

**KENT CITY SCHOOLS
2022 SUMMER SCHOOL PROGRAM**

ONLINE REGISTRATION ONLY

Visit www.kentschools.net/summerschool

Registration begins Monday, April 4th

Deadline is Tuesday, June 7 at 11:59 p.m.

The following is a description of the **2022 Summer School Program**. All courses require payment of a tuition fee, and all work satisfactorily completed and certified will receive official school credit. Students from Kent and neighboring communities may register. Financial assistance is available to those who qualify through Portage County Job and Family Services. Please see the "TUITION" box below for more information.

PURPOSE: One of the purposes of Summer School is to provide an opportunity for students to repeat or review a subject in which their achievement has been unsatisfactory. Before a student residing outside the Kent City Schools District can enroll for credit, a letter of approval from the student's high school must be received on or before Friday, June 3, 2022, by Anne Prusak, Summer School Coordinator.

Summer School also provides an opportunity for students to do **advanced** work. Before a student residing outside the Kent City Schools District can enroll for advanced credit, a letter must be received on or before Friday, June 3, 2022, by Anne Prusak, Summer School Coordinator, indicating that the student's previous achievement has been high enough to warrant advanced study.

GRADE LEVELS: 9 through 12.

LOCATION: STANTON MIDDLE SCHOOL

On June 8th, students will meet in the Stanton Middle School Media Center at 8:30 a.m.

As part of the new Graduation requirements, students must take seven end-of-course exams. The courses in **bold** have exams that contribute to eligibility for graduation. Students completing one of these courses are encouraged to take the EOC exams during the summer. Additional information will be provided. Tutorials for the test can also be made available for interested students.

*It is strongly recommended that summer school Math be taken either for remediation or enrichment and not to meet prerequisites for subsequent courses.

We will be using the APEX online digital curriculum to better serve students, thus giving students a wider variety of course selection. Certified teachers work alongside students for assistance and support. Each student is required to **meet daily (see schedule) from 8:30 – 11:00 a.m. (Physical Education class meets from 8:30 - 11:30 a.m.)** with the teachers and **must also complete logged hours and assignments for the program outside of the classroom.** All assessments will be during the teacher contact time. Students are permitted to bring in their own laptop but must follow Computer Usage rules. **Teachers are available until 11:30 a.m. for additional help.**

For further information, please contact Anne Prusak, Summer School Coordinator, at 330-676-8711.
