

Safety Committee Meeting
May 28, 2015
3:30-4:30

1. Tegan, Teri, Mary, James and Dan have been elected to their positions by their constituents.
2. Others need to be elected for next year.
3. Hazard Forms are on the website. Fill out if you are aware of a hazard.
4. One Hazard Form has been filed. Mike Fuller will build a permanent fence this summer. Temporarily it has been screwed into the floor for now. It is safe.
5. Tegan will put the Accident Prevention Program on the website. Each one at the meeting today received a hard copy.
6. Chemical Use – Tegan will collect the lists of chemicals in the district
7. Safety Orientations – Each supervisor is responsible to review these with employees in their areas.
8. Restructuring – New employees need to be trained prior to working. Safety Committee is recommending that each new employee (even if it is only temporary) needs to have the same training as permanent employees.
9. First Aid kits and signs have been placed in every building.
10. We will try and use School Dude from now on instead of the Hazard Forms.
11. At the next meeting we will show everyone how to use School Dude.
12. Next meeting will be September 17, 2015 at 4:00 in the new high school office.

Members present:

Teri Retter - LRA

Tonya Henderson

Dan Uhlenkott

Tegan Steen

James Doty

Mary Burnett
