EVALUATING?

The program goals are to increase student achievement, improve social-emotional skills, and provide programming for youth. YMCA of the USA, the national resource office of YMCAs in the United States, wants to understand how this program helps school-age children succeed in those program goals.

## WHAT DATA WILL BE COLLECTED?

For evaluation purposes, we ask your permission to:

Collect demographic information on your child: We would like to understand who the after school programs are serving and how the program can benefit all youth. You will be asked to complete a demographics form about your child. Provide just the information you feel comfortable sharing.

Track your child's attendance in this program: We would like to know how often your child attends the program. This will help us understand how attendance affects your child's experience in the program and their school performance.

Observe your child participating in the program: We will ask group leaders in your child's program to complete the Devereux Student Strengths Assessment (DESSA) for your child. Group leaders will answer a series of questions for each child to understand their growth in social-emotional skills. The assessment is based on strengths, which means that the group leaders will answer questions about your child's positive behaviors. (Example: rating how well your child gets along with others.) The DESSA assessment will be completed twice this year.

Collect your child's academic information: YMCA staff will work with a school staff member to collect your child's academic information. Twice this school year, we will ask for your child's math and reading standardized test scores for both this year and last year. We will also ask about your child's school attendance. The site staff can use this information to determine where your child needs more support; however, this information will not affect your child's ability to remain enrolled in the program.

Track your child's fitness levels in the program: YMCA staff will safely and privately track your student's abilities in flexibility, stamina, core strength, and growth.

I further certify that I am in good health and that I have no conditions or impairments which would preclude my safe participation in YMCA of Greater Tulsa.

# YMCA of Greater Tulsa GO Program Code of Conduct

Positive discipline and guidance is a necessary developmental aspect of a child's life and it is an ongoing process. The YMCA staff strives to create an environment for children and staff to have pleasant experiences and because of that, our discipline system uses positive reinforcement.

The YMCA of Greater Tulsa has developed the following policy in regard to child behavior and discipline:

The YMCA may immediately suspend a child for engaging in any verbal or physical bullying or confrontations during the program. We reserve the right to suspend or expel any child without prior notice to parents if we feel the child is putting himself/herself or another child or staff in danger. The YMCA may also immediately suspend a child for bringing any type of weapon to the program (pocket knives, guns—toy or real, etc.). Prior notice to parents will not be required.

The YMCA of Greater Tulsa may suspend (upon written notification) a child from the program when the child does not engage in one or more of the following by showing:

- **Respect**—for authority, self and others
- **Fairness**—through treating others with courtesy
- **Responsibility**—by following directions and being prepared for the program
- **Caring**—by keeping his or her hands, feet, and objects to themselves
- **Citizenship**—by avoiding disruptive behavior in the program
- **Honesty**—by telling the truth

At the time of the first offense (other than those listed in the manual as requiring immediate suspension) there will be a written warning and notification will be made to the child's guardian.

The second offense will result in suspension from at least one scheduled day of the program.

The third offense will result in a conference with the director, the guardians and the child, evaluating the child's placement in our program.

**Verbal or physical bullying is not allowed, nor tolerated. If a child bullies other children, he or she may be immediately removed from the program.**

**Parents will be responsible for any and all financial damages.**

By signing initialing on the parent/guardian agreement, I agree that I have received a copy and/ or have read the Daily Family YMCA GO Handbook.

## ATTENDANCE GUIDELINES

YMCA GO Club is designed with your student in mind. Enrichment activities and evidence-based curriculum for movement, nutrition, visual and performing arts, STEAM, tutoring, etc. are intended to positively affect your student's success at school. For this reason, complete participation in the GO Club program each day is strongly preferred. Children will not be permitted in the GO program if they are absent from school that day. Please contact the GO director if your child will not be in attendance. If your student does not arrive at GO Club immediately after dismissal, parent/guardians will be contacted.
