A Year of Promise

Rudyard High School 1976-77 . . . a year of uncertainty about the future of Kincheloe A.F.B. and Rudyard High School but also a year to strive for the best of which we are capable no matter what the future might bring.

Rudyard High School 1976-77 . . . a year of promise and fulfillment. Prospects of new faces and exciting journeys into the future with old friends and new. A year of fun and excitement, a year to remember.

Uniquely Ours

Northern Michigan is one of the most beautiful and versatile areas in the world. Frozen white winters create grandeur. The first breaths of spring take us quickly into beautiful summers, and fall colors create a picturesque views to be unequalled.

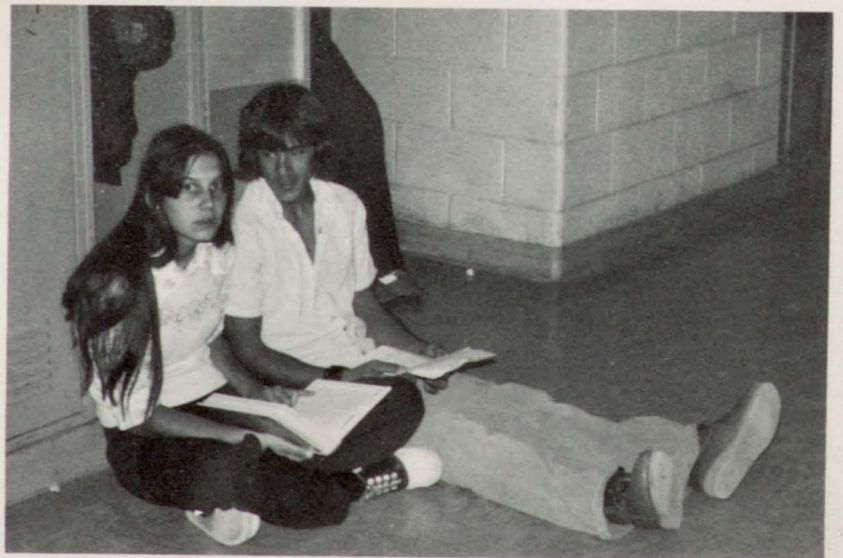

The Eastern Upper Peninsula is unique in that it is connected to the rest of Michigan by the soaring Mackinac Bridge, while the International Bridge links the area with Canada. These two spans are truly bridges of beauty, taking the traveler to a special area of the United States in any season.

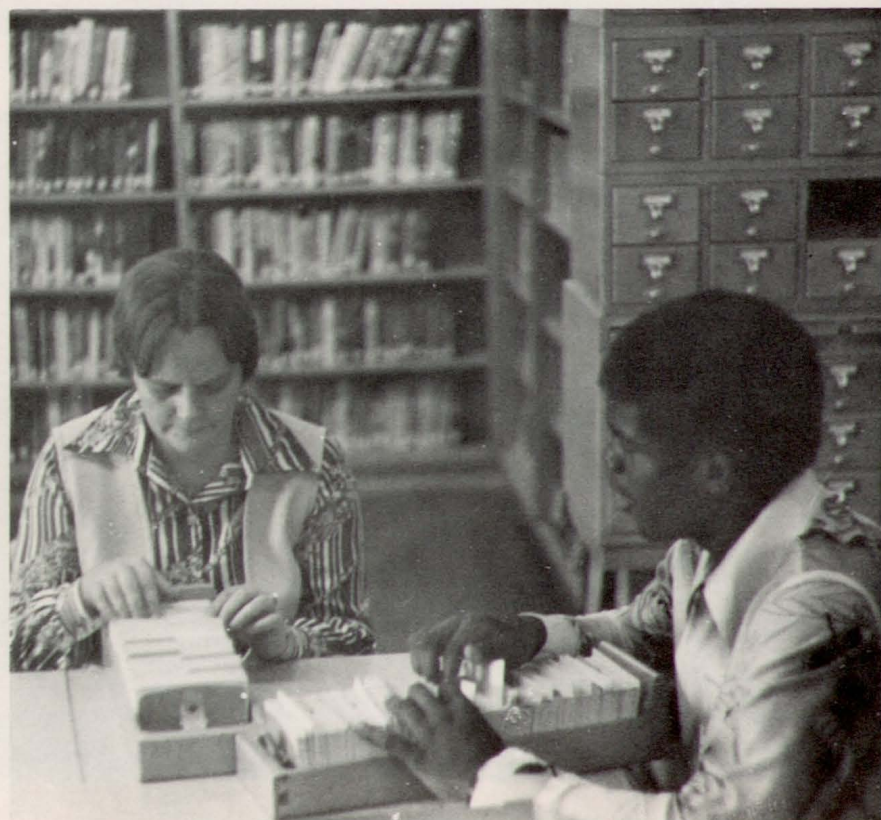

Together We Grow

The daily interaction of students leads to hopes and dreams upon which they can build a future. Individual smiles and tears are all a unique part of life. We must learn to help one another and share not only the joys, but the tragedies. But above all else, our mutual understanding and communication creates an atmosphere of pride in our home, our school, and ourselves.

