## District Improvement Plan

### 2020-2021 Goals/Performance Objectives/Strategies

# Mission Statement

If it's good for the kids, it's our duty to make it happen.

## Vision

Eastland ISD Vision Statement

Eastland ISD is a premier learning center providing a nurturing, comprehensive educational environment utilizing state-of-the-art facilities that inspire community pride. Our exceptional, motivated staff, in partnership with parents and community promote opportunities for individuals to develop into critical thinkers, proficient writers, effective communicators and analytical problem solvers prepared for life as productive citizens.

## Core Beliefs

1. All children can learn, but all children do not learn in the same way.
2. All children learn best in a safe, nurturing, and stimulating environment.
3. All children learn best when they are active participants in the process.
4. All children have immeasurable, inherent worth and thrive on positive recognition.
5. All children should have access to excellent educational opportunities.
6. The education of all children is the responsibility of the family, school district, and community.
