Cafeteria

You will absolutely love our cafeteria staff. They take pride in student service and tasty food! Mrs. Rogers will post the monthly menus on the website and the GISD App for you to view.

[MySchoolBucks](#) allows you to create an account and add money for your child to purchase food from the cafeteria. In this account, you can find the balance as well as a summary of what they are purchasing.

If you have questions about the cafeteria or MySchoolBucks, direct those questions to the Director of Food Services, Lauren Rogers (lrogers@gunterisd.org)

Medical Care

Each campus has a qualified nurse to assist students with medical needs that arise during school hours. If you have questions, please contact the appropriate nurse:

GES - Laura Rodgers (lsrogers@gunterisd.org)

GMS - Nikki Thomas (nthomas@gunterisd.org)

GHS - Casey Layman (clayman@gunterisd.org)

Parent Portal

Ascender Parent Portal allows the parent to view posted grades and attendance. You will need a Portal ID to sign up and may obtain that from the campus PEIMS clerk. When making your account, it is important to use the email address you provided the district at registration. This is a security feature to only provide information to people who have been named as a contact in the child's profile.

WHY?

A "one stop shop" to answer all of your questions about the bond.

Notice: The GISD Board of Education has called a bond election to be held on May 7th, 2022. The bond package is designed to accommodate the growth in our district and plan for the future.

The key areas of focus in the bond include a new elementary school, land purchase for a future high school, additions to the middle school that will include a full size gym and dining area, and additions to the high school that will include more classrooms and expansions to the locker rooms and Fine Arts program.

Other district wide improvements include addressing the drainage deficiencies at the softball field and along Tiger Lane, as well as a roof replacement at the high school.

2022 GES PTO FUN RUN Information

We will have a Gunter Elementary PTO Fun Run on Friday, April 22, 2022 during the school day at the Gunter High School Track. This is our first annual FUN RUN to raise money for each grade level and takes the place of our carnival we have done in October in the past. The money raised goes towards class supplies, field trips, student rewards, and other grade level specific needs that occur throughout the school year. More information to come.

Gunter Tigers... They're Great!

We are excited to celebrate the students who were named as the Winter Superintendent Honor Roll honorees. These students were chosen by teachers at their campus for their character and work ethic. Elementary and high school students were introduced to the school board by their principal who read excerpts written by their teachers describing their character. Middle school students were busy competing at the track meet, and will be highlighted at the next board meeting.

Congratulations to:

Elementary School – Sylvia Pace & Max Maldonado

Middle School - Maci Verden & Ethan Marks
They will be recognized at the next board meeting
(Not pictured due to a track meet that night)

High School – Lizzie Williams & Bryan Balderas

All students selected to the Superintendent's Honor Roll this year will enjoy a special field trip with Mr. Martindale and his staff on April 27th.

The school board was introduced to the GHS teacher who was awarded the Superintendent's "Making A Difference" Award. Congratulations to Coach Mikayla Watson who has been making a difference in the lives of our students each and every day!

It was our honor and privilege to recognize Mrs. Whitney Keel for being selected by her campus leaders for going above and beyond in the classroom. Thank you, Mrs. Keel, for "Making A Difference" at Gunter Elementary each and every day.

Rachel Standerfer, GMS Library Aide, was also selected for "Making A Difference" in the lives of our students. She was unable to attend the board meeting, but will be recognized at a later date. Congratulations, Mrs. Standerfer!

Here's the SCOOP!

Gunter ISD has the best Administrative team around! An ice cream sundae bar was set up and they served each campus with a scoop and a smile.

Thank you, Admin staff, for caring so much about your teachers and staff at each campus.

Gunter Elementary School SNEAK PEEK

Dr. Seuss Day always falls on March 2nd to celebrate the birthday of Theodor Seuss Geisel, author of the Dr. Seuss children's books. The celebration was created to encourage children to read. Our kindergarten classes celebrated all the "Seuss" things such as wearing the iconic red and white hat, eating green eggs and ham, wearing "Thing 1 and Thing 2" shirts and more! They had so much fun celebrating this birthday!

Special Peeps Visit Kinder Kids!

Special thanks to Jessica Seay for bringing some fun to Mrs. Cooke's Kindergarten classroom. She brought in a hen and some baby chickens for the students to learn about farm animals. From our "peeps" to yours, we say thanks!

Readers Are Champions

We celebrated our 3rd 9 Weeks' Readers are Champions in the GES Cafeteria to honor all of our outstanding readers. We had **126 students** read for a total of **122,700 minutes**. THAT'S AMAZING!

For the final 9 week challenge, we challenged these students to invite a friend to join them and to reach a goal of "500,000 Total Minutes" read this school year! We know they can do it! Thank you to Simmons Bank for providing the popcorn and prizes for our readers.

In January, Mrs. Foster's 3rd grade students created a S.M.A.R.T. Goal to increase their reading fluency by 10 words from their middle-of-year assessment in January. They set a goal date of March 25th. Students have been mindful of focusing while they read independently, choosing a "just right" book, and reading out loud to a buddy and in small groups. Congratulations to the students who MASTERED this goal!