Together We Grow . . .

. . . And Strive for Unity

UNDERCLASSEN

1-9-8-0 We're the Class of '80?!

Learning, hard work, new experiences and fun is what the first year in High School means to the Freshmen. The first major step that the Freshmen took in getting involved in school activities after being oriented to high school life was the creation of their float and their participation in Spirit Week. Helping the school as a whole was another experience the Freshmen worked hard at, but most of all they worked for a close and unified class.

Juniors . . . Hard Workers

The RHS junior class had a lot of work to accomplish this year, and they did it. The major task was the prom and the raising of money for it. The Juniors had several money making projects, such as selling candy bars and having bake sales, but they did get a successful prom. The Junior class worked very hard to become a close class. Homecoming really showed the 'ole Junior spirit when everyone got together and worked hard. The Juniors also put on a movie which was very successful. But to achieve what the Juniors did, took the whole class, not just one or two.

Junior Class officers display one of their money-making projects: Vice-president, Margaret Selden; secretary, Tynne Piippo; treasurer, Deb Solesby; president, Dan Quenneville.

Arts Ensemble is a select group of singers who auditioned for their positions earlier in the year. They took a 4 day trip to various parts of Michigan and sold candy bars to pay for this tour.

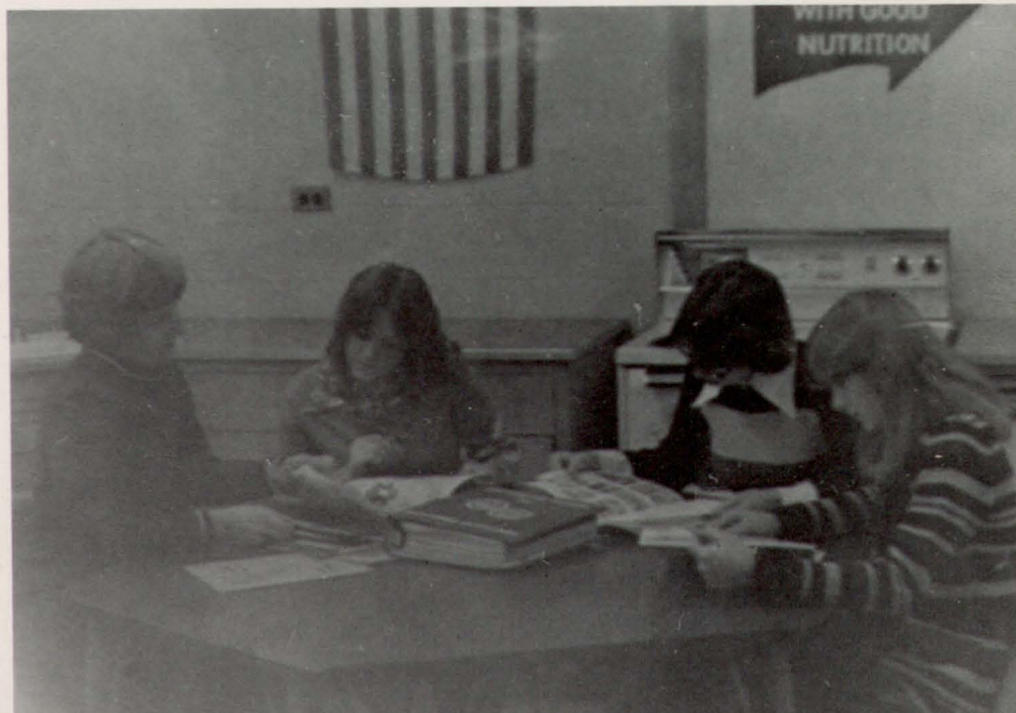

Young Women Unite

The Future Homemakers of America began the year by attending a regional workshop held at Cedar Campus, Cedarville. They also attended the regional meeting, which was held in Pickford this year, where three Rudyard members were elected to regional offices. The rest of the year was spent planning for state meeting and making money through such projects as a caramel apple sale and bake sales.

FFA Keeps Working

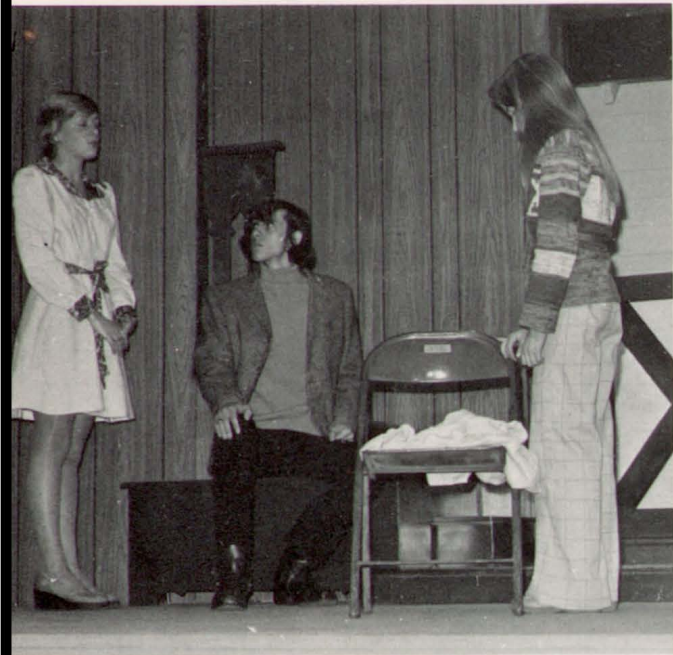

The Future Farmers of America is an organization composed of students who are interested in areas of agriculture, forestry, and landscaping.

This club spends much of its time at local, regional, and state contests, which test their agricultural skill and leadership. The club raised money by selling fruit. The money earned helped pay the members way to the contests, at all levels.

The Drama Club, under the direction of Mr. Larry Flanders, presented a "Room Full of Roses" this year. This serious yet humorous play displayed the acting potential of the students at R.H.S. Susan McDowell starred as Bridgette McGowar, an insecure young girl returning to her mother (played by Nancy Kovar) whom she had not seen since childhood. Bill Rayment played Nancy's husband, Cindy Frisbie played Nancy's best friend, and Richard Turner portrayed Susie's real father.

Great effort on all the club members' parts made this production a great success. The club plans to produce at least one more play this year.

Opposite Page—Far Left: Susie glumly listens to what Cindy has to say. —Top Right: Richard has come to take "Bridie" back to South America where he believes she has always lived happily. Top Left: Mark Lucisano plays checkers with Susie while Nancy patiently listens to young "teen-ager talk."

Right: Don Crook makes a perfect landing and heads for the tow to do it again.

Don Crook and Brett Thornton perform Tip Drops as they go over the Duke's Lake Barrell Jump.

Bill McAbee and Don Crook decide it's easier to go up.

This year the Rudyard Ski Club gained a new advisor, Mr. Benzie, who is an avid skier himself. The club's first money-making project this year was a raffle for a ski vest, followed by bake sales to help pay for the club's ski excursions. For the first time, the club tried night skiing at Nub's Nob. They skied Searchmont and were able to ski on K.A.F.B. fairly often at Duke's Lake. Skiing on K.A.F.B. gave the less-experienced members a chance to learn skiing techniques with the help of other members.

So, as long as we have snow, we'll still have an active Ski Club to "pack that powder!"

Brett Thornton scratches his back with the tails of his skis.

BOEC Sees First Year at R.H.S.

BOEC is a new club which got its start at the beginning of the 1976-77 school year. It consists of those who are enrolled in a business course and want a career in the business world.

The officers went to Marquette (N.M.U.) for an officers workshop where they met members of other BOEC clubs and learned more about the club itself. Members also attended regionals in Ishpeming and state in Southfield, where they spent the night at the Michigan Inn. At these events, they competed in various job areas.

During the year they raised money for these events by having bake sales, a raffle, a pancake breakfast and selling candy bars.

They gained much experience and had many good times throughout their first year.

Health Careers Still Flourish After Many Years at R.H.S.

Recuperating from their trip to Cedar Point in Ohio last May, members of the Health Careers Club launched their 1976-77 money-making year early by selling candy, bakegoods, key rings, and stationery. Under the direction of Mrs. Halonen and Mrs. Irwin, the club participated in the Rudyard flea market day and sponsored the annual Talent Show held in the spring. The money raised by the H.C.C. went to its yearly Health Careers Scholarships. Also, career interests were explored through the monthly field trips to various medical institutes.

Student Council Strives for Involvement

Under the supervision of Mr. Tromblay, this year's Student Council worked well to represent and serve the students of R.H.S. The Student Council sponsored the Christmas Dance, paid for dinner for the Homecoming queen candidates and their escorts, and planned an exchange day with the Student Council from a neighboring school. Student Council held meetings about once a week to insure that student body needs and ideas were given careful consideration.

Finishing assignments and meeting issue deadlines was the job of this year's Doghouse staff. The staff worked hard to put out a news-worthy, up-to-date issue every month. Students not only worked on the Doghouse but also furthered their knowledge in journalism. The paper contained everything from editorials on school problems to poems and stories by the students. Co-editors of this year's Doghouse were Gina Prall and Cyndi Phillips and advisor was Mrs. Schlagenhauf.

Members of the Doghouse staff discuss current newspaper assignments.

The Pictures and the Picture People

Due to conflicts with other activities, the Photo Arts Club got off to a late start. Once they got going, under the instructions of Mr. Corey, they learned the basic skills of photography—taking pictures, developing negatives, and making prints. After learning the basics, they were able to experiment with more advanced darkroom techniques and creating special effects. They were able to raise money throughout the year as Mr. Corey produced some posters for other organizations. They applied the money towards the purchase of photography materials as well as a new enlarger.

Mr. Corey explains to Mouse Porter specialized procedures used in the darkroom.

Rudyard Men Runners Strong

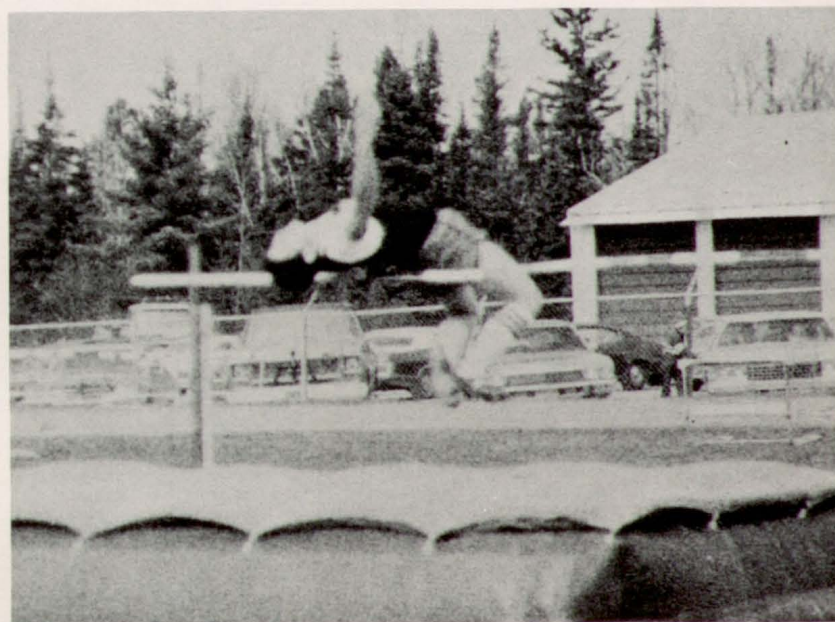

Although lacking depth in some areas Rudyard again produced strong showings in meets. Many school records were challenged, and several were broken. Mark Musser broke the old mile record which stood for 13 years. Another leading distanceman, Ken Verheecke, missed the two mile record by four seconds and should break it his senior year. Kevin Brown led the sprinters by placing in the finals in the 100 and 200 yard dash and the long jump. Both sprint relays placed, as did the mile relay which broke another school record. Quarter-mile Dave Corpening placed well in all meets and placed fifth in the U.P. Finals. Joel and Steve Gough dominated the hurdles in most dual meets. Craig Oja was named outstanding field event man for his efforts in the Pole Vault. Greg Peake threw the discus 124'8" for a school record. Returning lettermen and good newcomers should provide Rudyard the depth it needs for high placing in meets next year. Mr. E. Roy Hamilton, the head coach, worked mainly with the sprinters, while James Barry the assistant coach worked with the middle distance and distance runners.

Fifth row: Teresa Bosdell, Marche Shaw, April Wolfe, Sue Choate, Karen Willobee, Renee LaPonsie, Karen Atzenhoffer, Sharon Goode, Robin Atzenhoffer.

The girl's Track team had a great season, placing either first or second in every meet. Out of nine meets, the girls placed first in four and second in five. Two of the first placed finishes were in the EUP Conference meet and the Annual Bulldog-Panther Duel. Two of the second place finishes were in the Class "C" Regionals, held in Munising this year, and the Rudyard Invitational, where there were about fifteen teams competing.

Cindy Verheecke had a good season. She ran the Two-mile this year, and broke the record almost everytime she ran. Cindy was voted most outstanding by her teammates.

Jacque Moen broke a two year standing record in the 110 low hurdles.

April Wolfe, a senior, placed in the finals three years in a row.

The 1976 athletic year ended in a pleasing way with the baseball team coached by Al Kantola. A balanced and talented team, strong, capable team members filled the nine positions and fully handled their jobs. A total batting average for the team of .358 was remarkably high. Rick Suggitt led the team with a .451 average. With the help of Wayne Bosdell and Ed Auguston, we had the best earned run average in the conference. Bosdell had a record of 6-0 and an ERA of 1.47, Auguston had a 6-1 record with an ERA of 3.64.

We had eight players named to the All-Conference teams; four of these team members were named to the first All-Conference team. These four players were Rick Suggitt, Bob Simpson, Ed Auguston, and Joel Gough.

The season ended with the team's overall record of 13-3 and 11-1 in conference play. The team earned two trophies, one for E.U.P. Conference Championship and for winning the playoffs.

Cross Country Does It Again

Rudyard duplicated its last year's record at 9 wins and 3 losses. At one of the largest meets in the state Rudyard placed 3rd behind two class A schools. The team also placed 3rd in the U.P. finals and for the second year in a row won the E.U.P. Conference. The team was lead by Ken Verheecke who set a school record of 16:23 for three miles despite 4 inches of snow on the ground. Ken also made All-state as did senior Richard Turner and junior John Davis. The coach, Mr. E. Roy Hamilton again guided the team to a winning record.

Intermural Basketball

Intermural basketball was a non-varsity sport. Any boy could sign up for this sport that took place during noon hour. Besides giving the boys in it exercise it allowed them to have fun without having after-school practices.

The 1976 edition of the Rudyard Junior Varsity Football Team turned out to be a great success. After the first week of practice Head Coach Mike Ruhanen knew that he had a lot of work to do, since most of the team was small and consisted mostly of Freshmen. But after all the hard work, and after all the dust had cleared, they were a 4-2 ball team, losing only to Petoskey and Sault High.

The team was led by Team-Captain Mike Crawford who was an offensive fullback and defensive linebacker. Leading the Bulldogs in scoring and most yards gained on the ground was Jay Ewing a Freshmen, who was also named "Back of the Year". Lineman of the year honors went to another Freshmen, Jeff Rhodes, who also led the team in the most tackles.

Varsity Grid-Irons Capture E.V.P. Championship

The Triumphant 1976 Rudyard Varsity Football Team, piloted by Mr. Terry Gough and Mr. Ken Bickel, compiled the best win-loss record our school has seen in four years. The Fighting Bulldogs finished with six straight wins for a 7-2 season and E.U.P. Conference Championship. Besides this fine achievement, the team received many individual honors. Receiving All-Conference recognition were eleven athletes. Five team members made 1st Team: Kevin Brown—offensive back; Greg Peake—offensive back; Jim Ewing—offensive tackle and defensive tackle; Kurt Jarvie—offensive guard and defensive linebacker; Joel Gough—defensive back. In addition to their other honors, Kevin Brown earned the title of most valuable back and Jim Ewing was voted most valuable lineman. Jim Ewing also made All U.P. Class C defensive lineman. Congratulations Bulldogs for a noble effort to a winning tradition.

Two Squads Equal Twice As Much Spirit

The 1976-77 Bulldog Spirit was maintained by two squads of varsity cheerleaders. The football team was pumped up with spirit by the squad consisting of Kim McMillan, Karen Canterbury, Beth LaPonsie, Becky Wiltrout, Tyyne Piippo, and Michelle Burch. After tryouts in November, a new basketball cheerleading squad made up of Beth, Becky, Karen, Michelle, Tyyne and Darlene Shute moved into the picture to carryout the Rudyard spirit for the rest of the year.

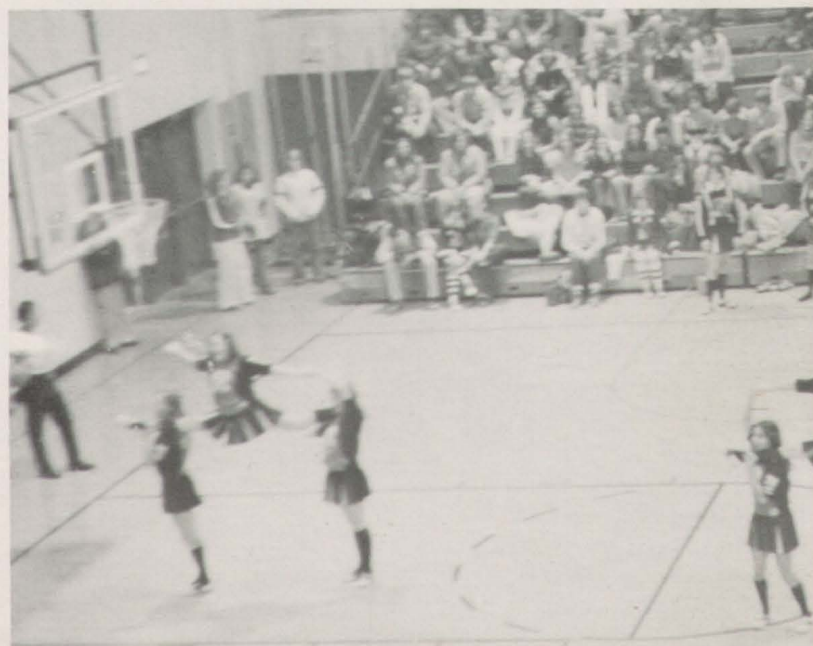

The new advisor, Mrs. Prudy Allen, has helped the Cheerleaders to get the most out of their cheering position at Rudyard. She has led the girls through a successful year.

This year for the first time the Cheerleaders were able to attend a cheerleading workshop in Charlevoix. They learned new cheers, mounts, tumbling stunts and new chants.

Besides leading the fans in building up spirit for the teams, the Cheerleaders have been busy in other activities. They planned and sponsored the Homecoming Dance and the Sweetheart Dance. The Cheerleaders worked out pep assemblies for the teams before most home games. They worked frantically to get fan buses to take the spirited Bulldog supporters to away games. Raising money was another of the cheerleading efforts. They have had caramel apple sales, bakesales, White Elephant sales, and button sales to make money. The cheerleaders also had a blanket toss for the benefit of Muscular Dystrophy.

Pom Poms "Make Their Own Sunshine"

"Smile, kick those legs high, and point those toes" was the motto of the 1976-77 R.H.S. pom-pon girls. The girls worked hard during the summer under the leadership of Nancy Spindler, who later moved to Mississippi. The squad was then led by captain, Robyn Atzenhoffer and co-captain, Amy Strong. The year was filled with marching, kicking, smiles and excitement. The girls not only performed at home games, but also made a guest performance at Spoo High and competed in Grand Rapids. After football season, tryouts were held to add five more girls to the squad for basketball season. Some of the many songs the girls performed to were: "Still the One," "Babyface," "Down by the Lazy River," and "That's Rock and Roll." The advisor for this year's squad was Mrs. Carolyn Hopkins.

Inexperience, lack of size, and minor injuries all played major roles in the 1976-77 varsity basketball season. Although the number one goal of the season (producing a conference championship) was not fulfilled they did play many memorable and exciting games.

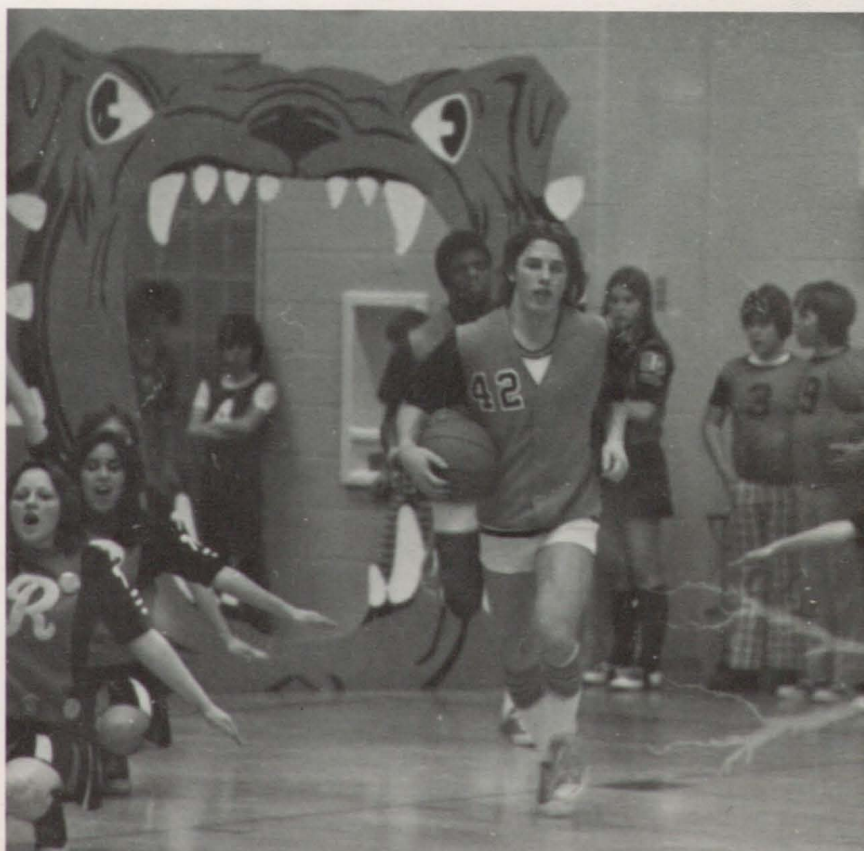

One of the biggest thrills of the season was the chance for the Bulldogs to play the number one ranked team, in the Upper Peninsula, the Sault High Blue Devils. They almost upset the Blue Devils, and although they lost, 42-35, they showed that they were a team to be reckoned with.

The starters for the Bulldogs consisted of 2 seniors; Greg Peake and Kevin Brown. 2 juniors; Kip Roe and Joel Gough. One sophomore Dave MacFarlane. Peake and MacFarlane were leading scorers while Brown and joined the other two in crashing the boards and being leading rebounders. Other seniors were Steve Gough and Bob Simpson and student manager, statistician Rick Myrick. Juniors Brett Barager, Supiket Rungrote, Larry Piippo and Ed Garver. Sophomore Rick Everts, who was dropped down to J.V. for a few games for more experience halfway through the season.

With seven players returning from this years squad and an abundance of talent coming up from J.V. next years expectations are understandably high.

Spirited Though Discouraged

The 1976 Girl's Varsity Basketball team ended their not-so-successful season with a 0 and 16 record. The team members were a hard working and spirited group, led by Mrs. Andrea Usry. It was her first year of coaching, and she did a good job with the girls.

As team captain, Lori Suggitt was also leading scorer. Linda Postma trailed Suggitt as second highest scorer. As a whole, the Lady Bulldogs were tough and did not give up easily. They went down fighting, and we're proud of 'em.

Fair Season for J.V. Team

First row: Charlotte McGahey, Linda Petry, Cindy Quineville, Mary Radecki, Wendy Johnson. Second row: Sue Caskey, Debbie Broberg, Carol Hesslink, Ingrid Flanders, Holly Zieg, Linda Ripple, Coach Eric Palo.

