ACADEMIC ELIGIBILITY

The purpose of the Waverly Activities Academic Participation Policy is to help provide awareness for kids and open the communication barrier between students and teachers in regards to their academic standing. It strives to teach the students self-advocacy and understand how this and communication can help them socially as young adults.

NSAA Eligibility:

Basic academic eligibility standards are set by the NSAA for varsity eligibility. A student/athlete must pass 20 credit hours the preceding semester to be eligible for varsity competition. Failure to do so would make you ineligible the following semester.

Additionally, Waverly High/Middle School students who are involved in any extra-curricular activity must meet the following academic standards to participate (activity meetings, special events, theater shows or competitions) in any activity recognized by Waverly High/Middle School.

School District #145 Eligibility:

Academic eligibility grade checks will follow the Waverly High/Middle School Powerschool Grade Update Schedule. This schedule can be found at [2023-2024 WHS PowerSchool Update Schedule](#)

A student becomes academically ineligible if they have 2 or more D's OR is failing 1 or more classes on the two-week pulled grade report.

If a student receives a RED CARD, they are ineligible to participate, effective immediately, in club meetings and special club events, theater shows, competitions (including Marching Band), athletic contests, field trips and other special events determined by administration. If applicable, the student is expected to attend practice sessions.

Once ineligibility has been determined, students will not be permitted to travel with teams or organizations to events and/or contests until the activities office has cleared them. There is no appeal process for a student who is academically ineligible.

It is the responsibility of the student to pick up their red card, communicate with the teacher(s) to develop a plan to bring their grade up, follow through with those plans, acquire the necessary signatures from teachers, and hand their red cards back into the activities office. Students MUST have their red card signed by ALL teachers where they obtain 2 or more D's or 1 or more F's.

Coaches and sponsors are expected to follow these guidelines; however, they may be more restrictive. Students will be required to follow their sponsor's or team's rules and may face consequences for failing to do so.

In addition, the District generally follows NSAA guidelines and eligibility criteria for all lower level activities including middle school.

The following steps are taken for Academic Eligibility Participation:

1. Grade reports will be run on the morning of the scheduled date. The dates can be found on our district website, under Waverly High School and the Counseling tab; [2023-2024 Powerschool Update Schedule](#) . A spreadsheet of ineligible students will be populated and shared with teachers and sponsors. If a student has two D's and/or one F in a course, that student qualifies for a Red Card.
 2. On the same day grades are pulled, students and parents will be notified via email of ineligibility.
 3. Students will also receive an office pass the day grades are pulled to have them pick up their red cards and be notified of when ineligibility becomes effective. This pass will allow them to, when excused by the teacher, report to the office to physically pick up their printed red card. Students are also encouraged to pick them up in between classes, at lunch, or after school. Red cards will list all grades and give instructions on which grades need to be cleared and by which teacher(s).
 4. The student will then need to communicate with specific teacher(s) regarding their grade and develop a plan for the grade to improve. If the teacher(s) and student agree to the plan of action, the teacher can sign the red card indicating the student has fulfilled their academic responsibilities.
 - a. **NOTE – the student grade does not have to change before they become eligible. As long as they have a plan in place to help their grade and the teacher/student feel good about the plan, the student should receive a signature pending other circumstances.**
 - b. This has been an excellent communication step for students and developing self-advocacy. However, they will need to make sure they follow through with their plan.
 5. Once each teacher(s) have signed the students red card, they must physically turn in the signed red card to the Activities Office to become eligible to participate.
 6. The Activities office will notify specific coaches and sponsors when each student is cleared to participate.
 - They have two weeks to get their grades up and become eligible before the next grade checks are pulled
 - Students have up until the event begins or the buses leave to hand in their red card to become eligible.
 - Special circumstances do present themselves when teachers or students are absent. The high school administration will meet with those students when that time comes.
- If a Head Coach or Sponsor chooses to have a policy that is more stringent than the above, the policy needs to be submitted to the Activities Director, in writing, for review before the season starts. Once the Activities Director approves it, the Head Sponsor and their assistants will communicate these expectations to the students and their parents.

AFTER HOURS

- After Hours sessions take place after school and are scheduled. Students can be assigned After Hours for a number of interventions including: missing work, retaking tests and quizzes or disciplinary behavior. Students assigned an After Hours session must report to the appropriate area after school. Sessions will last two hours. Students do have the option of leaving when they are finished with all of their work if the classroom teacher has advised the After Hours supervisor.
- Students assigned After Hours are expected to report to After Hours before attending any after school event/practice.
- Students who fail to report for an After Hours session or exhibit inappropriate behavior will be out-of-school suspended and be expected to complete another After Hours session.

ACTIVITIES CODE

School District #145 activities program is before the public eye throughout the school year. The activities program functions on an extracurricular basis; therefore, student participation is completely voluntary. **All activity participants will begin their official seasons with the first practice date of the fall NSAA (Nebraska School Activities Association) calendar (Monday, August 7, 2023). All consequences for all activity participants begin with this date for the 2023-2024 school year.**

People judge the school system by the way participants in the various activities conduct themselves. It is imperative that quality standards of conduct, dress, grooming and training are established as part of the activities program.

The administration and coaching staff of School District #145 feel that it is very important that our teams/groups are portrayed in a positive way, and will work to promote an image that is highly regarded and respected. To produce these ideals, the following guidelines and standards are in effect:

1. **Dress** - Individual coaches and sponsors may request certain dress on days of events and trips.
2. **Grooming** - The participants should be neat and clean in appearance. Hair should be of such length that it does not create a health or safety problem.
3. **Training** - Participants are to demonstrate acceptable standards of conduct and training at all times. These standards of conduct and training shall be maintained in season as well as throughout the school calendar year. Under activities training rules, the standards of conduct prohibit **AT ALL TIMES**, the possession, procurement, use or distribution of alcohol, drugs, tobacco (smoking or chewing) look-alike drugs, look-alike tobacco, look-alike alcoholic beverages, behavior-affecting substances and/or drug paraphernalia.
4. **Attendance** - A participant must be in attendance at school for one-half of the day immediately prior to the scheduled event in which he/she is to participate, practice, perform or compete. **Example: On a normal school day, the student would need to be in attendance by 12:00pm.** **NOTE:** Exceptions may be made by school administration in the case of emergency scheduled professional appointments (medical/dental) or other unforeseen circumstances.
5. **Enforcement** - Any student who is in violation of School District #145 Drug, Alcohol and Tobacco standards of conduct will have further sanctions placed against them under the Waverly Public School Activities Code if they participate in extracurricular activities, including sports, clubs, contests, performances, homecoming, prom, dances, and any other school sponsored events.

CONDUCT: Expectations/Procedures/Violations:

As representatives of School District #145, participants are expected to conduct themselves in a manner which exemplifies good sportsmanship and good citizenship at home and away contests, in-season and off-season, and while either on or off campus. Activity participants should note that a Violation of the Activities Code can occur through **improper actions and/or activities related to poor conduct choices**. School District #145 administration in conjunction with the head coach/sponsor will address these violations on an independent basis, will weigh the severity and repetitiveness of poor conduct choices, and will place sanctions after completing their investigation on all conduct violations. Penalties, consequences and ineligibility time frames will be enforced at the completion of each violation after all information is investigated and processed.

Due Process procedures outlined in the Student Handbook will be followed.

Nothing in this handbook preempts or overrides a coach's decision on playing time decisions. Each coach maintains the discretion to manage and direct the participation (or lack thereof) of each team member during practices and competitions.

ACTIVITIES AND SOCIAL EVENTS

A student organization desiring to sponsor an activity (such as a money raising project, a student dance, an assembly, spirit week, etc.) must submit a request for an approval from the activity director at least TWO WEEKS IN ADVANCE of the desired starting time for the activity. The application must also be signed by the organization sponsor before it is submitted.

The activity is not to begin (other than advance planning) until the APPROVAL FORM is returned to the sponsor by the activities director. Only those approved events will be allowed at school.

Activities and social events usually require the expenditure of class or organization funds. Payment from an organization account in the Activity Fund must be requested on an ACTIVITY ACCOUNT EXPENSE CLAIM and should be supported by a purchase order, invoice, sales ticket, itemized receipt etc. Students who charge purchases outside of Waverly for

their organizations are to have a signed PURCHASE ORDER at the time they make the purchase.

Social events are to be scheduled through the activity director's office. The conduct and appearance of the students attending these events are the responsibility of the sponsoring organization.

High school dances will be held during the school year. The sponsors of the dance will indicate which grades are invited and if outside dates will be allowed. School District #145 students desiring to bring outside dates to school dances must submit the names of their date(s) to the office. The school reserves the right to deny any person entrance to the dance. The names of outside dates must be submitted before the end of the school day (3:40 p.m.) at least one day prior to the event. Students leaving a school dance may not re-enter the dance.

Social events are to be scheduled through the Activity Director's office. The conduct and appearance of the students attending these events are the responsibility of the sponsoring student group. Three major dances will be held during the school year. They include:

Homecoming Dance
Snowball Dance
Junior-Senior Prom

Other all-school dances may be held during the school year. These are open only to District 145 students and their dates. School dances are specifically for grades 9-12 unless otherwise indicated.

