

# DISTRICT NEWSLETTER

APRIL 2018

*Every Child.....Every Class.....Every Day*

MESSAGE FROM THE DISTRICT ADMINISTRATOR / JORDAN SINZ

## **Future Search – Envision Educational Excellence**

An invitation to the residents and stakeholders of the Wisconsin Heights School District.

We are very excited to be writing to you today to tell you about a community conversation we are having this April and are cordially inviting you to PARTICIPATE in our Future Search Event. Our board of education and administration is organizing this event to establish open lines of communication with the community as we collectively work to ensure our educational system is meeting the needs of our students.

The event is taking place at the middle/high school facility and is being held in the south gym. You can RSVP to Penny Hegyi by emailing [phegyi@wisheights.k12.wi.us](mailto:phegyi@wisheights.k12.wi.us) or by calling 608-767-2595 ext. 1001. Food and beverages will be provided for event attendees.

Dates and times are listed below:

April 19 (5:30 – 9:00 PM)

April 20 (5:30 – 9:00 PM)

April 21 (8:30 AM – 12:30 PM)

The community conversation will start by looking at our past and present history in education so that we can establish common ground themes and identify a focus for the future of our students. Our desired outcomes include, but are not limited to, things such as:

- identifying issues and trends that are impacting our Wisconsin Heights community
- identifying what our students need to be successful (college, community, career)
- providing an opportunity for individuals to participate in creating a community of dynamic learners
- strengthening the connection between the school district and the community
- identifying ways to foster communication with the larger community

***We will strive to actively engage our community to develop a clear, shared vision that will address the evolving needs of our students for a changing tomorrow.***

We are committed to developing the trust necessary to create a culture of high performance, and we are confident we can achieve our goals by engaging our community in the process. This community conversation will include representation from all stakeholders in worthwhile work that will make a difference in the future of our students and our community.

Our district is embracing the notion of open and positive lines of communication with all stakeholders. We are together on the journey of providing an educational experience that is of distinct quality. I implore our community to support each other in helpful ways that demonstrate the power of positive relationships! If you have any questions, feel free to contact me at 608-767-2595 (office), 608-370-3997 (cell) or [jsinz@wisheights.k12.wi.us](mailto:jsinz@wisheights.k12.wi.us).

## Elementary News

DALE GREEN, Mazomanie Principal

---

Each year in the spring, we begin the process of placing children into homerooms for the following school year. The goal of the process is developing balanced classes of children. Homerooms are created by keeping in mind each child's abilities and learning style, their emotional, social and physical needs, the dynamics among children and the number and gender in each homeroom. The process is a collaborative effort with staff to choose a good placement for all our students. While it is not always possible to accommodate all parents' input, if there is anything you would like us to consider in the placement process, please talk to your child's teacher or email Dale Green at [dgreen@wisheights.k12.wi.us](mailto:dgreen@wisheights.k12.wi.us) or Deb Winkler at [dwinkler@wisheights.k12.wi.us](mailto:dwinkler@wisheights.k12.wi.us). The final decision on class placement does reside with the school.

During Tornado and Severe Weather Awareness Week, April 9<sup>th</sup>-13<sup>st</sup>, we will be having our annual tornado drill. The statewide drills (Mock Tornado Warnings) are scheduled for Thursday, April 12<sup>th</sup>, at 1:00 p.m. and 6:45 p.m. This gives parents an opportunity to practice their safety procedures for severe weather at home with their families.

Looking even further ahead, our academic summer school program will be held June 18<sup>th</sup>-July 19<sup>th</sup>, Monday-Thursday. New for our Summer Program is an ON-LINE REGISTRATION process which opened on Monday, March 19<sup>th</sup> at 6:00 p.m. and will close on May 14<sup>th</sup> at 6:00 p.m. Summer Program courses will be open on a FIRST COME, FIRST SERVE basis, it is not too late to register but courses will fill up soon. Information has been sent home and is available on the district website.

