IMPORTANT INFORMATION

Preferred Provider Organization (PPO) Plan Certificate of Coverage

Quartz is the shorthand name for the administrator of this **Policy** and the insurance underwriting company, Unity Health Plans Insurance Corporation. **Quartz** has entered into an agreement with your employer to provide **You** with a Preferred Provider Organization (PPO) health insurance benefit plan. **Quartz** has issued to your employer a **Group Master Policy Agreement** that outlines the duties and obligations of the parties. **You** may contact your employer's benefits manager if **You** wish to review the **Group Master Policy Agreement**. **You** and any **Dependents** who are insured under the **Group Master Policy Agreement** are listed on an enrollment form that **Your** employer has submitted to **Quartz**.

This **Certificate of Coverage** is incorporated into and made part of the **Group Master Policy Agreement**. If the terms of this **Certificate of Coverage** differ from the terms of the **Group Master Policy Agreement**, the **Group Master Policy** will govern. This **Certificate of Coverage** replaces any previous **Certificate** that **Quartz** may have issued to **You**.

Quartz insures and administers all of the benefits **You** receive under this **Plan**. This **Certificate of Coverage** explains the terms and conditions of **Your** insurance coverage. Please read it carefully. If **You** have questions, contact **Your** employer's benefit manager or **Quartz** Customer Service.

NOTICE: LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED.

You should be aware that when **You** elect to utilize the services of a **Non-Participating Provider** for a covered service, benefit payments to such **Non-Participating Provider** are not based upon the amount billed. The basis of **Your** benefit payment will be determined according to **Your Policy's** fee schedule, **Usual and Customary Charge** (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the **Policy**.

YOU RISK PAYING MORE THAN THE CO-INSURANCE, DEDUCTIBLE AND CO-PAYMENT AMOUNT DEFINED IN THE POLICY AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.

Non-Participating Providers may bill enrollees for any amount up to the billed charge after the plan has paid its portion of the bill. **Participating Providers** have agreed to accept discounted payment for covered services with no additional billing to the enrollee other than the co-payment, co-insurance and deductible amounts.

You may obtain further information about the participating status of professional **Providers** and information on out-of-pocket expenses by calling (800) 362-3310 or by visiting **Quartz's** website at **QuartzBenefits.com**.

Allowed Amount

The maximum amount on which payment is based for covered health care services. This may be called "eligible expense," "payment allowance" or "negotiated rate." If **Your Provider** charges more than the allowed amount, **You** may have to pay the difference. See **Balance Billing**.

Ambulatory Surgery Center

A facility that provides treatment and care when an overnight stay is not necessary.

Ancillary Provider

Anesthesiologist, radiologist, pathologist, emergency room **Physician** and medical laboratory.

Appeal

A request for **Your** health insurer or **Plan** to review a decision or a **Grievance** again.

Attending Physician

The **Physician** or other health care professional who is treating **You**.

Autism Spectrum Disorder

Includes any of the following:

1. Autism disorder;
2. Asperger's syndrome; or,
3. Pervasive developmental disorder not otherwise specified.

Balance Billing

When a **Provider** bills **You** for the difference between the **Provider's** charge and the **Allowed Amount**. For example, if the **Provider's** charge is \$100 and the allowed amount is \$70, the **Provider** may bill **You** for the remaining \$30. A **Preferred Provider** may not balance bill **You** for covered services.

Behavioral Health (Mental Health) and Chemical Dependency (Substance Use Disorder) Services

The treatment of psychiatric **Illness** or alcohol and other drug abuse (AODA). This treatment is provided on an inpatient, outpatient, transitional and emergency care basis.

Benefit Period (or Benefit Year)

Benefit Rider

An amendment to the **Group Master Policy Agreement** that adds or modifies **Plan Benefits** outlined in this **Certificate of Coverage**.

Case Management

The collaborative process that promotes quality health care in a cost-effective manner and which enhances the physical, psychological and social health of individuals. The goal of **Case Management** is to assist patients and families in obtaining quality health care at an appropriate cost, in the appropriate

setting, and to achieve positive outcomes through coordinated efforts with **Your** health care **Providers**. **Case Management** services are provided by a staff of health care professionals. **Quartz** reserves the right to use these services to optimize the clinical outcome, the standards of care and the cost-effectiveness of care.

Certificate of Coverage (or Certificate)

This document, including any **Benefit Rider**, issued to **You** which sets forth the terms, conditions and limitations of **Your Health Plan**.

Change Form

The form that **You** must complete if **You** wish to add or delete **Dependents** or change the information on **Your Enrollment Form**. You may submit some changes electronically by logging on to **QuartzBenefits.com**.

Charge

The fee charged by the **Provider** for the service or item provided.

Chemotherapy

1. Cure a specific cancer;
2. Control tumor growth when cure is not possible;
3. Shrink tumors before surgery or radiation therapy; or,
4. Destroy microscopic cancer cells that may be present after a tumor is removed by surgery to prevent a cancer recurrence.

Child

A **Subscriber's** natural blood-related child, stepchild, legally adopted child, child placed in the custody of the **Subscriber** for adoption, or a child for whom the **Subscriber** or the **Subscriber's** covered spouse has been appointed as legal guardian. Co-insurance

Your share of the costs of a covered health care service, calculated as a percent of the **Allowed Amount** for the service. **You** pay **Co-insurance** *plus* any **Deductibles** you owe. For example, if the **health insurance** or **plan's** allowed amount for an office visit is \$100 and **You've** met your **Deductible**, **Your Co-insurance** payment of 20% would be \$20. The **health insurance** or **plan** pays the rest of the **allowed amount**.

You are responsible for paying **Co-insurance** directly to the **Provider**.

2. The time spent receiving **Emergency Services** for **Illness** or **Injury** in a **Hospital**.

A **Hospital** swing bed **Confinement** is considered the same as **Confinement** in a **Skilled Nursing Facility**. In the event a **Member** is transferred from one facility to another for the continued treatment of the same or a related condition, it is considered one **Confinement**.

In the case of an institutionalized person,

Custodial Care also includes room and board, nursing care or such other care provided to an individual for whom it cannot reasonably be expected, in the opinion of the **Attending Physician**, that medical or surgical treatment will enable that person to live outside an institution. **Custodial Care** includes rest care, respite care and home care provided by family members. Care may be considered **Custodial Care** as determined by the **Plan** even if (a) the **Member** is under the care of a **Physician**, (b) the **Physician** prescribes services to support and maintain the **Member's** condition, or (c) services and supplies are being provided by a registered nurse or licensed practical nurse.

Deductible

The amount you owe for health care services your **health insurance** or **plan** covers before your **health insurance** or **plan** begins to pay. For example, if your **Deductible** is \$1,000, your plan won't pay anything until you've met your \$1,000 **Deductible** for covered health care services subject to the **Deductible**. The **Deductible** may not apply to all services. Only **Charges** that qualify as **Covered Expenses** may be used to satisfy the **Deductible**. The amount of the **Deductible** is stated on the **Schedule of Benefits**.

For some family plans, services for an individual member may begin to pay when the single deductible is met. For other family plans, the entire family deductible must be met before **Your** plan begins to pay. Refer to **Your Schedule of Benefits** for details on how **Your Deductible** works.

4. A **Subscriber's** grandchild, if the parent of the grandchild is a **Dependent Child**. The **Dependent** grandchild is covered until the end of the month in which the **Dependent Child** turns age 18.

If a **Member** is the father of a **Child** born outside of marriage, the **Child** does not qualify as a **Dependent** unless and until there is a court order declaring paternity, or on the date the acknowledgment of paternity is filed with the Wisconsin Department of Health Services, or its equivalent if the birth was outside the State of Wisconsin. Once a **Child** becomes eligible for coverage, coverage will be effective according to the rules specified in the "Eligibility and Effective Date of Coverage" section of this **Certificate**.

