MEMORANDUM OF AGREEMENT BETWEEN MARION COUNTY BOARD OF EDUCATION AND BAYLOR UNIVERSITY

41-249

THIS AGREEMENT (the "Agreement") by and between Marion County Board of Education ("the Agency") and Baylor University ("the University") shall become effective as of July 1, 2023 ("the Effective Date"). The Agency and the University may be referenced together herein as each the "Party" or collectively as the "Parties".

WHEREAS, the Baylor University Department of Communication Science and Disorders through its graduate division requires the use of field instruction experiences under appropriate guidance and supervision for students in the majors and minors associated with these divisions (hereafter referred to as "CSD Degree Programs"), as these clinical practice experiences are essential for further student development in order to develop the necessary effective skills, clinical judgment, and a sense of professional responsibility for students in the CSD Degree Programs, and

WHEREAS, the Agency offers suitable field instruction facilities and conditions which meet criteria established by the regulatory agencies, including the American Speech-Language-Hearing Association, overseeing communication science and disorder programs for agencies affiliating with such CSD Programs and by the University, and

WHEREAS, it is recognized that a cooperative relationship between a service institution and an educational institution can be mutually beneficial in providing uniquely advantageous educational experiences,

BE IT UNDERSTOOD AND AGREED that Agency and University desire to enter into an agreement whereby students in the University CSD Programs shall receive field experiences in practicum courses at the Agency. This Agreement shall be governed by the following conditions:

I. UNIVERSITY RESPONSIBILITIES:

- A. Provision of Foundational Curriculum. The University shall assume full responsibility for planning, execution, and determining the adequacy of the education phase of the CSD Degree Programs, including curriculum, administration, faculty appointments, and matters which normally are reserved as University function, such as granting degrees and advising students. However, recommendations and suggestions may be solicited from the Agency's staff in making significant revisions. The University shall provide the Agency with copies of current course outlines, course objectives, the curriculum philosophy, and a list of faculty and their qualifications, certifications, or licensures when requested.
- B. University Accreditation. As required by Agency, the University represents that it is and, for the term of this Agreement, will be (a) approved by the Texas Higher Education Coordinating Board and (b) accredited by the Southern Association of Colleges and Schools Commission on Colleges, recognized by Council for Higher Education Accreditation or the U.S. Department of Education. The University will provide Agency with copies of all accreditations upon request. In the event accreditation is lost, suspended, or otherwise restricted, the University shall notify

- Agency, in writing, within three (3) business days. Agency may, at its sole discretion, suspend or terminate this Agreement if the University fails to maintain its accreditation.
- C. Selection of Students. The University shall recommend for placement in the on-site education experience program of the Agency only those students who have earned a satisfactory record and have met the minimum requirements of the prerequisite didactic portion established by the University CSD Degree Programs within the Department of Communication Sciences and Disorders. The University shall assist the site with selection of students to the Agency with the student's knowledge and consent. The University agrees that this document does not limit the Agency to accepting only students from this University into the on-site education program.
- D. University Liaison; Communications. The University will designate a faculty or other professional staff member to coordinate and act as its liaison to the Agency. The individualized assignments to be undertaken by the students participating in the practical learning and clinical experience will be mutually arranged by the liaison based on the objectives of the practicum and available learning opportunities, and a regular exchange of information will be maintained by on-site visits when practical, and by letter or telephone in other instances. The University shall notify the Agency in writing of any change or proposed change of the person(s) responsible for coordinating clinical placements with the Agency. The University will provide the Agency with the following written information two weeks prior to the start of each clinical experience: (i) names of students and responsible faculty; (ii) any necessary registration numbers of faculty; (iii) documentation of professional liability insurance for students and faculty; (iv) other appropriate information as requested.

- F. Visitation of University Campus. The University shall extend the authorized representatives of the Agency an open invitation to visit the CSD Degree Programs within the Department of Communication Sciences and Disorders at the University and consult with faculty and students in the program.
- G. University Attestation. Upon request of the Agency, the University shall provide evidence of the following:
 - 1) That each student has met all health requirements of the Agency, which may include, but are not limited to, CPR certification, proof of absence of TB, hepatitis B vaccination, Tdap vaccination, annual flu vaccination, and Occupational Safety and Health Administration's ("OSHA") compliance for prevention of transmission of blood borne pathogens and TB and general HIPAA training. Agency may update these requirements upon written notice to University. Any student not meeting applicable requirements shall not be eligible to participate in a clinical rotation.
 - 2) That where required by and acceptable to the Agency, a criminal background check and a drug screen have been completed as to each placed student prior to participation in the practical learning and clinical educational experience. Any student not meeting applicable requirements shall not be eligible to participate in a clinical rotation.

- H. Required Training. University shall require that all faculty and students who may be at risk for occupational exposure to blood or other potentially infectious materials be:

The Agency shall notify the University in writing of any change or proposed change of the person(s) responsible for coordinating the practical learning and clinical educational experience. The Agency also agrees to provide the University all information reasonably requested concerning a student's educational experience performance, including the nature of the experiences each student receives and a written summary report.

B. Compliance with Privacy Laws/Confidential Information.

- 1) HIPAA. The Agency and University jointly agree that Agency is a covered entity for purposes of the Health Insurance Portability and Accountability Act (HIPAA) and subject to 45 CFR Parts 160 and 164 ("the HIPAA Privacy Regulation"). To the extent that students are participating in a clinical/non-clinical experience at Agency such students shall:

No services are being provided to Agency by University pursuant to this Agreement and therefore this Agreement does not create a "business associate" relationship as that term is defined in 45 CFR §160.103.

- 2) FERPA. Both Parties shall comply with the applicable provisions of the Family Educational Rights and Privacy Act of 1974, 20 USC 1232 (g), otherwise known as FERPA or the Buckley Amendment, and shall take all measures necessary to ensure the confidentiality of any and all information in their possession regarding the University's students who train at the Agency pursuant to this agreement, as well as any and all information regarding any Agency students. Both Parties agree to limit the use of such information only for the purpose for which they obtained such information.
- 3) Other Confidential Information. The Parties understand and agree that in connection with this Agreement, each Party may acquire competitively sensitive information which is neither known to nor ascertainable by persons not engaged with the other Party, and which may cause each Party to suffer competitively or economically if such information becomes known to persons outside of that Party. - C. Removal of Students. Both Parties agree that either the University or the Agency relieve a student of any specific assignment or may drop a student enrolled in the program if, in the opinion of either party, the student is not making satisfactory progress in the program. Any student who does not satisfactorily complete the program or any portion thereof may repeat the course at the same Agency only with the written approval of both the Agency and the University. Both Parties also agree Agency may reserve the right to reasonably discipline any student who fails to comply with Agency policies and procedures. Discipline may result from conduct, work, or health status that materially interferes with the Agency's ability to care for students or impairs the student from benefiting from the clinical experience. If Agency, in its sole discretion, determines that the student's acts or omissions are unsatisfactory for (1) non-adherence to the following: (i) dress code, (ii) behavior standards; (iii) administrative and medical policies; (iv) maintenance of professional liability insurance; or (2) cannot provide safe care due to physical or mental illness, the student will immediately cease the clinical experience at the Agency, and the Agency will notify University's liaison of such discipline or removal.

No employee or agent of one Party shall in any way be considered an employee or agent of the other Party. This Agreement does not contemplate the payment of a fee or remuneration by either Party to the other either before, during, or after the completion of the educational experience. The University acknowledges and shall require student to also acknowledge that student is not entitled to nor promised in any manner an employment position at Agency after completion of the educational experience. This provision shall not be deemed to prohibit the employment of a student or faculty member of the University by the Agency under a separate employment agreement or prohibit the employment of an employee of the Agency by the University under a separate employment agreement.

The University shall maintain for itself and provide to students or require that students obtain and maintain appropriate professional liability insurance coverage in the amounts of at least \$1,000,000 per occurrence and \$3,000,000 in the aggregate, with insurance carriers approved by Agency. - E. No legal liability on the part of the Department for the payment of any money shall arise until such appropriations have been provided by USDA;

W-3 Transmittal of Wage and Tax Statements

5055

Department of the Treasur, Internal Revenue Service

Send this entire page with the entire Copy A page of Form(s) W-2 to the Social Security Administration (SSA). Photocopies are not acceptable. Do not send Form W-3 if you filed electronically with the SSA. Do not send any payment (cash, checks, money orders, etc.) with Forms W-2 and W-3.

Reminder

Separate instructions. See the 2022 General Instructions for Forms W-2 and W-3 for information on completing this form. Do not file Form W-3 for Form(s) W-2 that were submitted electronically to the SSA.

Purpose of Form

Complete a Form W-3 transmittal only when filing paper Copy A of Form(s) W-2, Wage and Tax Statement. Don't file Form W-3 alone. All paper forms must comply with IRS standards and be machine readable. Photocopies are not acceptable. Use a Form W-3 even if only one paper Form W-2 is being filed. Make sure both the Form W-3 and Form(s) W-2 show the correct tax year and employer identification number (EIN). Make a copy of this form and keep it with Copy D (For Employer) of Form(s) W-2 for your records. The IRS recommends retaining copies of these forms for 4 years.

E-Filing

The SSA strongly suggests employers report Form W-3 and Forms W-2 Copy A electronically instead of on paper. The SSA provides two free e-filing options on its Business Services Online (BSO) website.

- W-2 Online. Use fill-in forms to create, save, print, and submit up to 50 Forms W-2 at a time to the SSA.
- File Upload. Upload wage files to the SSA you have created using payroll or tax software that formats the files according to the SSA's Specifications for Filing Forms W-2 Electronically (EFW2).

W-2 Online fill-in forms or file uploads will be on time if submitted by January 31, 2023. For more information, go to www.SSA.gov/bso. First-time filers, select "Register"; returning filers, select "Log In."

When To File Paper Forms

Mail Form W-3 with Copy A of Form(s) W-2 by January 31, 2023.

Where To File Paper Forms

Send this entire page with the entire Copy A page of Form(s) W-2 to:

Social Security Administration Direct Operations Center Wilkes-Barre, PA 18769-0001

Note: If you use "Certified Mail" to file, change the ZIP code to "18769-0002." If you use an IRS-approved private delivery service, add "ATTN: W-2 Process, 1150 E. Mountain Dr." to the address and change the ZIP code to "18702-7997." See Pub. 15 (Circular E), Employer's Tax Guide, for a list of IRS-approved private delivery services.

Hello!

My name is Jen Soltys, and I am the youth pastor at Trinity Church in Whitehall. Amber Fancher, who with her husband leads our kids department (k-6th grade) gave me you as a connection for transportation for our summer camp. I lead our youth department (7th-12th grades) and we also send our students to the same summer camp in Gore, VA that Amber sends the kids ministry. They schedule the camps at different times, based on grades. Our students will be going to camp June 26-30. Would it be possible to rent a bus to transport our students (7th-12th grades) to the camp on Monday and then pick them up on Friday. The dates would be Monday, June 26th (the day to take them to camp) and Friday, June 30th (the day to pick them up from camp). We have a total of 30 students that will need transportation.

If you are able to do that, please let me know what I would need to do next. Thank you so much for your consideration!