### April Dates

12th State Wide Tornado Drill  
19th Little Caesar's Pizza Pick-up - Mazo - 1:30PM-5:00PM  
10th-20th Forward Exam Testing  
18th Early Release - 11:25AM  
27th Mazomanie Science Night - 5:30PM-7:30PM

Happy Spring!

## Library News

SANDY CHURCHILL, Library Media Specialist

---

Thank you to all who made purchases at our Spring Book Fair, both at Black Earth Elementary and online! Your continued support of our school libraries is appreciated!

Our makerspace in the HS LMC continues to grow with the addition of new electronics! A WH staff member has generously donated a Raspberry Pi and a Digital Sandbox mini computers plus a hi-def color monitor and several books for students to learn/practice coding. A full set of Legos Mindstorm (electronic Legos) is ready for students to use their creativity! We will continue to add to our makerspace, promoting creativity, collaboration, and higher-level thinking skills of our students.

The winners of this years Mazomanie Elementary Battle of the Books is.....the Unicorn Cupcakes! Team members were Mya Bobel, Matty Baars, and Raamiah Davis. Congratulations for reading all 20 books and answering the most questions correctly!

# Elementary News

DEB WINKLER, Black Earth Principal

---

We began the month by letting our parents know just how much their child has learned the first two trimesters of school at our Parent/Teacher Conferences. Many students even left the conferences with a brand new book from our Book Fair. On March 13th our 1st grade students showed off their singing and musical skills at their Music Concert. Later that same week the K-2 students enjoyed another musical theater presentation at the Overture Center called, "The Diary of a Worm, Spider, and a Fly." Our 4K-2 students were also stars themselves as they said, "Good Morning Black Earth and Mazomanie," as part of the NBC15 Morning Shout Out. The 4K and Kindergarten students' Shout Out aired on March 20th. The 1st grade students can be seen on April 4th and the 2nd grade students can be seen on April 10th at 4:45AM and 6:10AM on channel NBC15 or on the website: nbc15.com.

We finished off the month before heading off to Spring Break with our monthly PBIS Assembly. The theme for our assembly was bringing awareness to Autism. Before the assembly the students drew a picture of themselves or things that represent themselves onto a puzzle piece which they brought with them to the assembly. All the pieces will be put together and a giant puzzle will be created and displayed in the school to show how we are all different but also fit together as a whole. The students wore blue in honor of autism awareness and each received a blue autism awareness bracelet from the Autism Speaks organization. The students even created a giant light bulb in the gym to show how they "Light It Up Blue" for autism. We also celebrated the March GREATNESSES of **Flexibility** and **Forgiveness** as part of our assembly.

## April Elementary Events:

5th WHPTO Meeting, 6:30, BE LMC  
12:th 1st Grade Music Concert, 1:45, BE Gym  
17th 2nd Grade Geology Museum Field Trip  
18th Early Release at 11:25  
19th-21th: Future Search Conversations

My name is Scott Moore, and I am excited to be a part of the Wisconsin Heights School District as principal at Black Earth Elementary! I received my Bachelor's in Early Childhood Education from the University of Wisconsin-Stout in 2004, my Master's in Education from the University of Wisconsin-Stout in 2011, and my K-12 Principal License from Viterbo University in 2015. I was a Kindergarten teacher in Amery, Wisconsin for 11 years and have spent the last two years as an Elementary School Principal in Nevada.

I'm not sure who is more excited to start the 2018-2019 school year, my 5-year-old daughter Lilly, who will be in Kindergarten, or myself. My wife, Anne and I are looking forward to getting to know the community and becoming involved however we can. We can't wait to be back in Wisconsin again and make this our home.

Spring has arrived, families are enjoying more daylight and PTO is gearing up for the end of the year! We are busy planning and getting things ready for the Heights Hustle on Friday, May 4. Once again, we will be using the beautiful Wolf Run Trail to run this family fun event. We hope you can join us! As a reminder- the money raised from this event is placed into an account to help purchase large playground equipment that desperately needs to be replaced at our elementary schools. Thank you for continuing to support this great event! Also, in the month of April we will be planning our final event of the year- Fun Night at Black Earth Elementary School. The date for this event is Friday, June 1. We hope you can join us for our next meeting, Thursday, April 5, 6:30PM at Black Earth Elementary School! Enjoy the sunshine!