ACTIVITIES ON WEDNESDAY & SUNDAY'S

No NSAA sanctioned activity may be scheduled on Sunday. In addition to this, the school wishes to work cooperatively with the churches in the community. Thus, there will be no regularly scheduled activities on Wednesday evenings or on Sundays. Exceptions that can be justified must be requested through the principal's office. See Board Policy 5034 for further information. www.district145.org > District > Board of Education > Board of Education Policies

One of the missions of the district is to provide a physically safe and emotionally secure environment for all students and staff. Positive behaviors (cooperation, teamwork, understanding, and acceptance of others) are to be encouraged in the educational program and are required of all staff. Inappropriate behaviors (bullying, intimidation, and harassment) are to be identified and students and staff are required to avoid such behaviors. Strategies and practices are to be implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.

ATHLETIC TRAINING

Mission

Waverly High School Athletic Trainer provides care under the supervision of a physician. Waverly High School Athletic Trainer's mission is to prevent, evaluate, treat, and rehabilitate injuries and illnesses of student-athletes in the most effective manner available, within the athletic training room or referring to other health care professionals.

Philosophy

Waverly High School Athletic Trainer's philosophy is to provide safe and effective healthcare to each Waverly High school student-athlete.

Athletic Training Staff & Physicians

- Cassie Metzner - Athletic Trainer; cassie.metzner@district145.org (402) 245-0156
- Lincoln Orthopedic Center Team Orthopedic Physicians (402) 436-2000

Athletic Training Room Guidelines:

1. No profanity.
2. No self-treatment.
3. Do not remove anything from the athletic training room without asking permission.
4. Be clean before entering the athletic training room for treatment.
5. T-shirt and shorts must be worn for treatment.
6. No shoes on tables.

Injury Protocol:

In order for Waverly High School to provide your student with proper athletic related medical care, we request any injuries (fractures, concussions, etc.), including those on and off the field, during school, or unrelated to school, be communicated

to WHS health staff. It is imperative that students notify the athletic trainer promptly when injury is suspected or known. The athletic trainer can assist in seeking proper medical care for student injuries. In the event of an emergency, appropriate emergency medical personnel should be contacted. WHS requires written documentation from a licensed medical provider when the student requires medical care outside of the athletic training room. The athletic trainer will be involved in the decision-making process when determining a student's return to WHS practice or competition.

Concussion and brain injury information will be provided on an annual basis to students and the students' parents or guardians. The information provided to students and the students' parents or guardians shall include, but need not be limited to: a. the signs and symptoms of a concussion; b. the risks posed by sustaining a concussion; and c. the actions a student should take in response to sustaining a concussion, including the notification of his or her coaches. A student who participates on a school athletic team shall be removed from a practice or game when it is reasonably suspected that he or she has sustained a concussion or brain injury. The student shall not resume participation in the sport or activity until it is deemed appropriate by school officials. "Return to Play" and "Return to Learn" protocols will be followed as specified in District #145 Policy 5065.

Parents/Guardians are encouraged to review all policies and procedures regarding Athletic Training Services. The full manual can be obtained from the district website under Waverly High School/WHS Activities.

ATTENDANCE

Attendance at Practice and Contests:

A participant must be in attendance at school for one-half of the day immediately prior to the scheduled event in which he/she is to participate, practice, perform or compete. **Example: On a normal school day (including Wednesday late starts), the student would need to be in attendance by 12:00pm.** NOTE: Exceptions may be made by school administration in the case of emergency scheduled professional appointments (medical/dental) or other unforeseen circumstances.

Unexcused Absences:

Participants are expected to be at all scheduled practices. Should an individual not be able to attend a practice, he/she must contact the sponsor in advance. Exception: when the individual is absent from school, he/she does not need to notify the sponsor; however, most sponsors appreciate knowing the reason for the absence from school. Participants are always expected to be on time for all practices, contests, and departures for contests. Should a practice or contest be missed without being excused in advance, he/she may be required to make up this time. Should a second practice or contest be missed without being excused in advance, he/she may be withheld from the next contest in which he/she is scheduled to take part. A third missed practice or contest without being excused in advance may result in being dismissed from the activity for the remainder of the season.

Excused Absences: All practices are important, not only to the individual, but to the group as a whole. In some cases, where an individual must miss practice when he/she is excused in advance, he/she may be required to also spend some extra time before or after a regular practice to make up for the practice time lost.

CHEMICAL PROCEDURE

Philosophy and Purpose:

Health problems of youth are primarily the responsibility of the home and the community. However, schools share in that responsibility because chemical problems often interfere with school behavior, student learning, and the continual development of each student. To share this responsibility, the schools nurture successful interpersonal relationships and promote skills in decision-making, problem solving, and physical ability, while providing for student academic growth.

In spite of such efforts, we understand that a student may become involved with certain chemicals, creating pain for the student and others. Therefore, a program of education and support encouraging a chemical-free lifestyle is offered, and rules and consequences for using chemicals are strictly enforced.

These guidelines are designed for participants and spectators for school activities, and are separate from disciplinary action taken for the regular school academic program.

Specific Rule:

During the school year a student shall not, regardless of quantity, use or consume, have in possession, buy, sell, transfer or give away any tobacco product including electronic nicotine (or look alike), controlled substance (or look alike), beverage containing alcohol, or illegal substance.

