## **Program Overview**

The Westampton Township Public School District is offering the community of Westampton a full -day collaborative preschool program and pre-kindergarten program serving all 3-5 year old children.

To be eligible for the Preschool Program children must be three years old by October 1, 2022. This is a developmentally oriented program based on noted preschool curricula, as well as New Jersey Core standards for preschool. The class will consist of typically developing children and children with developmental challenges learning together in the same environment.

The program will incorporate activities within the classroom based on the children's individual learning styles. Our goal is to provide an enriched preschool environment that meets the social, emotional, physical and cognitive needs of all students.

## **Program Design**

The Preschool Program structure is similar to a typical preschool experience, as the teaching of developmentally appropriate skill areas is embedded throughout the school day. Skills will be developed in the following areas:

- *Perceptual Motor* – Blocks and puzzles
- *Social and Language Development* – Dramatic Play (i.e. –kitchen and dress up)
- *Language and Emergent Literacy* – Writing/Alphabet Center/Library/Listening/Story Center
- *Sensory Experiences* – Sand/Water Table
- *Creative Representation* – Art Center
- *Mathematic Skills* – Manipulative Center

## **Program Advantages**

The classroom will be staffed with highly-qualified teachers and instructional assistants.

The integrated preschool design offers children the opportunity to learn and play with age appropriate peers with and without developmental challenges. While teachers focus on individual student goals, the classroom environment will assist in developing a culture of respect and an acceptance of others' differences.

## **Enrollment Guidelines**

Typically developing students will be accepted into the program and will be charged tuition. Children ages 3-5 will be accepted on a first-come first-served basis until the classes are full, at which time the children will be placed on a waiting list. Tuition for the 2022-2023 school year will be \$5,000.00, payable in ten installments. Children must be residents of Westampton, three years old by October 1, 2022, toilet trained, have a current physical and all required immunizations.