The Girl's J.V. Basketball Team, coached by Eric Palo, had a fair season this 1976-77 school-year. Captain Cindy Quenneville, Mary Radecki, and Linda Ripple were among the top scorers for the team while Linda Ripple took most of the rebounds. First String included sophomores Cindy Quenneville, point, Wendy Johnson and Linda Ripple, forwards, and freshmen Mary Radecki and Linda Petry playing ground positions.

Top: Girls "huddle" around to receive instructions from their coach. Left: Thru a lot of team work and skill the girls take a shot at victory. Above: Women Bulldogs again shoot for two-points.

Coming off an electrifying year last year, coach Randy Fochesato was looking forward to another year. But when he came out for the first practice, he realized that he had no real height on the team. But through a combination of quickness, speed, and aggressiveness, the bulldogs came out victorious in many of their contests.

Terry Carr, Mike Seldon and Chris Byrde carried much of the rebounding load for the bulldogs, although neither one of them reaches a height of 6-foot. Tony Bethal, Lorne Peake, and Dan McGrath carried much of the backcourt duties, although McGrath was sidelined with a broken ankle three-quarters of the season. Other members on the team were; Paul Gough, Dean Rickets, Pat Overlander, Robert Giffen, James Barnes, Grant Ross, Ed Jarvie, all of whom were sophomores.

Concentrating on fundamental basketball, the entire team worked together, showing fine spirit, togetherness and great potential for coming years here at R.H.S.

Stop! Look! & Listen!

Basketball Cheerleaders include: Bernadette Mayer, top, Lisa Malaska, Helen Rochefort, and Paula Tremblay, middle, Pat Barager and Terri Garver, bottom.

Fifty percent smiles plus fifty percent enthusiasm equals the RHS J.V. Cheerleaders.

Led by Captain Patrice Barager, they tried to spread their contagious spirit in hopes of getting more Bulldog fans to attend games . . . and they did! This year has been one of the most spirited for RHS, and the effort of these lively girls has certainly been helpful.

The J.V. Cheerleaders were sophomore Bernadette Mayer, and freshmen Pat Barager, Terri Garver, Lisa Malaska, Helen Rochefort, Paula Tremblay and alternate, Linda Petry.

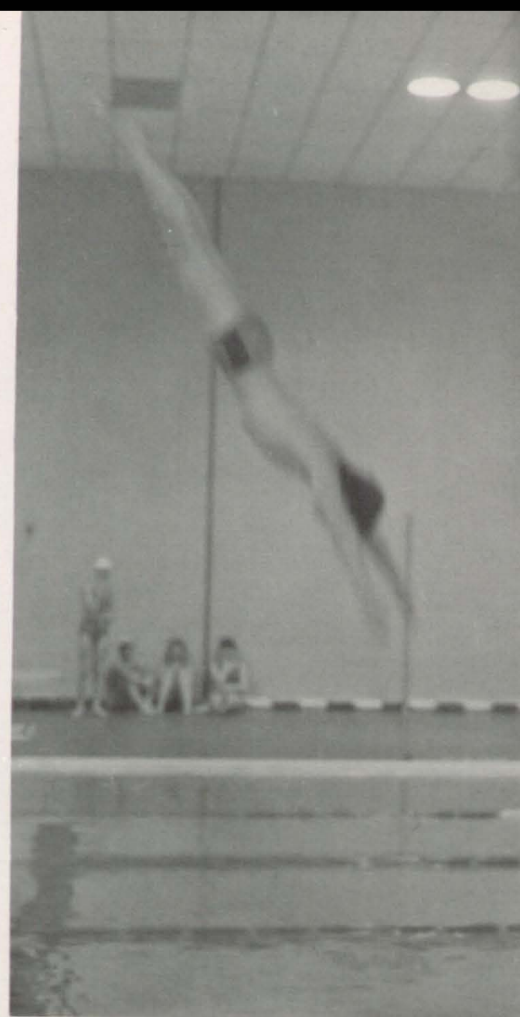

Football Cheerleaders include; clockwise from top: Paula Tremblay, Pat Barager, Denise Mayer, Sue McDowell, Lisa Malaska, Helen Rochefort.

Rudyard Swim Team Sees Best Season yet

Men's swim team (front) includes: Ken Horrom, Lee Muckleroy, Rick Webb, Owen Ragland, Craig Oja, Mike Garcia, Dan Quenneville, Jimmy Phillips, Curt Judd. Women's team (row 2) includes: Caroline Rhodes, Julie Strong, Shannon Mason, Amanda Herbst, Julie Brier, Sabra Judd, Lori Suggitt, Kathy Richards, Carrie Mills (mascot), Lisa Malaska, Kim McMillan, Lynn Oja, Cyndi Phillips. Not pictured: Jim Stalnaker, Becky Goble, Amy Strong.

