### Counselor's Corner

Mrs. Sandy Andaverde

A variety of financial aid sources are available to help you pay for college or career school. There are grants such as Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOG), Teacher Education Assistance for College and Higher Education (TEACH) Grants. Also, scholarships, work-study jobs, and loans. Scholarships are sometimes based on merit and/or areas of study. Work study allows you to earn money to pay for school by working part-time. A loan involves an application and paid back with interest. Here is a link for a video that you can watch for further explanation on types of financial aid <https://youtu.be/Pn4OECMTh5w>.

### Attendance Matters!

Goal: 95%. **Top Grade: 9<sup>th</sup> 92%. Avg: 89%**

Our average daily attendance fell to 89% for the 5<sup>th</sup> six weeks. The 9<sup>th</sup> grade remains the highest at 92%. Any student who does not meet the 90% attendance rule will not receive credit at the end of the semester. Students need to be in school on time, all day, and every day. New Attendance Contracts will be issued.