1. The rule applies to the entire school year and any school sponsored activity which occurs prior to or after that year.
2. It is not a violation for a student to be in possession of and to use a controlled substance specifically prescribed for the student by his or her doctor.
3. Consequences shall be accumulative grades 9 – 12, and will be considered for each student's entire school career if applicable.

CONSEQUENCES FOR VIOLATIONS OF RULE

After confirmation of the violation, in addition to established state statutes and local school policies, the student shall be suspended from participation and attending all school activities, which includes any school related activities in which the student is not a direct participant of, for a specified number of calendar days starting from the date of confirmation.

Students Under Suspension

Students who are in In-School Suspension or Out-of-School Suspension will not be permitted to practice or compete until the student is off suspension and back in the regular school setting.

Minimum consequences for violations are as follows: (All timelines are determined by calendar days rather than school days.)

First Violation: Tobacco product, including electronic nicotine, drug paraphernalia (or look alike), --seven (7) days suspension; Controlled substance (or look alike), or alcohol--fourteen (14) days suspension; illegal substance (or look alike), --twenty-one (21) days suspension. In addition, the student may be required to complete an educational program endorsed by the school prior to reinstatement in school activities. The school may require the student to participate in a professional evaluation.

Second Violation: Tobacco product, including electronic nicotine, drug paraphernalia (or look alike), --fourteen (14) days suspension or subsequent violation for tobacco products; Controlled substance (or look alike), or alcohol—twenty-eight (28) days suspension; Illegal substance (or look alike), --forty-two (42) days suspension. In addition, the student will be required to show evidence in writing that he or she has sought and received counseling from a professional individual, i.e., school alcohol/drug counselor, psychiatrist, psychologist. The school may require the student to participate in a professional evaluation.

Third Violation or Subsequent Violation: Tobacco product, including electronic nicotine, controlled substance, alcohol, drug paraphernalia, illegal substance, or any look alike, sixty (60) days suspension. In addition, the student will be required to participate in a professional evaluation for chemical dependency. If the student becomes a participant in a chemical dependency program the student may be reinstated in school activities upon completion of the program. Verification of completion of the chemical dependency treatment program must be provided in writing by the director or counselor of the dependency center prior to reinstatement of the student.

*Sponsors are expected to follow these guidelines; however, they may be more restrictive in accordance with announced rules and regulations.

Self-Reporting of Violations

Students are reminded and encouraged to self-report any violation that is applicable to the Activities Handbook. The benefit to the students is immediate onset of their consequence timeline. As a learned behavior, this is a positive step by the activity participant. Students will be recognized by both their coaches and school administration for their admittance of an infraction and their acceptance of their consequences.

COLLEGE ATHLETIC ELIGIBILITY

NCAA

The National Collegiate Athletic Association (NCAA) has established guidelines that Division I and II member schools must follow before awarding scholarships and granting eligibility to high school students who wish to compete as freshmen on college athletic teams after completion of high school.

NCAA Division I & Division II Athletes

Student athletes who wish to participate in NCAA Division I or Division II sports during the college year following high school graduation- MUST BE CERTIFIED by the NCAA Initial-Eligibility Clearinghouse, which will analyze your academic information to determine if you meet NCAA initial eligibility requirements. The three steps for being certified are clearly explained in a booklet entitled "Making Sure You Are Eligible to Participate in College Sports." Obtain a copy of this booklet (available on-line) early in the first semester of your senior year. Don't delay this process--if you are uncertain about participation in Division I or II it is best to complete this process anyway. This process does not bind you to participate, however, it is a necessary procedure should you elect to participate.

Failure to be certified may affect visitations to colleges regarding athletics, and college coaches may be reluctant to make commitments to athletes who have not completed the NCAA Initial-Eligibility certification. Students who have questions should see their counselor regarding items such as whether a college is a Division I or II institution in the sport in which they are interested. Students interested in participating in athletics at NCAA Division III colleges or NAIA institutions should obtain the appropriate athletic guidelines that pertain to them. Athletes or their parents are encouraged to obtain additional references pertaining to student athletes. The best single reference which may be available in limited quantities in the counseling office, or can be purchased is: NCAA Guide For the College Bound Student Athlete published by the NCAA, 6201 College Boulevard, Overland Park, Kansas 66211-2422. The phone number is (913) 339-1806.

You are encouraged to visit with your counselor or obtain the most recent NCAA booklet to review the policies, which will affect you. Those student athletes first entering collegiate institutions must follow NCAA Bylaw 14.3 requires that they:

- Graduate from high school
- Register online
- Meet eligibility standards specified at <https://web3.ncaa.org/ecwr3/>

NAIA

The National Association of Intercollegiate Athletics requires a participant in athletics during the first year in school to meet two of three basic education requirements:

- Attain a composite score of 18 on the ACT or 700 on the SAT, and/or have an overall high school grade point average of 2.000 on a scale of 4.000 and/or Graduate in the top half of his/her high school class.
- Students must now register with the NAIA at <http://www.playnaia.org>.