# Middle/High School News

CHRIS CONOHAN, Principal

---

Spring Break is right in front of us, and all of our middle school and high school Vanguard students and staff have earned a break. They've been working incredibly hard.

The middle school Student Council hosted a dance for all middle schoolers. Between music, games, and socializing, it was a fun time by all. Thanks to Melissa Schmitt, Dawn Schlick, and Jamie Van Den Bergh for chaperoning.

The sixth grade took on a project called Unsung Heroes. The goal of the project was to identify the unsung heroes in our building who help with learning each day, but they aren't as visible. This includes administrative assistants, custodians, nutritional services staff, educational assistants, and quite a few others who keep the building and students running smoothly so learning can occur every day. Thanks to Dawn Schlick and her sixth graders for their work on this project.

The middle school and high school choirs and bands, under the direction of Aniela Haas and Gina Ademino, provided a night of beautiful music. From the first concert to this Spring production, performers have delighted the audience with their musical talent. As music fans arrived, they were treated to the art of our amazingly talented student body. Art teacher, Natalie Goebel, assembled an impressive collection of a variety of art media. Student talents were on display in a number of ways that evening.

Recently, a collaborative effort of student leaders and staff made for a week of inclusion and student voice. The week featured an effort to meet new people and describe who we are as a student body. Students were able to answer prompting questions about what they like, worry about, and their feelings on school safety. Students voiced a number of important topics. As a school we're considering what steps to take with this information. The week concluded with a #StandByYou bracelet for every person in the building and a Wisconsin Heights Green Unity day. While the activities were for a week, we are hopeful conversations and the spirit of the week continue.

The Junior class took the ACT+Writing, which is a state-mandated assessment, and a crucial piece of data for many colleges when selecting applicants. 100% of our Junior class completed the assessment which consists of five exams and takes over half of the school day. The following day, the class took the ACT WorkKeys, which provides data to students about job skills they have and can grow. A big thank you goes out to Tammy Shaffer for work on this, along with Kurt Wong.

The second round of parent - teacher conferences were held. We encourage ongoing dialogue between home and school. It's a partnership. Please continue to be in contact with questions, updates, and check-ins.

Future Business Leaders of America (FBLA) hosted the American Red Cross for a blood drive. Our student leaders and advisor, Don Black, helped the Red Cross collect a significant amount of life-saving blood from our community. Thank you to everyone who was able to come to Wisconsin Heights to donate.

Actors and actresses performed two, wonderful versions of the play The Diviners. Director, Bruce Bradley, and crew created a thought-provoking depiction of a man struggling with his inner-compass, trying to help a young man, while a town in need seeks, and believes they've found, guidance. The cast was brilliant and performed a wonderful show.

Finally, it's exciting to announce two academic honors for our graduating Seniors. Congratulations go to Mackenzie Parrell and Anil Jergens! Mackenzie has earned the title of Valedictorian of the class of 2018. Anil is the class's Salutatorian. Mackenzie and Anil will speak at graduation, along with class president, Brooks Lueck. Congratulations to all.

It's a great time to be a Vanguard!

## Note from the Music Department

ANIELA HAAS & GINA ADEMINO

“It don’t mean a thing if it ain’t got that swing.” If you like Jazz artists like Duke Ellington, we hope you will join us for our annual “An Evening of Jazz” on Saturday, April 7<sup>th</sup>. It’s a fun night in support of the Music Department. (see insert)

Congratulations to our Music In Our Schools Month poster contest winners with the theme “Music Connects Us”:

7<sup>th</sup> Grade) 1<sup>st</sup>: Abigail Walz, 2<sup>nd</sup>: Haylei Roberson  
8<sup>th</sup> Grade) 1<sup>st</sup>: Mitchell Trager  
9<sup>th</sup> Grade) 1<sup>st</sup>: Cate Mitchell  
10<sup>th</sup> Grade) 1<sup>st</sup> (and overall contest winner): Riley Holcomb,  
2<sup>nd</sup>: Tanner Gee  
11<sup>th</sup> Grade) 1<sup>st</sup>: Jared Mickelson  
12<sup>th</sup> Grade) 1<sup>st</sup>: Brooks Lueck

