Student Group Use of School Facilities

Secondary schools will provide an opportunity for student-initiated non-curricular groups to meet on school premises during non-instructional time when the following criteria have been met:

1. A meeting must be voluntary and student-initiated. No student shall be in any way coerced to participate in religious or other activity. Teachers and school administrators, when acting within the course and scope of their employment, will strictly observe a policy of official neutrality regarding religious activity.
2. No school employee may sponsor, promote, lead, or participate in any student-initiated, non-curricular meeting. However, a teacher, administrator, or other school employee may be assigned to monitor the group's facility use and student conduct.
3. Employees and agents of the school may be present at student-initiated religious meetings only in a non-participatory capacity.
4. The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school.
5. Nonschool persons may not direct, conduct, control, or regularly attend the meetings of a student-initiated, non-curricular group.
