

Howe Schools Photo Contest - Winners can get \$200.00

Yearbook Theme -

Howe Schools From Every Angle

In an effort to incorporate pictures of Howe School students, the yearbook is needing pictures from different angles. A photo contest is your way of being a part of this year's yearbook. Get your phones, cameras, or iPads out to create pictures from different angles. Practice "SAFETY FIRST" when taking photos. DO NOT put anyone at risk during the photo shoot. See the examples below of how different angles can create a totally different way of looking at a picture. The intent is to create a totally different picture when viewed from a different angle.

Rules:

You can enter as many times as you want.

The pictures must be school appropriate.

Every person in the picture must be from the same grade. The photographer does not have to be in the same grade.

By submitting your picture, you are allowing Howe Schools to publish your picture in the yearbook and you will not be receiving any residuals for your submitted picture other than a cash prize for the winners who are chosen.

The picture must be easily identifiable as being a picture created from a safe angle. If not, the picture is disqualified.

Pictures do not have to be rotated before submission. The picture can be rotated by the yearbook staff.

Prize money must be split evenly with everyone in the picture plus the photographer.

Winners will receive a total of \$200.00 for 1st place, \$100.00 for second place, and \$50.00 for third place.