### April Upcoming Events:

4/2-Music Boosters Meeting, 6:30 p.m. Band Ensemble Room  
4/4-Large Group Band Festival at Marshall H.S., 7-12 Bands participate (during school day)  
4/7-An Evening of Jazz, 6:00-8:00 p.m., WHMS/WHHS Cafeteria (see insert)  
4/13-Middle Level State Honors Band Auditions, Sun Prairie (select students)  
4/18-Large Group Choir Festival at Lodi HS, High School Choir (during school day)  
4/20-Exchange concert with Dodgeville M.S. (7<sup>th</sup>/8<sup>th</sup> Grade Band)  
    UW Varsity Band Concert, bus leaves at 5:45 p.m. (6-12 Bands/Choirs)  
4/28-State Solo & Ensemble at UW-Platteville (HS Band/Choir)  
    Good luck to all 19 events headed for State!

## Elementary Counseling Department

AUBRIE PREMO, Elementary Counselor

Welcome back from Spring break! I hope everyone had a chance to relax and spend some quality time with their families. The month of April brings classroom guidance to personal safety, and body changes. Our 4K-2 students at Black Earth will cover personal body safety during guidance class. We will discuss the difference between good and bad touches, who they should tell if they feel uncomfortable with touches, and their ability to say “No!” The second part of the month will be focused on healthy food choices. We will talk about the five food groups, fruits, vegetables, dairy, meat, and grains, and how each category provides our body with nutrients to grow and to be healthy. Talk with your student about the healthy food choices you make as a family at home!

Our 3-5 students at Mazomanie have been covering personal safety information. We have talked about the importance of knowing their information by memory if it was needed in an emergency situation. Please take this time to “quiz” your student on their address, phone number, birthdate and other important information. We will start the month with lessons on Human Growth and Development. Our school nurse, Mrs. Howe and myself will be covering hygiene with third grade students and promoting healthy habits for personal cleanliness and health. Fourth and fifth grade will cover puberty and personal body changes for both boys and girls. Look for handouts to be coming home to help guide your discussion on puberty with your students.

Happy Spring!

# Guidance Department

KURT WONG, Guidance Counselor

---

Congratulations to senior, Mackenzie Parrell, the Wisconsin Heights High School Class of 2018 Valedictorian and winner of the Wisconsin Academic Excellence Scholarship.

Wisconsin Heights High School is also proud to announce that Anil Jergens is the Salutatorian for the Class of 2017.

In addition Curtis Schmitt has won the Technical Excellence Scholarship given out by the State.

## **FOR SENIORS**

### **\*\*SAVE THE DATE\*\***

On Wednesday, May 23th, we will be hosting Scholarship Night for those seniors who will be receiving scholarships for further education. Scholarship recipients will be invited to this evening by formal invitation, which will be mailed out in mid-May.

Please check the binder in the guidance office for other scholarship opportunities. Currently we have a variety of random scholarships in the binder.

### **Scholarships Received from College or Other Outside Sources**

On Scholarship Evening, we would like to recognize students who have been awarded scholarships from the school they will be attending next year or from other outside sources. If you have received notification of a scholarship from a college or group not included in our WHEF and Other Local Scholarship Booklet, please see Ms. Shaffer for an Outside Scholarship Award form. All forms are due to the guidance department no later than Monday, May 7<sup>th</sup>.

### **Taking the ACT or SAT**

The ACT and the SAT are national tests which colleges use as part of the admission process. All of our juniors took the ACT with writing on February 27 and the results may be used for college admissions. Later tests will be offered outside the school in April, June, September, October and December. Many students will take a test more than once, in an effort to improve their score. Most schools in the Midwest prefer the ACT. However, you should check with any school you are considering applying to, to find out which they would like you to take and whether they require the writing portion of the test. All juniors interested in attending a four-year college or a UW system school should take one or the other. Students are encouraged to take the practice tests to familiarize themselves with the test (<http://www.act.org/content/dam/act/unsecured/documents/Preparing-for-the-ACT.pdf>) or (<http://knowhow2go.acenet.edu/>). Madison College (formerly known as MATC) does not require the ACT although it could be helpful when applying for certain programs.

