LOVE

It's always there and always in the way. It makes you make decisions between one or the other.

It peeks out around the corner and jumps up on you from behind, and makes you the worlds happiest person and then it throws a broken heart at you, if you're ready or not. Sometimes your the one that receives the broken heart or your partner does.

Then it picks you up again and does it all over again and again till the right person comes along.

So be ready, because Love could be heading for your heart next.

JOKES!

Kids are so different.

Nowadays it's: Boy meets Girl, Boy loses Girl, Boy shrugs.

Q: Why did the class clown give Sue a dog biscuit?

A: He heard she was the teachers pet.

Q: Whats the smartest food in the market?

A: Grade "A" Eggs.

Teacher: Why does the Statue of Liberty stand in New York Harbor? Max: Because it can't sit down.

I know a bus driver whose favorite food is Jell-o. He loves to see something more nervous than he is.

OUR GYM FUND

We are still raising money for the gym. We already have \$30,149.60. We are collecting aluminum cans and Campbell labels. There will be a candy sale in February, and of course donations are always accepted.

Little Christmas

December 25 is Christmas Day. Have you ever thought about the less fortunate people? What I mean is, people that are out on the streets, and people who don't have any family to spend their Christmas holiday with.

I have often wondered if there is hope for them? I know there is, if people would just take time to help them.

Dedicated to the
Less Fortunate.
