April 2022

Snook Elementary will have a number of events during the months of April and May including opportunities for guests to join us on campus.

Students meeting their Target 10 Goal will be celebrated at our annual Target 10 Celebration! Our 3rd—5th grade students took Mock STAAR 1 earlier this year. They will take Mock STAAR 2 on April 5, 6, & 7.

We have challenged our students to grow by 10% for Mock STAAR 2. This equates to mastering 3-5 additional questions on the next test.

Every student who grows by 10% or scores Meets or Masters will be invited to the Target 10 Ice Cream Party on April 14.

Walk-A-Thon Friday, April 22 come join your student by walking and earning a ticket for each lap walked. Prizes will be given throughout the day. Students may purchase bubbles of punch balloons to enjoy as the walk.

BHRC offers Burleson County residents a wide range of services. Contact Teresa Allen, School Counselor for more information.

CELEBRATE READING

Tuesday, April 12.

Snook students and staff will celebrate reading by having guest readers and sharing of favorite books. Guest readers could include parents, and or others sharing a book with a class. Guest may come on-campus or share a book virtually. Each grade level will also have special activities during the day.

STAAR Testing

Spring testing is just around the corner. We certainly want our students to show what they know and perform to the best of their abilities, and we have complete confidence in their growth. Ensure your child eats a good breakfast before testing. Students have breakfast and lunch available each school day at no cost. Please make every attempt to have your child arrive on time, avoid scheduling doctor's appointments on these testing days, or picking your child up early on testing days. Please note the important dates below:
