If you are unable to come there will be a picture makeup day in September. ***Teachers will be in their classrooms from 4-6pm*** so feel free to stop by to meet your student's teacher and bring your school supplies. Complete class lists will be posted in the school's entrances and outside each classroom. Your child's teacher will be posted in your Skyward account shortly before Open House.

New Families Picnic: All new families will be invited to a picnic here at County Line on Wednesday, Aug. 23rd at 5:30pm. This get together is sponsored by PTA and is a great way to meet other County Line families! Stay tuned for more information from PTA.

Busing Information: Bus route information will be mailed by Riteway Bus Company just a few days before school starts. If you do not receive this information or have any questions, call Riteway at 262-677-3282. Also, please be patient with the bus company/drivers as it generally takes time for the routes/times to establish and become routine.

Special Transportation Request: If your child(ren) will be picked up or dropped off at a daycare center or a location that is different from your home address, you must fill out a [Special Transportation Request Form](#). The form is available in the online registration process and on the GSD website. Fill out the form and mail it, drop it off or fax it to school (262-253-3491) for approval. The bus company *will not* be able to transport a child to any address other than their home until the form has been **completed and approved**. Be sure to read the requirements found with the Special Transportation Request form. Note the School Board policy allows the bus company time to process. Requests that are not received by August 20th may not be honored on September 1st.

Hot Lunch: Our hot lunch program begins the first day of school. The menu will be available on the County Line website. If you have any questions please call [Food Service Department](#) at 262-253-3419. Families in need of assistance can fill out a waiver found on the GSD website.
