

Algona VIPs Music Boosters (Vocal & Instrumental Promoters) 2023-2024 Membership Drive

The Algona VIPs Music Boosters Board of Directors are excited to launch our membership drive for the 2023-2024 school year and welcome and invite businesses and families in the community to pledge their support. We hope you will consider joining us as a Music Booster! Your support does make a difference to the students of our district.

We are proud of all the incredible young musicians in our school system as well as our dedicated instructors. We support these students through monetary commitments and volunteer efforts starting with Pre-K and continuing all the way to their completion of high school. With the help from donations of individuals and businesses like you, we are able to assist the programs in many ways with some examples from recent years listed below:

Middle School & High School Concert Uniform Contributions
Music Stands
Instruments for all buildings and programs
Choir Folders
Student Awards and Recognitions

Middle School & High School Solo Contest Accompanists
Cabinetry/Storage for Classrooms

Meals and Snacks during activities