GES Students of the Month

Congratulations to these Tiger Cubs!

The common themes for all of these students was KINDNESS and hard work. They are definitely leaders of the campus with those character traits.

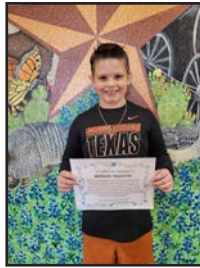

Kindergarten: Bradley Crawford

1st Grade: Karlie Mixon

2nd Grade: Cristal Escalera

3rd Grade: Maddox Piaschyk

4th Grade: Brielle Moore

Character Champions for March

Kindergarten: Jaden Pecina and Mia Lanzone

1st Grade: Max Atyia and McKinley Gibbs

2nd Grade: Ryan Base and Gentry Russell

3rd Grade: Declan Dorsey and Kennady Mullican

4th Grade: Boaz Martin and Hannah Perkins

Courage 

Penny Wars

At GES, students have character words every month, and the month of March was "courage". One student in particular, along with her friends had enough courage to approach Mrs. Wetzel and Mrs. Hale about raising money in honor of her little sister with Down Syndrome. Olivia Rigdon, along with friends Sylvie Pace and Valeria Mendoza came up with a plan, created a collection prototype and presented it to her campus leaders. After seeing her plan, Mrs. Wetzel and Mrs. Hale decided a Penny War between grade levels for extra recess would be the best way to raise money.

On World Down Syndrome day they delivered packages and books to each classroom along with bracelets and little activities for kids to raise awareness about down syndrome and special needs.

The fundraiser was a huge success! The following amounts were raised, with 4th grade winning the "Extra Recess" prize. [Pre-K \$19.79, Kindergarten \$184.58, 1st Grade \$133.76, 2nd Grade \$159.42, 3rd Grade \$380.45, 4th Grade \$411.33].

The GES Leadership team played a large role in counting the money, and a check in the amount of \$1289.33 was presented at an assembly on March 29th to the Rigdon and Velasquez families who both have children with Down Syndrome. All proceeds will be donated to the Dallas Guild.

We are so proud of Olivia and her friends for taking such an active role in "Making A Difference" in this world!

Thank you to the students and families who gave from their heart, thank you to the GHS Cheerleaders for coming and celebrating with the GES Tigers, and thank you to the Rigdon and Velasquez families for coming to our assembly to accept the check for the Dallas Guild.

2nd Grade Donates Tube Socks

Thank you to our 2nd Grade who celebrated TWOSday on 02-22-22! by doing a service project for the local homeless shelter in Denison in honor of TWOSday. Each class was asked to donate TUBE socks and they really stepped up to the challenge! We were able to donate **95** pairs of socks!!!

Gunter Middle School SNEAK PEEK

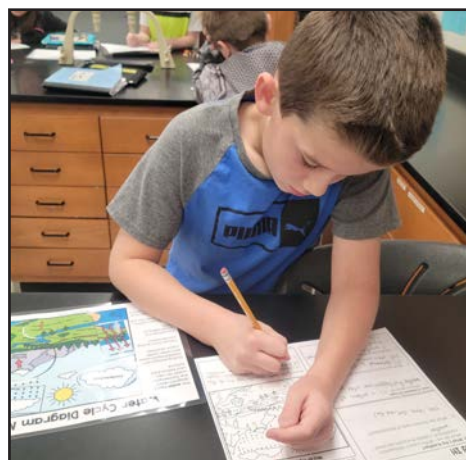

Mrs. Loewen's GMS class is showing off their bird feeder prototypes they built after their science lesson "How could you get more birds to visit a bird feeder?" After discussing what their bird feeder needed, they had to draw their ideas for a bird feeder with these questions in mind: Where will the food be? Where will the birds stand? And What will keep the birds safe from cats?

Why Do Things Go Viral?

In Mrs. Lemberg's 7th Grade ELAR class, the students read an article titled "Why Do Things go Viral?" by MacKenzie Carro. They discussed the psychological science and technology behind what makes some things catch on in social media. Anything that evokes strong emotions is shared as well as posts that make a person feel "in the know". The students also learned about how algorithms are created and how they contribute to posts going viral.

In this "technology age" it is important for students to understand apps and how they might influence us. This type of knowledge will help them to be more informed and make better decisions.

What is the difference between weather and climate and the water cycle? These 5th graders in Mrs. Bon's class can tell you! We found them working extra hard on this assignment!

World Down Syndrome Day

The perfect time to honor one of our favorite Tigers!

Learning the Body Systems

Mrs. Gitten's A&P students learned about the various body systems in their dissection unit. In this picture, they were learning about the fat layer and then proceeded to work their way through to the muscles to identify the four superficial chest muscles and abdominal muscles. Who knows? We may spark a few medical careers with this lesson!

Academic UIL

by Cynthia Foster, Program Sponsor

Academic UIL was held Wednesday, March 23 in Bonham. Just in case you didn't know that we have an Academic team, let me tell you, WE DO! These students represent us in academic contests against other schools in our division. If a student or team advances to the State level, they become eligible for scholarships. Many colleges and universities like seeing that a student was on the academic team.

It is required to have a minimum of three or four on a team to qualify as a team. However, if there are not enough to make a team, a student may go as an individual and place that way.

All contest exams are timed, and have very strict rules.

We had three teams representing Gunter in the Mathematics division: Number Sense, Calculator Applications, and Mathematics. All of these are quite challenging!

The Calculator Applications is a thirty-minute contest comprised of 70 mathematical problems that are solved with a handheld calculator. There are 35 numerical: (21 stated and 14 geometry questions). Our team had four team members with two alternates. The team was represented by Viviana Galvan, Kamber Puebla, Drew Smith, and Kiana Swinfen. The alternates were Hayley Hegeman and Jackson Rue.

The Mathematics contest consists of a 40-minute, multiple-choice exam with 60 questions designed to test the knowledge and understanding in Algebra I, Geometry, Algebra II, Pre-Calculus, AP Calculus (BC) and AP Statistics. Our team was represented by Alexis Marks, Kendel Marks, Dylan March and Drew Smith. The alternate was Kiana Swinfen.

The Number Sense contest involves a ten-minute, 80 question mental math test covering all high school mathematics courses. Short cuts need to be developed and practiced in order to compete and finish the test. No calculators or writing problems are allowed, you may only use your brain. Skipping a problem or getting an answer wrong is a deduction in points. Our team was represented by Landon Langley, Dylan Marsh, Kamber Puebla, and Jacson Rue. Alternates were Hayley Hegeman and Drew Smith.

The Copy-Editing contest contains three sections that must be completed in 15 minutes total: Part 1 – Each contestant selects the correct answer from the choices given – 20 questions. Part 2 – Each contestant identifies four errors in each of the five sentences. This year we were represented by two individuals: Alexis Marks and Kendel Marks.

The Ready Writing test is a long contest. Contestants are given two hours to write expository compositions. They have a choice between two prompts, each an excerpt from literature publications (both past and present) or speeches. This year we were represented by Christi Grayard.

The Spelling and Vocabulary contest consists of three parts. Part I: a 15-minute section of 30 multiple-choice items focused on vocabulary and proofreading. Part II & III: the hand-written spelling of 70 words pronounced aloud to the contestant, as well as a tiebreak section of 20 additional pronounced words. The words all come from a list provided by UIL. We were represented by Drew Smith.

2022 Gunter Academic UIL Accomplishments:

Calculator Applications

Team - 2nd place *Alternate to Regional Competition
Individual - Kamber Puebla (Junior) - 5th Place

Mathematics

Dylan Marsh (Junior) - 6th Place

Spelling and Vocabulary

Drew Smith (Junior) - 4th Place *Alternate to Regional Competition

Copy Editing

Alexis Marks (Junior) - 1st Place
Kendel Marks (Junior) - 3rd Place

***They will both be representing Gunter at the Regional Competition to be held in Tyler, Texas on Saturday, April 23rd.**

We are very proud of all the students who chose to participate in Academic UIL to specifically challenge themselves in their knowledge and understanding of a subject.

If you are interested in participating in Academic UIL next year, please see Mrs. Foster. There are many contests one may participate in. Please see <https://www.uiltexas.org/academics/academic-contests> for a list of academic contests. Who knows, one may be easy for you and just might take you to a State competition!

Choir Visits California

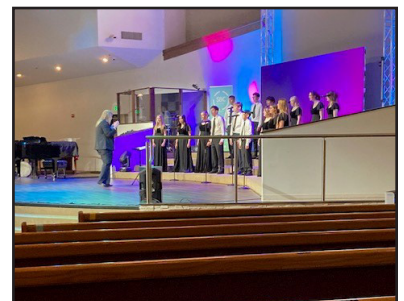

by Christi Grayard (GHS Freshman)

Over Spring Break, Ms. Deibert took Chamber Choir and Tech Theater on a trip to California. We flew from Love Field to LAX and went directly to a masterclass with Dr. Palkki from California State University. After the masterclass we went to Joe's Crab Shack for lunch and then went shopping at the Outlets at Orange before checking into our hotel. For dinner we went to Medieval times and enjoyed a wonderful meal and show. After dinner we went for a swim in the hotel pool and relaxed from a busy day.

The next day (Friday) we departed for the performance venue and competed, and after an exhilarating performance we made our way to Bubba Gump's Shrimp Co. (which was based off of the movie, "Forrest Gump") for lunch. After lunch, we went to Knott's Berry Farm and enjoyed our dinner there along with numerous rides. Upon our arrival at the hotel the group enjoyed downtime, which was spent swimming.

On our last full day in California, we spent the day at Disneyland and Downtown Disney. In the evening we went to Fantasyland Theater for our awards ceremony. The GHS Chamber Choir received a First Place Gold Award, which is the highest award given in our division. Upon our arrival back to our hotel we started packing for our very early journey the next morning back to Texas.

After a minimal amount of sleep from the night before we departed our hotel and made our way to LAX for our flight back to Dallas. It was a very busy, but very rewarding trip for all of us!
