5.0 Opportunity for Public Comment

Dawn would like to know if there is going to be a replacement for the JH Athletic Director and Cheerleading Coach. Mr. Hobson is currently looking for a JH Athletic Director but is not re-opening the Cheerleading position at this time. Dawn would like to know about student class budgets and how the students will be able to obtain them. Mr. Hobson explained the outline of the high school schedule for the year; they are keeping the 10-minute morning homeroom in the schedule but adding in two days a week of advisor time. Students will have class councils again and will have a treasurer who will be able to obtain a class budget from the office. Dawn really enjoyed the high school tour showing the progression of the seismic construction and hopes there will be another to show the final project. Cow Creek Road was the site of a tragic car crash taking the lives of three local teens in August. Dawn would like to know if the school is considering bringing back the crash simulation at the high school level. Mr. Gianotti is very interested in bringing that back and will work with Mr. Hobson to get that scheduled. Mr. Gianotti is planning to be very pro-active in emergency planning this school year. Backpacks will need to stay in lockers this year.