NJCAA

The National Junior College Athletic Association allows a student immediate eligibility if they:

- Are a high school graduate have received a high school equivalency test, such as a G.E.D. Non-high school graduates can establish eligibility by completing one term of college work, and passing 12 credits with a 1.75 grade point average or higher.

Information pertaining to NCAA and NAIA Student-Athlete Eligibility will be provided to students and parents at an October meeting. Students interested must sign up for this Academic Eligibility Meeting at their September Class Meeting.

COMMUNITY RELATIONS

Sportsmanship, Ethics, and Integrity: School Board Policy 1207

The Board of Education recognizes the value of extracurricular activities in the educational process and the values that students may develop when they have an opportunity to participate in organized activities outside of the traditional classroom.

Student participants and district appointed sponsors involved with school approved extracurricular activities are expected to demonstrate the same level of responsibility and behavior at practice, competitions, and extracurricular events as is expected in the classroom. School district representatives and students are responsible for maintaining sportsmanlike behavior, exhibiting ethical conduct, and demonstrating integrity. The Board of Education further encourages the development and promotion of sportsmanship, ethics, and integrity in all phases of the educational process as well as all segments of the community. This includes administrators, participants, adult supervisors, parents, fans, spirit groups, and support/booster groups.

Spectators are permitted to attend extracurricular activities only as guests of the school district and they must comply with the school district's expectations, rules and policies. Spectators are expected to display mature behavior and sportsmanship. The failure of spectators to do so is not only disruptive but also embarrassing to the students, the school district and the entire community.

Any spectator, who behaves in a manner that is not consistent with school district expectations and this policy, may be removed from the event by security personnel, school officials, or by the individual in charge of the event. In addition, the individual may be denied admittance to future school events or activities for a specified period of time. School officials shall send a notice of exclusion from future extracurricular activities to the spectator involved. Such notice is to be provided from the activities director and/or the respective building principal. Due process shall be provided in accordance with school district policies and shall include the opportunity for a hearing with school officials. In the event the spectator removed or denied future admittance is a student from a visiting school, an effort will be made to work with the administration of the visiting school with respect to future exclusion.

The district shall also have full authority to invoke penalties or pursue legal action as consistent with district rules, regulations, school board policies, and Nebraska and Federal laws.

To protect the rights of students to participate without fear of interference, and to permit the sponsors and officials of extracurricular activities to perform their duties without interference, the following provisions are in effect, but not limited to:

1. Abusive, verbal or physical conduct of spectators directed at participants, officials or sponsors of extracurricular activities or conduct that interferes with the administration of the extracurricular activity will not be tolerated.
2. The use of vulgar or obscene language directed at students, officials or sponsors participating in an extracurricular activity or at other spectators will not be tolerated.

Sponsors and officials will enforce the Spectator Code of Sportsmanship Behavior, Ethics, and Integrity.

1. Keep cheers positive. There should be no profanity or degrading language / gestures.
2. Avoid actions that offend visiting teams or individual players.
3. Show appreciation of good play by both teams.
4. Learn the rules of the game in order to be a better-informed spectator.
5. Treat all visiting teams in a manner in which you would expect to be treated.
6. Accept the judgment of coaches and officials.
7. Encourage other spectators to participate in the spirit of good sportsmanship.
8. Obey the instructions of school employees and officials supervising the extracurricular activity.

CONFLICT RESOLUTION FOR PARENTS

Sometimes the need to contact a coach occurs during the school year. The correct sequence to take is:

- Level 1:** Each head coach/sponsor will have a parent meeting during the pre-season to establish guidelines and expectations for their student-athletes, with parents invited to ask questions at this time.
- Level 2:** During the season, please contact your son/daughter's head coach/sponsor if you have question or concerns. Please wait 24 hours after a contest to contact your son/daughter's coach.
- Teachable Moment:** **Have your son/daughter visit with their head coach first. If we are preparing students for life's lessons, this is a critical piece of their education.**
- Level 3:** If you have contacted the head coach, and wish to also have the activities director involved, please contact the head coach, and request that the activity director is involved. (The head coach may also request that the activity director sit in on a parent meeting.)
- Level 4:** If you are interested, the building administrators are also available to sit in on a parent meeting if #1, #2, and #3 do not work out. The administration also has several parent communication meetings during the school year, and may be available either during or after one of those meetings.
- Level 5:** If the above are not satisfactory, please contact the activities director office, and contact will be made with the Superintendent of Schools if there are still concerns.
- NOTE:** If a parent meeting is necessary between the head coach/sponsor, and/or the activities director, or other school/district administration, the presence of your son/daughter may be required.

DRESSING ROOM POLICIES

All participants will be under the supervision of the sponsor in charge while dressing. An individual must respect the privacy of others, not linger in the dressing room, be rowdy, or endanger the safety of others. All cases of misconduct while dressing will be dealt with by the coach/sponsor in charge. All athletes are encouraged to lock their lockers at all times. Locks can be obtained from the activities desk. NO PERSONAL locks; ONLY school issued locks are to be used. Any personal locks used will be removed.

Coaches' offices, equipment rooms, and storage areas are off-limits to all students except those designated as assistants or managers or when supervised by a sponsor.

DUE PROCESS

Due process procedures regarding any of the rules, regulations, or guidelines will be followed if violations occur. Should a question arise regarding a rule or regulation of the Nebraska School Activities Association, procedures to be followed are listed in the NSAA Yearbook. See the activities director or assistant principal to review the NSAA Yearbook.

EQUIPMENT

Students will be responsible for equipment checked out to them and are required to pay the cost of replacement if it is not checked-in in reasonable condition at the end of the season or immediately if they should quit the activity. All collections for lost or damaged school property will be handled in the activity office. At no time should a student wear costumes/equipment checked out to him/her except for practices and contests or when authorized by the coach to do so. Any individual found to be wearing school equipment outside of the above-mentioned situations or possessing school equipment, can expect to be treated as possessing property not belonging to him or her.

FACILITY USAGE

- In season programs will have first priority when scheduling facility usage. The next priority will be programs in the next season (Example: during the fall season, winter programs will have second priority when scheduling facilities).
- Any group/team not affiliated with District 145 or the High School Activities programs will have to schedule any facility usage through the activities director.
- Outside organizations will be required to complete and submit an application for facility use in accordance of board policy (3080)
- Rental Fees for any facility use will follow what is outlined in board policy (3080)
- At no point will facilities be used for personal/private use.
- Facility Usage on Sundays will be prohibited unless approved by the activities director.

FOOTBALL HELMET PURCHASE PROCESS

School District #145 - Waverly provides safe equipment according to standards ascribed to by the National Federation of State High School Associations (NFHS). Equipment is checked, cleaned and otherwise reconditioned as is necessary, meeting the requirements set forth by the National Operating Committee on Standards for Athletic Equipment (NOCSAE). Waverly chooses to recondition football equipment each year after use.

Waverly equipment meets standards of shelf life set forth by the manufacturer. Helmets exceeding 10 years of life are automatically discarded, regardless of use. An independent vendor selected by the Waverly High School Activities Director reviews helmet conditions and provides recommendations to maintain NFHS quality standards.

Waverly provides up to date equipment in its inventory. The equipment provided for use may not be the brand or model preferred by the parent. The following option is available for a parent/guardian to select the football helmet for your child's exclusive use.

If a parent chooses to purchase a helmet for his/her student rather than accept what is issued by the school the following steps must take place:

1. The helmet(s) and required information must be presented to the Waverly High School Activities Office. Information includes the purchase receipts and the parent/guardian agreement form. **(SEE APPENDIX IV)**
2. The helmet must be accepted by the Board of Education as a donated item prior to being used by the student-athlete.
 - o Only brand new and unused helmets will be accepted as a donation to the Activities Department.
3. After the helmet has been accepted as a donation by the Board of Education, the helmet becomes the property of School District #145 - Waverly.
4. After approval, the helmet will be issued to the designated student-athlete through the equipment check-out process.
5. The manufacturer's identification number will be used to track the helmet.
6. In the event the donated helmet becomes damaged, cracked, or otherwise deemed not safe for use, it will be disposed in the manner prescribed by the athletic department.

A request must be submitted by July 1 for consideration at the August Board of Education Meeting in order for a helmet to be approved in time for the start of the fall season.

School District #145 – Waverly Board of Education meetings are held on the first Monday of each month.

At the conclusion of the student's participation, the helmet becomes part of the regular inventory of School District #145 - Waverly for the remaining life of the helmet. At the end of the helmet's useful life it will be destroyed.

Helmets not turned in at the end of the season will be treated in the same manner as any piece of school equipment or property. The student will be expected to pay the current replacement value for the unreturned item.

A helmet purchased by the parent/guardian for use by their child to play football will be allowed for use in School District #145's athletic programs only after following this process.

HAZING POLICY

Hazing or initiation by any school organizations, groups, clubs, teams or individuals are prohibited unless specifically approved by the administration. Anyone engaging in hazing or initiation behavior will be subject to disciplinary action up to and including expulsion.

