

# CRAWFORD COUNTY ATHLETIC DEPARTMENT

## THIS WEEK AT A GLANCE – 4/4/22

Spring sports are underway! All sports are kicking off this week from Middle School up to High School. Please consider supporting our student-athletes in person at an event. Catch a night where we have multiple events!

The softball team started their first competition on Saturday and played two tough games against Providence and Charlestown. These early games against tough competition will help our girls for later in the season!

Improvements are underway at our Baseball / Softball / Track complex. Be on the lookout for an updated concession stand, updated scoreboards, and the old concession stand completely gone!

Springs Sports Apparel – Online Team Shop – Orders have arrived – They will be sent home this week.

Pocket schedules and athletic posters will be in this week – Please see a student-athlete for a schedule of their events. Schedules can also be found at our new and improved school website. Thanks to Coach Hayes for keeping this updated for us!
