

## SCHOOL BOARD WORK SESSIONS AND RETREATS

The Board, as a decision making body, is confronted with a continuing flow of problems, issues and needs which require action. While the Board is determined to expedite its business, it also is mindful of the importance of planning, brainstorming and thoughtful discussion without action. Therefore, from time to time the Board may schedule work/study sessions, which shall be open to the public, in order to provide its members and the executive staff with just such opportunities. Topics for discussion and study shall be announced publicly.