Hazing is any activity by which a person intentionally or recklessly endangers the physical or mental health or safety of an individual for the purpose of initiation into, admission into, affiliation with, or continued membership with any school organization. Such hazing activity includes whipping, beating, branding, an act of sexual penetration, an exposure of the genitals of the body done with intent to affront or alarm any person, a lewd fondling or caressing of the body of another person, forced and prolonged calisthenics, prolonged exposure to the elements, forced consumption of any food, liquor, beverage, drug, or harmful substance not generally intended for human consumption, prolonged sleep deprivation, or any brutal treatment or the performance of any unlawful act which endangers the physical or mental health or safety of any person or the coercing of any such activity. Hazing by classes, clubs, athletic teams or other student organizations are prohibited. Hazing is prohibited even though the person who has been the subject of the hazing consents to the activity.

The Board of Education prohibits the organization of school-sponsored fraternities, sororities or secret organizations wherein membership is determined by members themselves rather than on the basis of free choice. The Board considers those organizations or memberships in those organizations detrimental to the good conduct and discipline of the school. Interference with the instructional program of the district by those groups will not be condoned, and no organizational activities are permitted under the sponsorship of the school district or its personnel.

In addition, the use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol, or any other attribute which indicates or implies membership or affiliation with such a group, may be considered disruptive of a positive learning environment.

It is unlawful for any person, whether a student of the District or not, to enter upon the school grounds or any school building for the purpose of rushing or soliciting, while there, any student to join any fraternity, society, or association organized outside of the schools. Any person who violates this restriction is subject to criminal prosecution and removal and exclusion from school grounds.

INSURANCE COVERAGE

School District #145 does not provide injury insurance for students who participate in athletics or other activities. However, the Nebraska School Activities Association does provide liability/lifetime medical catastrophic insurance. Each parent/guardian must return the parent/guardian consent form before the student athlete may participate. The consent form includes a section in which the parent confirms that his/her child is sufficiently covered by their own family insurance for injuries that occur while participating in extracurricular activities associated with District #145.

For those students who are not covered by insurance, there is a low-cost supplementary option made available for football coverage, school-time coverage, or year-round supplementary coverage. Application forms are available in the high school office.

LEVELS OF PARTICIPATION

Student athletes will participate at the level or levels appropriate for their own improvement and the improvement of the athletic program in which they are participating. Ninth graders may play at the varsity level if the coach, his/her parents, and the activities director agree that participation at that level is appropriate.

LOCKS

- All students involved in athletics and/or physical activity or classes are required to use a lock issued by the school.
- Athletic locks are checked out from the Activities Office.
- Athletic Lock ID's and combination codes are listed on Sport Cards.
- Coaches are required to record locker numbers on Sport Cards.
- Physical Education locks may be checked out from the Physical Education Teacher(s).
- A \$5 "Student Hold Fee" will be charged for any lost and/or damaged lock.

OUT OF SEASON WORKOUTS

- Coaches are encouraged to conduct off-season programs to promote increased athletic skills, however these programs are not to interfere with programs which are currently in-season. Nothing will ever be done by any coach or athlete to take away from the sport that is in-season. All coaches should encourage athletes to participate in sports/activities that are in-season.
- All off-season activities must be properly supervised at all times and follow all NSAA guidelines regarding the organized practice rule. Communication between coaches of Waverly High School athletic and activity programs is expected at all times.
- Pre-season/post-season conditioning programs and activities may not begin for the upcoming season until all in-season sports have held their first contests (Spring sports after the first of the year). As stated above, if there is a conflict regarding the use of facilities the in-season sport has precedence, then the pre-season sport, with the out-of-season sport having the last preference in use of facilities.

PARTICIPANT LIMITATIONS

At School District #145 it is hoped that everyone who chooses to participate in an activity will have the opportunity to do so. However, there may be times when there are a limited number of slots available, or when the number of individuals seeking to participate is so large that it restricts the sponsor from adequately developing each individual the proper skills and training necessary to develop to the utmost of his or her potential. At that time, the sponsor may find it necessary to limit the number on the team in the best interest of all concerned.

Cutting of an athlete will be done at the discretion of the coach in consultation with their staff and the activities director if necessary. Any athlete who gets cut from a team may, if he/she desires, try out for another sport during the same season or try out again the following year. Cuts in non-athletic activities will be at the discretion of the sponsor of that activity. Individuals may also be cut when they choose NOT to follow the rules in the Activities Guidelines Handbook or team/club regulations.

- For outdoor sports, it is the responsibility of Senior parent(s) representatives to hang posters and take them down throughout the season.

PROFANITY

- As a representative of any District #145 activity, it is expected students, parents, and staff are held with the utmost integrity. Profanity will not be tolerated at any point during a school activity. In the locker room, at practice, on the competition stage, or in the spectator viewing areas.
- Students and spectators may be warned if necessary. If the behavior continues it may result in a suspension or removal from his/her team/organization, or contest.

RECRUITING VISITS

Athletic Recruiters/Colleges will typically reach out to the head sponsor regarding a player. Whenever possible, the visit will need to be scheduled during a student's non-academic time (Before/After School, during lunch). However, it is recognized this is not always a possibility due to travel and other visits a recruiter might already have planned.

