

Greeting parents/guardians

Thank you for participating in the PSAT 8/9 on Monday, April 18th.

Please have your student here by 7am and have them report to the big gym for check in. If you are arriving by bus you can enter through the East athletic door entrance. If you are arriving by car then you can enter through the West athletic entrance.

The PSAT 8/9 is approximately 3 hours long plus there will be some preadministration questions they will need to fill out. Needless to say, it will be a very long day. Please get a good amount of sleep, and eat breakfast. The exam should be done at approximately 11:50pm. BOS/ECA students can go home or if they are taking the bus they can go to the cafeteria the remainder of the day. In-person students will go to a "4th lunch period", an abbreviated 5th hour and then 6th hour.

Important things to know for the day.

1. Backpacks and cell phones will not be permitted in the gym. We will be collecting all cell phones prior to letting them into the testing area.
2. Students can bring a water bottle but must be set on the floor.
3. We encourage students to bring snacks that fit in their pockets. We will also have some snacks for them during their breaks.
4. ALL students must fill out the health questionnaire [Covid Questionnaire Link](#)
5. If your student isn't feeling well please have them stay home.
6. Students will be sitting at their own 6' table, so the spacing will be appropriate.
7. We encourage students to bring their own calculator and #2 pencils. We will have some here as well.

Please do your best on this test as the results are treated very seriously and will be used to guide your future.

Sincerely, Mr. Sweets
