

Dear Parents/Guardians:

The Child Advocacy Center of Northeast Missouri will be presenting a Sexual Abuse Prevention program at your child’s school. This program is age appropriate. Students will gain an understanding of what sexual abuse is and ways to protect themselves in-person and online. The program encourages students to talk/report to a safe trusted adult if they witness or experience sexual abuse, and to utilize available resources for support. Missouri State Statute 170.045 requires school districts to provide this training each year to every student in grades 6<sup>th</sup> -12<sup>th</sup>.

We will be at Montgomery High School on May 12<sup>th</sup> and 13<sup>th</sup>. If you would like additional information, visit our website at [cacnemo.org/prevention/](http://cacnemo.org/prevention/).

If you have any questions or concerns, please contact the Prevention Education Specialist listed below or the Prevention Education Program Director. In the event that you would like to opt your child out of this program, please sign the bottom portion of this letter.

**\*\*Only return the letter if you DO NOT want your child to participate in the Sexual Abuse Prevention program\*\***

Sincerely,

Tom ‘Tip’ Matthews

Prevention Education Specialist
