

Class of 2025 Parents and Guardians,

We hope you are doing well. Spring is a busy time for 9<sup>th</sup> Graders and we would like to update you on all that will be going on.

1. It is time for students to select their courses for Sophomore year! We want to give students plenty of time to review their course options. On April 21, in advisory, students will meet with Mrs. Chiba to review credits and their course options for Sophomore through Senior year. Mrs. Chiba will meet with students individually to enter their course requests. At the end of the year, students will meet with Mrs. Chiba to resolve any course conflicts and to receive their schedule.

The following resources are available to students in their Class of 2025 Schoology page to help them with the course selection process.

Graduation Course Plan:

2. Keystone exams will begin this May for every student currently enrolled in Algebra 1 and Biology. More details will be sent home soon.
  - Algebra 1 dates: May 16 & 17
  - Biology dates: May 24 & 25
3. Mrs. Schade and Mrs. Hewitt will be holding a SLCS family information night concerning the Diploma Program for students interested in being a Full DP student or taking DP courses.
  - When: Monday April 19, 2022 @ 6:30pm
  - Where: 3350 Tillman Drive

Thank you!

Lauren Chiba

9<sup>th</sup> and 10<sup>th</sup> Grade Counselor
