Class of 2024 Parents and Guardians,

We hope you are doing well. We have a lot of exciting things happening at School Lane for Sophomores and we would like to update you!

1. It is time for students to select their courses for Junior year! Students have a lot of choices and opportunities as Juniors. Junior year, students will be able to choose if they would like to be Full DP students or if they would like to take a couple DP Classes. We want to give students plenty of time to review their course options. Yesterday in advisory, students met with Mrs. Chiba to review their transcript, credits earned toward graduation, and options for Junior year.

   After spring break students will sit with Mrs. Chiba individually to enter their course requests. At the end of the year, students will meet with Mrs. Chiba to resolve any course conflicts and to receive their schedule. The following resources are available to students in their Class of 2024 Schoology page to help them with the course selection process.
