Through the American Rescue Plan Act Elementary and Secondary School Emergency Relief Fund (ARP ESSER), Pennsylvania is receiving more than \$5 billion in non-recurring federal emergency aid to assist schools and students. While the ARP Act allocates 90 percent of this funding directly to school districts and charter schools via the Title I-A formula. The Department of Education (PDE) is awarding the majority of the remaining funds—roughly \$135 million—to an array of school entities, including entities not otherwise eligible to receive ARP Act funding. 2.5% or 43.5 million was set aside for CTE in Pa, while NTCC allocation is set at \$369,905

We ask for your support in the previously discussed projects.

- HVAC Demo of wall to increase lab space.
- Outdoor welding addition to increase lab space for fabrication projects
- Removal of carpet areas within the Center and replace with plank flooring to remedy molds associated with indoor air quality.
- Creation of outdoor learning space—outside café/classroom area.