A spouse and stepchildren will cease to be **Dependents** on the last day of the month in which a divorce decree is granted, and coverage may be terminated, subject to continuation and conversion rights. Other children cease to be **Dependents** at the end of the calendar month in which they reach age 26, except that:

1. **Full-time Students: Dependents** age 26 or older cease to be **Dependents** at the end of the calendar month in which they cease to be full-time students.

ARTICLE I: DEFINITIONS

Student status includes any intervening vacation period if the **Child** continues to be a full-time student.

2. **Disabled Dependents:** If otherwise eligible, children who are or become incapable of self-support because of a physical or mental disability that is expected to be of a long-continued or indefinite duration may continue or resume their status as **Dependents**, regardless of age or student status, as long as they remain so disabled.

Written proof of incapacity and dependency must be provided to **Quartz** in a form that is satisfactory to **Quartz** within 31 days after the **Dependent** has attained the limiting age. Prior to granting continued coverage, **Quartz**, in its sole discretion, may require that the **Dependent** be examined from time to time by a **Participating Provider** for the purpose of determining the existence of incapacity. Examinations may occur at reasonable intervals during the first two years after continuation under this provision is granted. Following that two-year period, such examinations may occur on an annual basis.

The **Subscriber** must notify **Quartz** immediately in the event the incapacity or dependency ends.

3. A **Dependent** ceases to be a **Dependent** on the date he or she is:

ARTICLE II: OBTAINING SERVICES

As a **Member** of **Quartz's Preferred Provider Organization (PPO) Plan**, **You** are entitled to benefits that are **Covered Services** in accordance with the guidelines set forth in this **Certificate of Coverage**. **You** should obtain these services from **Network (Participating) Provider** in order to receive the highest level of coverage. Services received from **Non-Network (Non-Participating) Providers** will be covered at the **Out-of-Network Benefit Level**. Preventive care, as well as treatment for **Illness** or **Injury**, is a **Covered Service** as shown in the **Certificate of Coverage**. This **Policy** does not pay or reimburse **You** for services **You** administer to **Yourself**, even if **You** are a **Provider**. Benefits that are **Covered Services** are described in the **Schedule of Benefits** and this **Certificate**.

Certain services are covered only when received from **Participating Providers**. No benefits are available if these services are received from **Non-Participating Providers**. Please see the section entitled "Benefits Available Only In-Plan" under Article III for a list of these services.

This **Certificate of Coverage** provides benefits that are mandated by the State of Wisconsin. Other state-mandated benefits may apply; if so, the applicable state mandate is determined by the state in which the **Subscriber** resides. Contact **Quartz** Customer Service if **You** have questions.

If **Your Plan** includes a **Deductible**, then the **Deductible** must be paid in full before **Quartz** will make any payment for **Covered Services** subject to the deductible. Once the **Deductible** has been satisfied, any **Co-payments** or **Co-insurance** required will apply toward satisfaction of the **Annual Out-of-Pocket Expense** limit. For specific information, refer to the **Schedule of Benefits**.

Levels of Benefits

This **Preferred Provider** plan offers **You** two benefit levels:

1. The **In-Network Benefit Level** applies when **You** obtain **Covered Services** from **Participating Providers**. Please visit www.QuartzBenefits.com/FindADoctor for assistance in locating **Providers**.
2. The **Out-of-Network Benefit Level** applies when **You** use **Non-Participating Providers**. When **You** use **Non-Participating Providers**, **Quartz** covers the **Usual, Custom and Reasonable Charge**, and **You** pay a greater share of the cost of the health care services through higher annual **Deductible** and **Co-insurance** amounts. **You** will also be responsible for amounts in excess of the **Usual, Custom and Reasonable Charge**. The **Out-of-Network Benefit Level** is described more fully in the "Out-of-Network" column of the **Schedule of Benefits**.

Prior Authorization

The **Prior Authorization** Program is an important part of this **Health Plan**. It allows **Us** to review **Your** arrangements for elective (**Non-Emergency**) outpatient procedures and **Hospital** stays so **We** may determine in advance whether benefits are available. Please read this section very carefully. The procedures outlined below apply whether **Covered Services** are obtained from **Participating Providers** or **Non-Participating Providers**. If **You** do not follow these procedures, **Your** benefits will be reduced. **Prior Authorization** does not guarantee that benefits will be fully covered. Coverage is determined by the terms and conditions of this **Policy**.

Prior Authorization for Elective Inpatient Admissions to Hospitals and Skilled Nursing Facilities

At least 3 business days *before* **You** are admitted to a **Hospital** or a **Skilled Nursing Facility** for elective (**Non-Emergency**) care, **You** must call (888) 829-5687. This starts the **Prior Authorization** process. **We** will authorize coverage for **Your** admission if it is **Medically Necessary** or deny coverage if it is not **Medically Necessary**.

If **You** do not obtain **Prior Authorization** at least 3 business days before an elective admission, the benefits **We** will pay for **Covered Services** may be reduced by \$1,000. Benefits will be calculated according to the **Policy** provisions. **You** must pay the penalty plus any **Deductible** and **Co-insurance** amount before **Quartz** will pay for **Covered Services**. The penalty will not apply toward **Your** **Deductible** or **Out-of-Pocket** limit. This penalty will not reduce state-mandated benefits.

Prior Authorization for Certain Covered Services

Prior Authorization may be required in order for **You** to receive coverage for certain **Covered Services**. A request for **Prior Authorization** must be made before **You** obtain the services. A list of services requiring **Prior Authorization** is available at www.QuartzBenefits.com/WIPAList. **You** may also contact **Quartz** Customer Service for information about **Prior Authorization**.

If **You** fail to obtain **Prior Authorization** when it is required, benefits for **Medically Necessary Covered Services** may be reduced by 50% up to \$500. **Out-of-Pocket** expenses incurred as a result of not obtaining **Prior Authorization** will not apply toward **Your** **Deductible** or **Out-of-Pocket** limit.

Continued Stay Authorization

We will contact the **Hospital** or **Skilled Nursing Facility** on or before **Your** expected discharge date. If **You** are to remain inpatient longer than originally authorized, **We** will request the medical reasons for the continued stay. After reviewing these reasons, if **We** determine that continued stay is not **Medically Necessary**, **We** will notify **You**, the **Hospital** or **Skilled Nursing Facility** and the **Physician**. **Quartz** will not cover **Charges** for unauthorized days.

Behavioral Health Services

For assistance in accessing **Behavioral Health Services**, contact Behavioral Health Care Management at (800) 683-2300.

Non-Emergency Care

Elective (**Non-Emergency**) health care services must be obtained in accordance with any applicable **Referral** and **Prior Authorization** requirements. Coverage is subject to all of the terms, conditions, limitations and **Exclusions** stated in the **Certificate of Coverage** and **Schedule of Benefits**.

Benefits for elective (**Non-Emergency**) health care services are paid at different levels depending on the **Provider You** use:

1. If **You** receive services from a **Participating Provider**, claims will be processed at the **In-Network Benefit Level**.
2. If **You** receive services from a **Non-Participating Provider**, claims will be processed at the **Out-of-Network Benefit Level**.

Emergency Care

You do not need **Prior Authorization** to access **Emergency Services**. If **You** experience an **Emergency Medical Condition**, seek immediate care from the nearest health care **Provider**. Follow-up care will not be covered as **Emergency Services**. Medical treatment that **You** receive on an emergency basis for an **Illness** or **Injury** that is not an **Emergency Medical Condition** will be covered at the appropriate benefit level, based on the **Provider** used and **Medical Necessity**.

Urgent Care

If you need **Urgent Care Services**, call **Your Primary Care Provider** for instructions if possible. Otherwise, seek treatment at the nearest urgent care facility.

If **You** receive **Urgent Care Services** from a **Non-Participating Provider**, **You** should notify **Quartz** within 3 business days of receiving the care or as soon as medically feasible. Contact **Quartz Customer Service** to provide this notice.

Emergency Inpatient Admissions

You, or someone acting on **Your** behalf, are required to notify **Quartz** of all **Emergency Inpatient Admissions** to a **Non-Participating Hospital**. **You** should notify **Quartz** no later than 3 business days following the day of admission or as soon thereafter as medically feasible. Contact **Quartz Customer Service** to provide this notice. **Participating Providers** will provide this notice for you.

Special Provisions Relating to Full-Time Students on Medical Leave

If a **Dependent** over age 26 who is a full-time student must take a **Medically Necessary** leave of absence from school due to **Illness** or **Injury**, **Quartz** will continue to provide coverage for the **Dependent** if he or she, or an individual acting on his or her behalf, submits documentation and certification of **Medical Necessity** for the leave of absence from the **Dependent's Attending Physician**. The date on which the **Dependent** ceases to be a full-time student due to the **Medically Necessary** leave of absence is the date on which continuation of coverage under this provision begins.

Quartz will continue to provide coverage to the **Dependent** until any one of the following events occurs:

- The **Dependent**, or an individual acting on his or her behalf, advises **Quartz** that the **Dependent** does not intend to return to school full-time;
- The **Dependent** becomes employed full-time;
- The **Dependent** obtains other health insurance coverage;
- The **Dependent** marries;
- Coverage of the person through whom the **Dependent** has coverage under this **Plan** is discontinued or not renewed; or,
- One year has elapsed since the **Dependent's** coverage continuation began and the **Dependent** has not returned to school on a full-time basis.

ARTICLE II: OBTAINING SERVICES

Full-time student status is defined by the school in which the student is enrolled. **Quartz** may require proof of attendance. Coverage begins on the day the student becomes a full-time student and ends on the day he/she is no longer a full-time student, or the last day of the month in which he or she attains the limiting age, whichever occurs sooner.

ARTICLE III: COVERED SERVICES

Members are entitled to **Covered Services** subject to the terms and conditions of the **Health Plan**, as set forth in this **Certificate of Coverage**, the **Schedule of Benefits** and any **Benefit Riders** attached to this **Certificate**.

Certain services are covered only when received from a **Participating Provider**. This means that no benefits are available if the services are received from a **Non-Participating Provider**. Medically Necessary services and supplies that are obtained through a **Non-Participating Provider** are covered at the **Out-of-Network Benefit Level**. **Quartz** provides coverage for **Out-of-Network** benefits up to the **Usual, Customary and Reasonable Charge**. Please review the **Out-of-Network** column of the **Schedule of Benefits** for details on coverage.

Certain services received **Out-of-Network** require **Prior Authorization** to be eligible for coverage. If **You** fail to obtain **Prior Authorization** when necessary, the **Usual, Customary and Reasonable Charge** will be reduced by 50% of eligible **Expenses** up to a maximum penalty of \$500. See the section entitled “Out-of-Plan Services Requiring Prior Authorization” in this Article. Contact **Quartz** Customer Service with questions.

Limitations

Major Disaster or Epidemic

If a major disaster or epidemic occurs, **Physicians** and **Hospitals** will render medical services and arrange for extended care services and **Home Health Care Services** as is practical according to their best medical judgment and within the limitation of available facilities and personnel. Neither **Quartz** nor any **Plan Provider** shall incur any liability or obligation for delay or failure to provide or arrange for medical services that the disaster or epidemic renders unavailable.

Circumstances Beyond the Control of Quartz

ARTICLE IV: EXCLUSIONS AND LIMITATIONS

Covered Services may be delayed or made impractical by circumstances not reasonably within **Quartz's** control, such as complete or partial destruction of facilities, war, riot, civil insurrection, labor disputes, disability of a significant part of **Hospital** or medical group personnel or similar causes. If services are delayed or made impractical, **Quartz** and its **Plan Providers** will use their best efforts to provide services and benefits covered under this **Policy**, but neither **Quartz** nor any **Plan Provider** shall incur any liability or obligation for failure to provide services or other benefits.

Treatment of Growth Retardation

Treatment of growth retardation is covered only when (1.) the **Prescription Drug Rider** is part of this **Plan**, and (2.) production of the growth hormone is absent due to pituitary gland loss or failure. Coverage is not extended for short stature syndrome or other related growth abnormalities.

Proof of Claim

You must submit proof of **Claim** within 90 days of the date of service. Circumstances beyond **Your** control might make this time limit unreasonable. If so, **You** must file the **Claim** as soon as possible, and Pursuant to s. 631.81, Wis. Stat., **We** will still process **Your Claim** if **You** submit it within one year after the time required under this provision.

If **You** are submitting **Claims** for which **You** have already paid, and **You** are seeking **Quartz's** reimbursement, you must provide proof of payment. The bill or receipt from your provider must match the service that **You** are seeking **Quartz's** reimbursement for.

Emergency Services

You are required to notify **Quartz** of **Emergency Services**. Contact **Quartz** Customer Service to provide this notice. Services provided as follow-up to emergency treatment are not covered as **Emergency Services**.

Urgent Care Services

If **You** need **Urgent Care Services**, call your **Primary Care Provider** for instructions if possible. Otherwise seek care at the nearest urgent care facility. If **You** receive **Urgent Care Services** from a **Non-Participating Provider**, **You** should notify **Quartz** within 3 business days following the date of service or as soon as medically feasible. Contact **Quartz** Customer Service to provide this notice.

Specialty Providers

You must use **Participating Providers** in order for certain specialty care to be payable at the **In-Plan Benefit Level**. All specialty services must be **Medically Necessary** and a **Covered Service** under the **Plan**.

Referrals are not necessary to access the following services: **Chiropractic**, **Emergency Care**, **Oral Surgery**, **OB/GYN Physician** services and optometrist services. **Quartz** encourages **You** to ask **Your** oral surgeon to submit a pre-treatment plan before services are rendered to determine whether the services are **Covered Services**.

For assistance in accessing **Behavioral Health and Chemical Dependency** services, contact Behavioral Health Care Management at (800) 683-2300.

Out-of-Pocket Costs

Your Schedule of Benefits includes details relating to **Co-payments**, **Co-insurance** and **Deductibles** which may apply to office visits, specialty visits, inpatient **Hospital** stays, **Emergency Room** visits and

ARTICLE IV: EXCLUSIONS AND LIMITATIONS

urgent care facility visits. **Your Schedule of Benefits** identifies the amount of **Co-payment, Co-insurance** and/or **Deductible** applicable to **Your Plan**.

Other Limitations

In addition to the limitations set forth in this **Certificate of Coverage**, see the limitations in **Your Schedule of Benefits**.

ARTICLE V: COORDINATION OF BENEFITS

If **You** have health care coverage through another group program or individual policy, **Quartz** will coordinate the payment of benefits in accordance with applicable law and as set forth in this **COB** provision. The purpose of this provision is to ensure that **You** receive the benefits to which **You** are entitled without providing more benefits than the total cost of care received.

Definitions

Allowable Expense means any necessary, reasonable and customary item of expense for health care, at least a portion of which is covered under one or more **Plans** covering the person for whom the **Claim** is made.

The difference between the cost of a private **Hospital** room and the cost of a semi-private **Hospital** room is not considered an **Allowable Expense** unless the patient's stay in a private **Hospital** room is **Medically Necessary**, either in terms of generally accepted medical practice or as specifically defined in the **Plan**.

When a **Plan** provides benefits in the form of services, the reasonable cash value of each service provided shall be considered both an **Allowable Expense** and benefit paid.

Claim Determination Period means a **Contract Year**. However, it does not include any part of a year during which a person has no coverage under **This Plan** or any part of a year before the date this **COB** provision or similar provision takes effect.

For purposes of this **COB** section only, a **Plan** means any of the following which provide benefits or services for, or because of, medical or dental care or treatment:

- **Group** insurance or group-type coverage, whether insured or uninsured, that includes continuous 24-hour coverage. This includes pre-payment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage;
- Coverage under a governmental plan or coverage that is required or provided by law. This does not include a state plan under **Medicaid**. It also does not include any plan whose benefits, by law, are excess to those of any private insurance program or other non-governmental program;

This **Plan** means the **Group Health Plan** offered by **Quartz** and described in this **Policy**.

Effect of Benefits

Quartz will apply these provisions when **You** incur **Allowable Expenses**, during a **Claim Determination Period**, for which benefits are payable under any other **Plan**. The provisions will apply only when the sum of the **Allowable Expenses** under this **Plan** and any other **Plan** would, in the absence of this **COB** provision or any similar provision in the other **Plan**, exceed the **Allowable Expenses**.

Benefits provided under **This Plan** during a **Claim Determination Period** for **Allowable Expenses** incurred will be determined as follows:

1. If benefits under **This Plan** are to be paid after any other **Plan**, the benefits under **This Plan** will be reduced so total benefits payable by all **Plans** will not exceed the total of the **Allowable Expenses**; and,

2. If benefits under **This Plan** are to be paid before benefits are paid under any other **Plan**, benefits under **This Plan** will be paid without regard to the other **Plan**.

Allowable Expenses under any other **Plan** include the benefits that would have been payable had a **Claim** been duly made.

Reimbursement will not exceed 100% of the total **Allowable Expenses** incurred under **This Plan** and any other **Plan** included under this provision.

Order of Benefit Determination

For the purpose of the Effect of Benefits provision above, the rules establishing the order of benefit determination are as follows:

1. **Non-Dependent/Dependent**

The benefits of a **Plan** which covers the person on whose expenses the **Claim** is based other than as a **Dependent** shall be determined before the benefits of a **Plan** which covers such person as a **Dependent**.

2. **Dependent Child/Parents Not Separated or Divorced**

The benefits of a **Plan** which covers the person on whose expense the **Claim** is based as a **Dependent Child** are determined according to which parent's birth date occurs first in a calendar year, excluding the year of birth. If both parents have the same birthday, the **Plan** that has covered a parent longer pays before the **Plan** that has covered a parent for any shorter period of time.

3. **Dependent Child/Separated or Divorced Parents**

If two or more **Plans** cover a person as a **Dependent Child** of divorced or separated parents, benefits for the **Child** are determined in this order:

- When parents are separated, or divorced and the parent with custody of the **Child** has not remarried, the benefits of a **Plan** that covers the **Child** as a **Dependent** of the parent with custody of the **Child** will be determined before the benefits of a **Plan** that covers the **Child** as a **Dependent** of the parent without custody.
- If two or more **Plans** cover a person as a **Dependent Child** of divorced or separated parents and the parent with custody of the **Child** has remarried, benefits for the **Child** are determined in the following order:
 - First, the **Plan** of the parent with custody of the **Child**;
 - Then, the **Plan** of the spouse of the parent with custody of the **Child**; and,
 - Finally, the **Plan** of the parent not having custody of the **Child**.
- Notwithstanding the first two provisions above, if the specific terms of a court decree state that the parents have joint custody of the **Child** and do not specify that one parent has responsibility for the **Child's** health care expenses, or if the court decree states that both parents shall be responsible for the health care needs of the **Child** but gives physical custody of the **Child** to one parent, and the entities obligated to pay or provide the benefits of the respective parent's **Plans** have actual knowledge of those terms, benefits for the **Dependent Child** shall be determined according to par. 2., above.
- However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the **Child**, and the entity obligated to pay or provide the benefits of the **Plan** of that parent has actual knowledge of those terms, the benefits of

ARTICLE V: COORDINATION OF BENEFITS

that **Plan** are determined first. This paragraph does not apply with respect to any **Claim Determination Period** or **Benefit Year** during which any benefits are actually paid or provided before the entity has that actual knowledge.

4. **Active/Inactive Employee**

When rules 1, 2 and 3 above do not establish an order of benefits determination, the benefits of a **Plan** that has covered such person as a laid-off or retired **Employee** or as the **Dependent** of the person are determined after the benefits of a **Plan** that has covered such person through present employment.

5. **Continuation of Coverage**

If a person has continuation coverage under Federal or State law and is also covered under another **Plan**, the **Plan** covering the person as an **Employee, Member** or **Subscriber** or as a **Dependent** of an **Employee, Member** or **Subscriber** is primary and the continuation coverage is secondary.

6. **Longer/Shorter Length of Coverage**

When the rules above do not establish an order of benefits determination, the benefits of a **Plan** that has covered the person for the longer period of time are determined before the benefits of a **Plan** that has covered the person for the shorter period of time.

Whenever one **Plan** does not contain a **COB** provision, that **Plan** must pay its benefits before any other **Plan** pays.

When these provisions reduce the total amount of benefits otherwise payable to **You** under **This Plan** during any **Claim Determination Period**, each benefit that would be payable in the absence of this provision is reduced proportionately and such reduced amounts are charged against any applicable benefit limit under **This Plan**.

Right to Receive and Release Necessary Information

Quartz may require certain information in order to apply and coordinate these provisions with other **Plans**. To get the needed information, **Quartz** may, without **Your** consent, release or obtain from any insurance company, organization, or person information needed to implement this provision. **You** agree to notify **Quartz** of the existence of any other group coverage that **You** have and to furnish any information **Quartz** needs to apply these provisions.

COB with Medicare

In all cases, **COB with Medicare** will conform with Federal and State statutes and regulations. If **You** are eligible for **Medicare** benefits, but not necessarily enrolled, **Your** benefits under **This Plan** will be coordinated to the extent benefits otherwise would have been paid under **Medicare** as allowed by Federal and State statutes and regulations. Except as required by Federal and State statutes and regulations, **This Plan** will pay benefits on a secondary basis to **Medicare**.

Facility of Payment

ARTICLE V: COORDINATION OF BENEFITS

A payment made under another **Plan** may include an amount that should have been paid under **This Plan**. If this occurs, **Quartz** may pay that amount to the organization that made that payment. That amount will then be treated as if it were a benefit paid under **This Plan**. **Quartz** will be fully discharged from liability under **This Plan** to the extent of any payment so made. The term “payment made” means reasonable cash value of the benefits provided in the form of services.

Right to Recovery

Quartz reserves the right to recover any payment made for an **Allowable Expense** under **This Plan** in the amount by which the payment exceeds the maximum amount **Quartz** is required to pay under these provisions.

This right of recovery applies to **Quartz** against the following:

1. Any person(s) to, for or with respect to whom, such payments were made; or,
2. Any other insurance company or organization which, according to these provisions, owes benefits due for the same **Allowable Expense** under any other **Plan**.

Quartz shall determine against whom this right of recovery will be exercised.

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

Employee Coverage

Eligibility

Eligibility for coverage begins on the date an **Employee** meets all eligibility criteria specified on the **Group Application**.

Enrollment and Effective Date

An **Employee** may apply for enrollment in the **Plan** by submitting a completed **Enrollment Application Form** and, if necessary, an **Employer's Certification of Group Health Plan Coverage**, or other acceptable documentation as indicated by federal law. Application must be made during an annual enrollment period or within 31 days of becoming eligible. The **Enrollment Form** may be obtained from the **Group's** benefit administrator.

Quartz, at its discretion and with the mutual agreement of the employer, may allow for an **Open Enrollment Period** or a **Dual Choice Enrollment Period**.

New Entrant

A new entrant may enroll within 31 days from the date he/she is eligible to enroll and will be covered on the date **Quartz** specifies. A new entrant is an **Employee** who becomes part of the **Group** after the first enrollment period.

Late Applicant

If an **Employee** is a **Late Applicant** who is not entitled to enroll during a **Special Enrollment**, then the **Employee** will be enrolled in the **Plan** as of the date of application and subject to a 12-month **Waiting Period**. The **Effective Date** will be delayed by 12 months or that period of time up to the **Open Enrollment Period**, if any, whichever comes first, and coverage will be effective as of that date.

Late Applicant/Special Enrollment

An **Employee** is a **Late Applicant** if he or she has previously waived or otherwise declined coverage under the **Plan**. A **Late Applicant** is entitled to enroll during a **Special Enrollment Period** when the **Employee** marries or has a new **Child** as a result of marriage, birth, adoption or placement for adoption.

A **Late Applicant** entitled to enroll during a **Special Enrollment Period** must submit an **Enrollment Application** to **Quartz** within 31 days of the date of the marriage, birth, adoption or placement for adoption. Coverage will be effective:

- With respect to a marriage, the date of marriage or the first of the month following the date of marriage; or,
- With respect to a birth, adoption or placement for adoption, on the date of birth, adoption or placement for adoption.

Late Applicant/Special Enrollment for Loss of Other Coverage

An **Employee** who is not enrolled, but who is eligible for coverage under the terms of the **Group Plan**, or an **Employee's Dependent** who is not enrolled but who is eligible for coverage under the terms of the **Group Plan**, may enroll for coverage during a **Special Enrollment Period** if all of the following apply:

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

1. The **Employee** or **Dependent** was covered under another group health plan or had **Health Insurance Benefit Plan** coverage at the time coverage was previously offered to the **Employee** or **Dependent**;
2. The **Employee** or **Dependent** stated in writing at the time **Quartz** coverage was previously offered that coverage under another group health plan or **Health Insurance Benefit Plan** was the reason for declining enrollment under this **Plan**;
3. The **Employee** or **Dependent** is currently covered under that prior group health plan or **Health Insurance Benefit Plan** or, under the terms of the **Group Plan**, the **Employee** or **Dependent** requests enrollment no later than 31 days after the date on which the coverage under paragraph "1" is exhausted or terminated. **Members** requesting coverage under this **Health Plan** more than 31 days after their other coverage ends should contact their employer to determine the length of their applicable **Waiting Period**; and,
4. The **Employee** or **Dependent** requests enrollment within 60 days of losing or being determined as eligible for Medicaid or a child health plan under title XXI of the Social Security Act. If **Your Enrollment Form** is received within the 60-day period, **Your** or **Your Dependent's** coverage will be effective on the first day of the month following receipt of the **Enrollment Form** by **Quartz**.

Dependent Coverage

Eligibility

Except for full-time students, **Quartz** considers a **Dependent's** "residence" to be the location in which he/she spends at least 9 months out of a 12-month period. Eligibility for coverage begins on:

1. The date the **Employee** is eligible for coverage, if the **Employee** has **Dependents** who may be covered on that date; or,
2. Either the date of the **Employee's** marriage or the first day of the month following the date of the marriage (as determined by the employer) for any **Dependent** (spouse or stepchild) acquired through the marriage; or,
3. The date of birth of the **Employee's** natural-born **Child**; or,
4. The date a **Child** is placed in the **Employee's** home for adoption, or the date that a court issues a final order granting adoption or legal guardianship of the **Child** to the **Employee**, whichever occurs first; or,
5. The date of change of status for a newly eligible **Dependent**; or,
6. The date of birth of a **Child** born to an **Employee's** covered **Dependent Child** who is under the age of 18; or,
7. For full-time students, the first day they become full-time students if:
 - The **Child** is a full-time student; and,
 - The **Child** was under 27 years of age when he or she was called to federal active duty in the National Guard or in a reserve component of the U.S. Armed Forces while the **Child** was attending, on a full-time basis, an institution of higher education, and applied to an institution of higher education as a full-time student within 12 months from the date the **Child** has fulfilled his or her active duty obligation.

Except for continuation and conversion coverage, an **Employee** may cover **Dependents** only if the **Employee** is covered.

Enrollment and Effective Date

Each **Dependent** must be enrolled on an **Enrollment Application Form** or electronically through www.QuartzBenefits.com/WIMaterials.

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

The **Effective Date** of coverage for each **Dependent** (other than a newborn or an adopted **Child**) is determined as follows:

- If the **Enrollment Form** is received by **Quartz** *before* the **Dependent's** eligibility date, the **Dependent** is covered on the date he/she is eligible.
- If the **Enrollment Form** is received *after* the **Dependent's** eligibility date, but within 31 days from the eligibility date, the **Dependent** is covered on the date approved by **Quartz**.
- A **Dependent's Effective Date** may never be prior to the **Employee's Effective Date**.
- A new entrant may enroll within 31 days from the date he/she is notified of the opportunity to enroll and will be covered on the date **Quartz** specifies. A **Dependent** is a new entrant:
 - If he/she is a **Dependent** of an **Employee** who becomes part of the **Group** after the first enrollment period; or,
 - If a court orders him/her to be covered under the **Policy** and if he/she requests coverage after issuance of the court order; or,
 - He/she did not enroll during an enrollment period and, at that time, was covered by a **Health Insurance Benefit Plan**, loses that coverage, and requests coverage under this **Plan** within 31 days after the termination of the **Health Insurance Benefit Plan** coverage.

Late Applicant

If the **Subscriber** seeks to enroll a **Dependent** who is a **Late Applicant** who is not entitled to enroll during a **Special Enrollment Period**, then the **Dependent** will be enrolled in the **Plan** as of the date of application and subject to a 12-month **Waiting Period**. The **Effective Date** will be delayed by 12 months or that period of time up to an **Open Enrollment Period**, if any, whichever comes first, and coverage will be effective as of that date.

Newborn Effective Date of Coverage

The **Employee** has 60 days from the date of birth of a **Child** to apply for **Dependent** coverage effective on the newborn's birth date. The **Employee** may apply for **Dependent** coverage for a newborn up to one year after the newborn's birth date if the **Employee** pays all past **Premium** plus interest on such **Premium** at the rate of 5.5% per year.

Adopted Child Effective Date of Coverage

The **Employee** has 60 days from the date a **Child** is placed in the custody of the **Employee** or from the date a court issues a final order granting adoption of the **Child** by the **Employee**, whichever occurs first, to apply for **Dependent** coverage effective on the date of eligibility.

Changes to Enrollment Form

Changes to the original **Enrollment Form**, other than **Physician** changes, must be made by completing a new **Enrollment Form** or by submitting the change electronically by logging on to www.QuartzBenefits.com/WIMaterials.

Termination of Coverage

Coverage terminates for **Employees** and covered **Dependents** on the date that one of the following occurs:

1. The **Policy** terminates; or,

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

2. A service is no longer a **Covered Service** under the **Policy**, except that termination then relates only to that **Covered Service**.

Coverage also terminates for **Employees** and covered **Dependents** for any of the following reasons:

1. The **Employee's** employment terminates; or,
2. The **Employee** ceases to meet eligibility requirements or is no longer in a class of **Employees** that is eligible for coverage under the **Policy**; or,
3. The **Member** requests voluntary **Disenrollment**; or,
4. The **Employee** retires, unless the employer requests retiree coverage on the **Group Application Form** and **Quartz** approves such request; or,
5. The **Dependent** no longer qualifies as an eligible **Dependent**.

The termination date for these reasons will be at the end of the month in which the change occurs. **Quartz** may backdate terminations and additions no more than 30 days from the date of the request.

Right to Continue Group Medical Coverage

The **Member** may have the right to continue coverage under the **Plan** if he/she ceases to meet eligibility requirements. A **Member** may elect this option if:

- He/she is an **Employee** whose eligibility for **Group** coverage terminates (the option is not available if the **Employee** was fired for misconduct on the job); or,
- He/she is the former spouse of an **Employee**, and the marriage ends due to divorce or annulment while **Dependent** coverage is in effect; or,
- He/she is a surviving **Dependent** spouse or **Child** of an **Employee** who dies while **Dependent** coverage is in effect.

Wisconsin continuation law applies to employer **Groups** with fewer than 20 **Employees**. The maximum continuation period is 18 months. The employer must provide the **Member** with written notice of continuation rights within 5 days after the date the **Member's** eligibility for coverage terminates. The **Member** has 30 days from the date of the notice to elect the continuation option and pay the **Premium** due to the **Group**. The employer will tell the **Member** when and how much payment is due and will send payment to **Quartz**. The **Member** must complete a new **Enrollment Form** if he/she is a former spouse or a surviving **Dependent** spouse or **Child**.

Federal continuation law is governed by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA applies to **Groups** with 20 or more **Employees**. The maximum continuation period is 18 consecutive months from the date the **Member** elects to continue coverage. This period of time is modified to:

- 29 months if the **Member** (1.) is disabled at the time **Group** coverage terminates due to cessation of employment or reduction of hours, or (2.) becomes disabled within the first 60 days thereafter, provided that the **Member** has been determined to be disabled for Social Security purposes and the **Member** provides **Quartz** with notice of such determination within 60 days of the determination and before the end of the 18-month continuation period;
- 36 months if a **Dependent** loses coverage due to (1.) divorce or death of the **Employee**, or (2.) the **Employee** becomes eligible for **Medicare**, or (3.) if a **Child** of an enrolled **Employee** no longer meets the definition of "**Dependent**" under the **Policy**;
- Special COBRA rights apply to **Subscribers** who have been terminated or experience a reduction of hours and who qualify for a "trade readjustment allowance" or "alternative trade adjustment assistance" under a federal law called the Trade Act of 1974. These **Subscribers** are

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage) but only within a limited period of 60 days or less and only during the 6 months immediately after their group health plan coverage ended.

If **You** qualify for assistance under the Trade Act of 1974, contact **Your** employer promptly after qualifying for assistance or **You** will lose these special COBRA rights.

The continuation coverage period is measured from the exact date continuation coverage is elected or becomes effective to the same calendar date of the succeeding months. Coverage continues until:

- The date the **Member** is covered under another similar group medical plan; or,
- The end of the last month for which **Premium** was paid by the **Member** when due; or,
- If the **Member** is the former spouse of an **Employee**, the date the **Employee** is no longer covered by the **Group Plan** or replacement group policy.

A **Child** born to a **Member** or placed for adoption with a **Member** is eligible for continuation coverage and may be enrolled in accordance with the provisions contained in the section entitled “Dependent Coverage.”

Premium Payment Lookback. Non-payment of COBRA premium can affect **Your** eligibility for **Quartz** individual plans. COBRA enrollees must pay all outstanding amounts owed to **Quartz** for the last 12 months to be eligible for **Quartz** individual plans. This requirement applies when an enrollee was contractually responsible for the payment of premium and has an outstanding premium balance. **Quartz** looks back 12 months from the effective date for individual health insurance. All outstanding amounts due in the last 12 months must be paid in full. COBRA enrollees who do not pay will be barred from entry into all individual health plans offered by **Quartz**.

Medical Conversion Privilege

If the **Member** does not elect continuation coverage, or if the **Member** elected continuation coverage and it terminates, or if the **Plan** terminates, a conversion policy may be available without medical underwriting. A **Member** qualifies for a conversion policy if he/she was covered under the **Group Plan** for at least 3 consecutive months and:

- He/she is an **Employee** whose eligibility for **Group** coverage terminates (the option is not available if the **Employee** was fired for misconduct on the job); or,
- He/she is the former spouse of an **Employee** and the marriage ends due to divorce or annulment while **Dependent** coverage is in effect; or,
- He/she has been a covered **Dependent Child** but no longer meets the definition of “**Dependent**” under the **Policy**.

The employer is required to provide the **Member** with written notice of these rights within 5 days after the date the employer knows that the **Member’s** eligibility for coverage will terminate.

The **Member** has 30 days after the date **Group** coverage terminates to apply for the conversion policy and pay the required **Premium** to **Quartz**. The **Premium** must be paid in advance and monthly. **Members** may obtain enrollment forms at www.QuartzBenefits.com/WIMaterials or by contacting **Quartz** Customer Service. The conversion policy will be effective on the day after the **Group** coverage ends, provided the **Member** enrolls and pays the first **Premium** within 30 days after the date coverage terminates.

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

Benefits provided under the conversion policy may differ from the benefits provided under the **Group Plan**.

Quartz may refuse to issue a conversion policy if **We** determine that the applicant has other similar coverage or if the applicant resides outside Wisconsin. The conversion policy will not be available if it would result in over-insurance or duplication of benefits. **Quartz** will use the standards for over-insurance filed with the Wisconsin Office of the Commissioner of Insurance.

Disenrollment from the Plan

“**Disenrollment**” means that a **Member’s** coverage under the **Plan** is revoked. Coverage is contingent upon the **Subscriber’s** continued eligibility and timely payment of **Premium**. **Quartz** may disenroll a **Member** only for the reasons listed below:

1. Required **Premium** is not paid by the end of the grace period (31 days);
2. The **Member** commits acts of physical or verbal abuse which pose a threat to **Providers** or **Quartz** employees;
3. The **Member** allows a non-member to use the **Member’s Identification Card** to obtain services;
4. The **Member** has performed an act, practice or omission that constitutes fraud in applying for coverage and at least 30 days advance written notice has been provided to each **Member** who would be affected by the disenrollment;
5. The **Member** demands access to a **Participating Primary Care Provider** but is unable to establish or maintain a satisfactory physician-patient relationship with that **Provider**. **Disenrollment** for this reason is permitted only if it can be demonstrated that **Quartz**:
 - Provided the **Member** an opportunity to select another **Participating Primary Care Provider**;
 - Made a reasonable effort to assist in establishing a satisfactory physician-patient relationship; and,
 - Properly communicated **Grievance** procedures to the **Member**.

Except in the case of non-payment of **Premium**, **Quartz** will arrange to provide similar alternative medical coverage for a terminated **Member** until the **Member** finds his/her own coverage or until the next opportunity to change insurers, whichever occurs first.

Extension of Coverage Due to Total Disability

If **Quartz** terminates coverage under this **Certificate**, and a **Member** is **Totally Disabled** on the date of termination, **Quartz** will continue to provide benefits related to the disabling condition until the earliest of the following occurrences:

1. **Total Disability** terminates;
2. The end of the 12 consecutive months immediately following the termination of coverage;
3. The benefit period specified in the **Policy** ends;
4. The maximum benefit is paid; or,
5. Similar coverage for the condition or conditions causing the **Total Disability** is provided under another group policy.

ARTICLE VI: ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

This extended coverage does not apply to dental or uncomplicated pregnancy expenses or to a condition other than the condition or conditions causing the **Total Disability**.

ARTICLE VII: COMPLAINT AND GRIEVANCE PROCEDURE

Resolving Complaints

If **You** have a **Complaint** relating to any aspect of **Quartz**, **You** may contact a Customer Service Representative who will assist in resolving the matter informally. If the **Complaint** cannot be resolved to **Your** satisfaction, **You** may file a **Grievance**.

Definitions

“**Adverse Benefit Determination**” includes any of the following:

- The determination that an admission, availability of care, continued stay or other health care service that is a covered benefit has been reviewed and, based upon the information provided, does not meet the health insurer’s requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness of a covered benefit; or its determination that a treatment is experimental or investigational, and the requested service or payment for the service is therefore denied, reduced or terminated;
- Any rescission of coverage, as provided in 45 C. F. R. § 147.136 (b) (2) (ii) (A), as amended, whether or not the rescission has an adverse effect on any particular benefit at that time; or,
- The denial of a request for a referral for out-of-network services when the insured requests health care services from a provider that does not participate in the insurer’s provider network because the clinical expertise of the provider may be medically necessary for treatment of the insured’s medical condition and that expertise is not available in the insurer’s provider network.

“**Coverage denial determination**” has the meaning as defined in s. 632.835(1)(ag), Wis. Stat., and includes, for individual insurance products, a policy reformation or change in premium charged based upon underwriting or claims information greater than 25% from the premium in effect during the period of contest-ability except to the extent the modification is due to the applicant's age or a rate increase applied by the insurer to all similar individual policy forms applied uniformly.

“**Grievance**” means any dissatisfaction with an insurer offering a health benefit plan or administration of a health benefit plan by the insurer that is expressed in writing to the insurer by, or on behalf of, an insured including any of the following:

- Provision of services;
- Determination to reform or rescind a policy;
- Determination of a diagnosis or level of service required for evidence-based treatment of **Autism Spectrum Disorders**; and,
- Claims practices.

“**Reconsideration Committee**” means Quartz’s grievance panel for the investigation of each written grievance.

External Review (Independent Review)

You may appeal to an **External Review** if:

- The determination of the **Reconsideration Committee** is an **Adverse Benefit Determination**;
- The determination of the **Reconsideration Committee** is a preexisting condition exclusion denial determination or a rescission of a certificate; or,
- The determination was made that the requested treatment was **Experimental or Investigative**.

You must request **External Review**:

There are certain circumstances when **You** may be able to skip **Quartz's** internal **Grievance** process and proceed directly to **External Review**. Those circumstances are as follows:

- **We** agree to proceed directly to **External Review**; or,
- **We** did not comply with the requirements of **Our** internal appeals process, except for failures that do not cause prejudice or harm to **You**; or,

Once the External Reviewer makes a final coverage determination, the final coverage determination is binding upon **Quartz** and the **Member** except to the extent other remedies are available under state or federal law.

Your request for **Expedited Review** can be initiated by calling the toll-free number 1-888-866-6205.

ARTICLE VIII: CONSENT TO RELEASE INFORMATION

If **Quartz** requests, **You** must authorize any person or institution that has examined or treated **You** to furnish to **Quartz** any and all information and records or copies of records relating to the examination or treatment provided to **You** if related to claims payment. **Quartz** agrees that such information and records will be considered confidential to the extent required by law. **Quartz** has the right to submit any and all records concerning health care services provided to **You** to appropriate medical review personnel. The cost of obtaining medical records is **Your** responsibility.

Quartz also has the right to review any employment records, including but not limited to those maintained by **Your** employer, to make certain that the employer and **You** are entitled to coverage.

ARTICLE IX: GENERAL PROVISIONS

Advance Directives

If **You** are over age 18 and of sound mind, **You** may execute a living will or durable power of attorney for health care. These documents tell others what **Your** wishes are if **You** are physically or mentally unable to express **Your** wishes in the future. If **You** have an advance directive, give a copy to **Your Primary Care Provider**. **You** do not need to send the forms to **Quartz**.

Case Management

Case Management is a program **Quartz** offers to **Members** of this **Plan**. These services are provided by a staff of health care professionals. As part of **Case Management**, **Quartz** reserves the right to direct treatment to the most appropriate and cost-effective option available.

Conformity with Statutes

Any provision which, on the **Policy Effective Date**, is in conflict with federal or Wisconsin law is amended to conform to the minimum requirements of those laws.

Continuity of Care

Quartz will provide coverage to a **Member** for the services of a **Provider**, regardless of whether the **Provider** is a **Participating Provider** at the time the services are rendered, if **Quartz** represented the **Provider** as a **Participating Provider** in marketing materials made available to the **Member** for the current **Contract Year** and if the following conditions apply:

1. If **Your Primary Care Provider** leaves the **Provider Network**, **You** may continue seeing that **Physician** through the end of the **Plan's Contract Year**.
2. If **You** are seeing a specialist who leaves the **Provider Network**, **You** may continue seeing the specialist:
 - If **You** are pregnant and in **Your** 2nd or 3rd trimester, through the postpartum period; or,
 - For 90 days past the **Physician's** termination date with the **Provider Network** or through the end of the course of treatment, whichever is shorter.

These continuity of care provisions do not apply if the **Physician** is terminated from the **Provider Network** for misconduct or if the **Physician** is no longer practicing.

Filing Claims from Out-of-Plan Providers

If **You** pay for services from a **Non-Participating Provider**, please submit the itemized bill to **Quartz** within 90 days from the date the services were provided. Circumstances beyond **Your** control might make this time limit unreasonable. If so, **You** must file the **Claim** as soon as possible, and pursuant to s. 631.81, Wis. Stat., **We** will still process **Your Claim** if **You** submit it within one year after the time required under this provision. A Member Claim Form is available at www.QuartzBenefits.com/WIMaterials.

If **You** are submitting **Claims** for which **You** have already paid, and **You** are seeking **Quartz's** reimbursement, **You** must provide proof of payment. The bill or receipt from **Your** provider must match the service that **You** are seeking **Quartz's** reimbursement for.

Participating Providers will submit **Claims** on **Your** behalf.

Legal Action

You may not start legal action against **Quartz** until the earlier of:

- 60 days after **You** file notice of a claim and complete the **Grievance** process; or,
- The date **Quartz** denies the claim and **You** complete the **Grievance** process.

Despite the above provisions, **You** may opt to start legal action under ERISA Sec. 502(a) before completing the **Complaint** or **Grievance** process. If **You** do so, a court may dismiss **Your** lawsuit because **You** failed to complete the **Complaint** or **Grievance** process.

You may not start legal action against **Quartz** more than 3 years from the time written proof of loss was required to be filed. **You** must file written proof of loss within 90 days of the date of service. This means that any legal action must be started within 39 months of the first date of service on which the action is based.

Physical Examination

Quartz, at its own expense, has the right and opportunity to examine any **Member** when and as often as may be reasonably necessary to determine his/her eligibility for claimed services or benefits under this **Plan**, including, without limitation, issues relating to subrogation and **COB**. By executing an application for coverage under the **Plan**, each **Member** is deemed to have waived any legal right he/she may have to refuse consent to such examination when performed or conducted for the purposes set forth above.

Physician and Hospital Reports

Physicians and **Hospitals** must give **Quartz** reports to help **Us** determine **Plan Benefits** due to **You**. **You** agree to cooperate with **Quartz** to either execute releases that authorize **Physicians**, **Hospitals** and other **Providers** or, to release all records to **Quartz** that relate to services **You** receive. This is also a condition of **Quartz** paying benefits. All information must be furnished to the extent **Quartz** deems necessary in a particular situation and as allowed by pertinent statutes.

Proof of Coverage

It is **Your** responsibility to show **Your Quartz Identification Card** each time **You** receive **Covered Services** from a **Provider**.

Right to Collect Needed Information

You must cooperate with **Quartz** and, when asked, must assist **Quartz** by:

- Authorizing the release of medical information, including the names of all **Physicians** and **Providers** from whom **You** received medical attention;
- Providing information regarding the circumstances of **Your Injury** or **Illness**; and,
- Providing information about other insurance coverage and benefits.

Your failure to assist **Us** may result in the denial of claims.

Services Covered by Liability Insurance

Quartz will not refuse to cover health care services that **You** receive for which there is coverage under the **Plan** on the basis that there may be coverage for the services under a liability insurance policy.

Sharing Information

You agree to permit **Quartz, Physicians, Providers** and reviewers to share information about **Your** care to promote the orderly delivery of care. Sharing information also promotes **Quartz's** quality assurance and cost control programs. When sharing information with others, **Quartz** agrees to preserve **Confidential Matters** in accordance with state and federal law.

Subrogation and Reimbursement

Quartz retains both the right of subrogation against a third party and the right of reimbursement from **Members** including any and all recoveries obtained by a **Member** arising out an injury for which **Quartz** has provided benefits. This means that whenever **Quartz** provides services or other benefits to any **Member**, **Quartz** shall, to the extent permitted by law, be subrogated to, and be entitled to be reimbursed from, all the **Member's** rights of recovery and all actual recoveries for, and to the extent of, any services or benefits received by the **Member** that the **Member** may have against any other party, person or corporation, including any claims made pursuant to uninsured or underinsured motorist coverage.

Any **Member** who receives services or benefits from **Quartz**, and has any right of recovery against any third party, including a claim made pursuant to uninsured or underinsured motorist coverage, must, by or on behalf of **Quartz**, execute and sign all documents as may be required, deliver the same to **Quartz** or **Quartz's** designee and perform whatever other acts, including an assignment of rights, that are necessary to secure **Quartz's** rights. **Members** must do nothing to prejudice **Quartz's** right of recovery. **Members** must promptly advise **Quartz** in writing whenever a claim against another party is made on behalf of the **Member** and will further provide such additional information as is reasonably requested by **Quartz** or **Quartz's** designee.

Quartz reserves the right to be provided notice of any claim against a third party. The **Member** agrees to cooperate in protecting **Quartz's** interest and to provide necessary information to **Quartz** or **Quartz's** designee upon request. Paid claims represent the reasonable cash value of the services paid on a capitated basis. Reasonable cash value is determined by utilizing actuarial methodologies.

Quartz acknowledges that its right of subrogation is subject to the **Member** being made whole as defined by Wisconsin law. If a dispute arises between **Quartz** and any **Member** over the question of whether the **Member** has been made whole, **Quartz** reserves the right to a judicial determination of the **Member's** recovery. **Quartz** shall not be responsible for the payment of attorneys' fees or costs associated with a **Member's** recovery unless **Quartz** has expressly agreed to the payment of such costs in writing.

Time Limit on Certain Defenses

If the **Health Questionnaire** or an **Employer's Certification of Group Health Plan Coverage** is required for enrollment in this **Plan**, **Quartz** may investigate information provided by the **Member** in applying for coverage for 2 years after the original **Effective Date** of coverage. After this 2-year period expires, no misstatements may be used to void coverage or to deny a **Claim** that arises after the 2-year period expires. This time limit does not apply to fraudulent misstatements made in the application for coverage under this **Plan**. Any fraudulent statement or intentional misrepresentation of material fact may result in a denial of a claim and/or rescission of coverage.

Travel Distances

Quartz has established criteria to ensure that **Members** do not have to travel excessive distances to obtain health care services. Please contact **Quartz** Customer Service with questions regarding these criteria.

Wellness Programs

Quartz may provide a wellness program to **Members** which may include health management and fitness. Terms and conditions may apply. Participation in **Quartz's** wellness program(s) is voluntary. No **Co-payment** or **Co-insurance** is required to join **Quartz's** wellness program(s). From time to time, **Quartz** may offer incentives to encourage **You** to participate in a wellness program. The program components and incentives are not **Covered Services** and do not alter or affect **Your Covered Services**. **You** and your **Primary Care Provider** can discuss whether participation is right for **You**. If **You** think **You** may be unable to meet a standard for an incentive offered through a wellness program, **You** may qualify to earn the same incentive by different means. Contact **Quartz** Customer Service at (800) 362-3310 and we will work with **You** (and, if **You** wish, your doctor) to find an alternative with the same incentive that is right for **You** in light of **Your** health status.

Workers' Compensation

A. When the Member Sustains a Work-Related Injury or Illness unrelated to the Group Policyholder of this Health Plan

Benefits for treatment, services, and supplies are excluded under this health plan when:

1. A member sustains a work-related **Injury** or **Illness** that does not involve the Group Policyholder of this health plan; and,
2. The member is eligible to receive Workers' Compensation for an **Injury** or **Illness** sustained in the course of an occupation or employment.

This exclusion applies to any **Illness** or **Injury** arising out of, or in the course of, any activity for pay, profit, or gain. This exclusion applies regardless of whether benefits under Workers' Compensation or Occupational Disease laws have been claimed, paid, waived or compromised.

B. The Member Sustains a Work-Related Injury or Illness Allegedly Related to the Group Policyholder of this Health Plan.

Beneficiary in this section means a person who may be eligible for compensation under a Group Policyholder's Workers' Compensation policy.

For purposes of this Workers' Compensation section, each employer that is part of an Association Health Plan is treated the same as a Group Policyholder.

- 1. When the Member is a Beneficiary under the Group's Workers' Compensation Policy**
When the Group Policyholder has Workers' Compensation coverage and the **Member** is a beneficiary under the Workers' Compensation policy, benefits under this health plan are excluded for all treatment, services, or supplies for any **Illness** or **Injury** arising out of, or in the course of, any activity for pay, profit or gain. This exclusion applies regardless of whether benefits under Workers' Compensation or Occupational Disease laws have been claimed, paid, waived, or compromised.
- 2. When the Member is not a Beneficiary of the Group's Workers' Compensation Policy**
Quartz will not deny claims solely based on the existence of the Group Policyholder's Workers' Compensation policy when all the following statements are true:

 - A **Member** sustains a work-related **Injury** or **Illness** that allegedly involves the Group Policyholder of this Health Plan; and,
 - The Group Policyholder has Workers' Compensation coverage; and,
 - The **Member** is not a beneficiary under the Workers' Compensation policy.
- 3. When the Group Policyholder is under no obligation to Carry Workers' Compensation Coverage**
Quartz will not deny claims on the basis that the Group failed to maintain Workers' Compensation coverage if all the following statements are true:

 - The Group has no Workers' Compensation coverage; and,
 - The Group was not required to have Workers' Compensation coverage under applicable state law at the time the **Injury** or **Illness** arose.
- 4. Group Policyholder Fails to Carry Required Workers' Compensation Coverage**
When the Group Policyholder fails to maintain Workers' Compensation coverage required by law, **Quartz** will not deny member claims solely on the basis that the Group failed to maintain Workers' Compensation coverage. **Quartz** retains all rights to recover as described under the Recovery Rights provision of the Coordination of Benefits Section.

The **Group Master Policy Agreement** is not issued in place of Workers' Compensation coverage and does not affect any requirement for an employer to carry Workers' Compensation coverage.

If this **Policy** covers **Injury** or **Illness** sustained in the course of any occupation or employment, and **We** determine that **You** also received Workers' Compensation for the same incident, **We** will exercise the right to recover.

ARTICLE IX: GENERAL PROVISIONS

The recovery rights will be applied even though:

- The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
- No final determination is made that the **Injury** or **Illness** was sustained in the course of or resulted from **Your** employment;
- The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by **You** or the Workers' Compensation carrier;
- The medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

In the event the Workers' Compensation carrier denied a claim, **We** will cover the resulting charges only if **You** have followed the guidelines outlined in this **Certificate of Coverage**. See Article II, "Obtaining Services," for guidelines **You** must follow.

You agree that, in consideration for the coverage provided by the **Group Master Policy Agreement**, **You** will notify **Us** of any Workers' Compensation claim made and agree to reimburse **Us** as described above. This provision shall also apply to coverage that **You** may receive under any Occupational Disease Act or law.