Registration information for the ACT and SAT tests is available at [www.actstudent.org](http://www.actstudent.org) or [www.collegeboard.com](http://www.collegeboard.com).

NEW – FREE ACT and SAT test preparation materials are now available on-line to our students through this website <http://knowhow2go.acenet.edu/>. Students should contact Mr. Wong if they have any questions.

<b>ACT Test Dates:</b>		
<b>Test Date</b>	<b>Registration Deadline</b>	<b>(Late Fee Required)</b>
June 9, 2018	May 4, 2018	May 5-18, 2018

# Kindergarten & 6<sup>th</sup> Grade Required Immunizations

Immunization is the single most important way parents can protect their children against serious diseases.

- ☑ Help keep your child healthy and in school.
- ☑ Help protect the health of your community!

## Kindergarten Required Immunizations

**DTaP (4+ doses)** (Last dose on or after 4<sup>th</sup> birthday) Protects against diphtheria, tetanus, and pertussis.

- *Diphtheria* – a throat infection that can lead to breathing problems, paralysis, and death
- *Tetanus* – causes severe tightening of muscles, which can limit swallowing and breathing
- *Pertussis* – (whooping cough) a contagious disease and makes it hard to breathe

**IPV (3+ doses)** (last dose on or after the 4<sup>th</sup> birthday) Protects against poliovirus which can lead to paralysis and death

**MMR (2 doses)** Protects against measles, mumps, and rubella

- *Measles* – causes high fever and a rash; can lead to serious complications
- *Mumps* – causes fever, headache, and swelling under the jaw
- *Rubella* – causes fever, rash, and soreness or swelling of the joints.

**Hepatitis B (3+ doses)** Protects against Hepatitis B virus that can cause liver disease, including cancer

**Varicella (2 doses)** Protects against chicken pox that can cause fever and itchy rash. Can lead to skin infection, scars, and pneumonia.

## 6<sup>th</sup> Grade Required Immunizations

**TDaP (1 dose)** Given usually summer before 6<sup>th</sup> grade begins (10-11 years old)

## Other Recommended Vaccines

**Hepatitis A (2 doses)** Protects against Hepatitis A virus that can cause fever, nausea, and jaundice

**Influenza (1 dose annually)** Protects against flu that causes fever, tiredness, cough, and runny nose. Can lead to pneumonia.

**Meningococcal (2 doses)** Protects against Meningitis which can cause flu-like symptoms and inflammation of brain and spinal cord (11-12 years old with a booster at 16)

**HPV (2 doses)** Protects against Human Papillomavirus which can lead to cancer (11-12 years old)

# 8th Annual Plant Sale

**At the Wisconsin  
Heights High School**

**Saturday May 5th: 8a.m.—1p.m.**

**Sunday May 6th: 12 p.m.—2 p.m.**

**Saturday May 12th: 8a.m.—1p.m.**

**Sunday May 13th: 12p.m.-2 p.m.**

**Annuals - \$2 -\$3**

**Perennials - \$6**

**Vegetables & Herbs - \$2**

**Hanging Baskets, Planters,  
& Stepping Stones—\$15**

# JOIN US FOR THE 3<sup>RD</sup> ANNUAL HEIGHTS HUSTLE

5K RUN/WALK & 1 MILE KID'S RUN

FRIDAY, MAY 4, 2018

Sponsored by Wisconsin Heights PTO

## TIME:

T-shirt Pickup and Late Registration:  
5:00-5:50

Kids' 1-Mile Race starts: 6:00 pm  
5K to follow

## LOCATION:

Wolf Run Trail  
Race starts at Wisconsin Heights High School  
(back parking lot near the greenhouse)

## FEE:

\$10 per person (5th grade and under)  
\$20 per person (6th grade – adult)  
Fee includes a Heights Hustle T-shirt

## PURPOSE:
