

ELECTRONIC NOTIFICATION

I agree that Elmwood Murdock Public Schools, or its authorized vendor(s), may call me at the telephone number or numbers I provided the school, including any wireless/cell numbers I provided, regarding any school district information or messages and any individual student information and that such calls may be made using an automatic telephone dialing system and may be voice calls or text messages or may be delivered by artificial or prerecorded voice message.

It is the parent's responsibility to notify the school when a phone number or email address has changed. Parents may call the school to be removed from the automated phone messaging system.
