Student & Family Update

ATTENDANCE AUTOMATED CONTACT STARTING APRIL 11TH

Previously, the office staff members have attempted to make successful contact with a parent/guardian when the attendance office had not received proper notification that a student would be absent. Beginning on 4/11/22, Metuchen High School will be piloting the use of an automated process to contact parents. Now, the parent/guardian will receive contact via text, email, and phone call if they have not contacted the school to indicate that the student will be absent, with the gentle reminder to contact the school with the reason for the student's absence.

Please be sure to check the phone numbers you have listed in Genesis for Guardian 1 and Guardian 2, as these will be the numbers that will be used. Remember: you have the ability to revise your contact information, when necessary.

We will be monitoring and reviewing the system over the next few weeks to determine how to make appropriate adjustments. Thank you, in advance, for your patience and cooperation.