The head sponsor is expected to communicate with parents, as well as the activity director and activities assistant when they have been contacted by a recruiter who requests a visit. The head sponsor and activities director will collaboratively work to set a date and time for the student-athlete and recruiter to visit. Considerations for a visit will be as followed:

- Non-academic time (Before/After School, during lunch)
- During academic time will be determined by student's grades in each of his/her classes. Elective classes will be looked at first, followed by general ed. classes and, if necessary, AP or other college level classes.

SCHEDULING

All scheduling of activities, officials, and facilities will be handled through the activity director's office. No contests, scrimmages, practices or meetings will be held without proper clearance through the activity office.

www.easternmidconference.org contains all of the scheduled events at Waverly High School. This is the only calendar that is updated, verified, and recognized by the school. Please contact the Activities Director if you have any questions about an event that is scheduled or would like to schedule an event.

Conflicts in extracurricular activities: An individual student who attempts to participate in several extracurricular activities will, undoubtedly, be in a position of a conflict of obligations. The activity department recognizes that each student should have the opportunity for a broad range of experiences in the area of extracurricular activities, and to this end, will attempt to schedule events in a manner to minimize conflicts. Students have a responsibility to do everything they can to avoid continuous conflicts. This would include being cautious about belonging to too many activities where conflicts are bound to happen.

It also means notifying the faculty sponsors/coaches involved immediately when a conflict does arise. When a conflict arises the sponsors/coaches will work out a solution so the student does not feel caught in the middle. If a solution cannot be found, the activities director will make the decision based on all of the following:

- The relative importance of each event.
 - NSAA Sanctioned Event
 - Level of Placement (varsity, non-varsity)
 - District or state competition
- The importance of each event to the student.
- The relative contribution the student can make.
- How long each event has been scheduled.
- Talk with parents.

Once the decision has been made and the student has followed that decision, he/she will not be penalized in any way by the sponsor. If it becomes obvious that a student cannot fulfill the obligation of a school activity, he/she should withdraw from that activity without penalty.

Social media misconduct or violations of these rules or team expectations may result in discipline.

STUDENT PARTICIPATION

Each activity shall have written guidelines/standards for membership, participation and lettering (if applicable). These guidelines/standards will be subject to approval by the administration to assure compliance with District #145 and State of Nebraska policies. The guidelines/standards and other regulatory policies are available in the activity director's office for review.

Nebraska School Activities Association Rules: (NSAA)

- A. Waverly High School is a member of the NSAA and is subject to and governed in part by the rules and regulations for activities sponsored by that organization. These rules and regulations include but are not limited to such subjects as eligibility, entry fees, awards, seasons, practices, summer activities, out-of-state contests,

state-wide contests, Sunday contests, physical examinations, participation on non-high school teams in non-school competition, all-star events, amateur rules, assumed names, prohibited activities, playing rules, and equal opportunity for participation.

- B. Per NSAA Bylaw 3.1.1.2: If a student is participating in one sport during a sports season and decides to quit that sport and participate in another sport during the same season, the student shall be restricted from practice and competing for seven school days. No student who has practiced or competed in one sport will be allowed to switch to another sport if the district or state meet in the student's former sport is in progress or has been completed or a season has ended.

- E. Summary of NSAA Rules as to eligibility of Participants. [See Appendix II]

In order to maintain the integrity of the athletic program, those individuals who are dropped from an athletic team for disciplinary reasons or who quit on their own volition, will not be allowed to take part in any sport-specific activity conducted at District #145 facilities and under the supervision of his/her coach until the completion of the sport which he/she did not finish.

No student will ever use school facilities unless he/she is under the direct supervision of a coach or sponsor.

STUDENT RELEASE FROM CLASS

It is the fundamental policy of the Waverly School System to keep to the very minimum the number of times an athlete is given permission to leave class for activity and athletic participation. The time that athletes are to be dismissed for activity and athletic events will be decided by the activities director conferring with the building principal.

It is the expectation that the sponsor communicates to the attendance secretary at least one day in advance of the trip on which students will be attending. A secretary will cross-reference the travel manifest with the Google academic eligibility form. If a student's name has not been cleared academically, the sponsor/student will be notified and the student(s) will not be eligible to go until they have fulfilled their requirements with the teacher(s). Students will be notified of their academic status via email and personal pass if they are ineligible.

In addition, coaches/Sponsors will be responsible for checking the Google academic eligibility form. If a student's name is not cleared, the student(s) are in danger of not being released for any activity participation. If a student receives a Red Card, it is the students' responsibility to talk with the teacher and make arrangements to take care of their academic responsibilities. It is the teacher's responsibility to approve/deny the students' leave for the activity.

For all activities, student's will be released via intercom. Any students released/leaving class prior to any announcement by the office will be sent back to class and subject to disciplinary measures.