Above left: Kathy Richards shows her strength in the 100 yard breast stroke. Above: Curt Judd, who qualified as the fifteenth top high school diver in the state at the Detroit News invitational comes out of a forward one and a half with a full twist. Opposite page, top: Coach Ron Corey times a swimmer as mascot Carrie Mills stands by to record the statistics.

The RHS swim team splashed into their 1976-77 season as the women took their first victory for the swim team in its three years of existence. The victory came in a triangular meet against Gwinn and Oscoda, where the men's team was only narrowly defeated. The swim team competed against schools that were much larger than Rudyard, and this hurt them because of Rudyard's lack of depth. The swim team was also set back towards the middle of the season as they missed several practices because of school cancellations.

Outstanding swimmers on the women's team were Kathy Richards in the individual medley and 100 yard breast stroke, as well as Sabra Judd who swam the 50 and 100 yard free style events. On the men's team, Curt Judd, Craig Oja and Mike Garcia qualified for state finals. The men's team also had an outstanding free style relay consisting of Mike Garcia, Craig Oja, Dan Quenneville and Jim Stalnaker.

The RHS swim team faces a future of uncertainty as the closure of the base would mean an end to swimming competition at Rudyard.

Above: Dan Quenneville, Mike Garcia and Jim Stalnaker cheer as Craig Oja completes the final leg of their record-breaking relay. Left: Craig Oja comes up on the first length of the 100 yard breast stroke, the event in which he qualified for state competition.

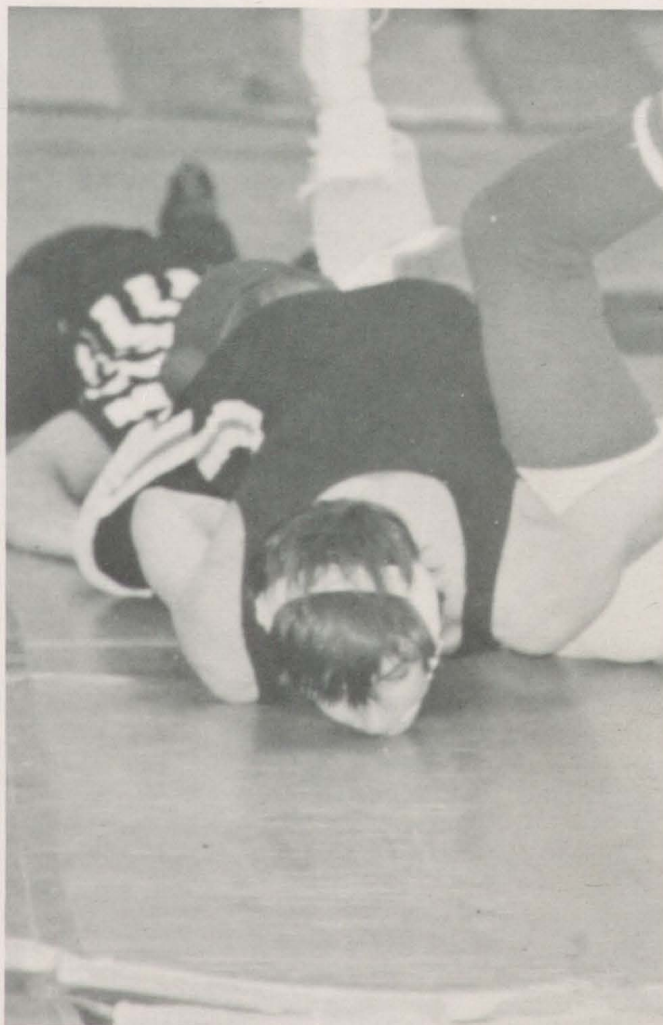

This year may very well be the last year of existence for the Rudyard Swim Team. At any rate it is my last year as coach. I wish to thank all the swimmers on this year's team and the swimmers of the past two years, for the special memories that only a coach can experience and for the yards, the seemingly endless yards you put in. Thanks most of all for your spirit, dedication and affection. Maybe the rest of R.H.S. doesn't know what effort you put forth and the goals you achieved, but I do. For this I offer you my deepest affection and respect. Good-bye and good luck,

Coach Corey

Wrestlers Build in Skill and Spirit

The Rudyard Wrestling team, coached by Mr. Dale Horrum, progressed this 1976-77 season in basic wrestling skills. Team effort was better than in the past. The team earned more medals this year than ever before. The co-captains of the team were Ross Berry, Jim Ewing and John Mayer. The team record was 4-8, but the team was in the upper half of all tournaments entered. Individual effort was strong with John Mayer the Outstanding Senior and Mike Crawford Most Improved Wrestler. John Mayer, 1976 U.P. Champion, whose overall record was 75-13, won 1st. place at a Soo Invitational, Charlevoix Invitational, Roger City Invitational, Glen Lake Invitational, and Rudyard Invitational. Because of spirit this year, Mr. Horrum is looking forward to having a successful season next year.

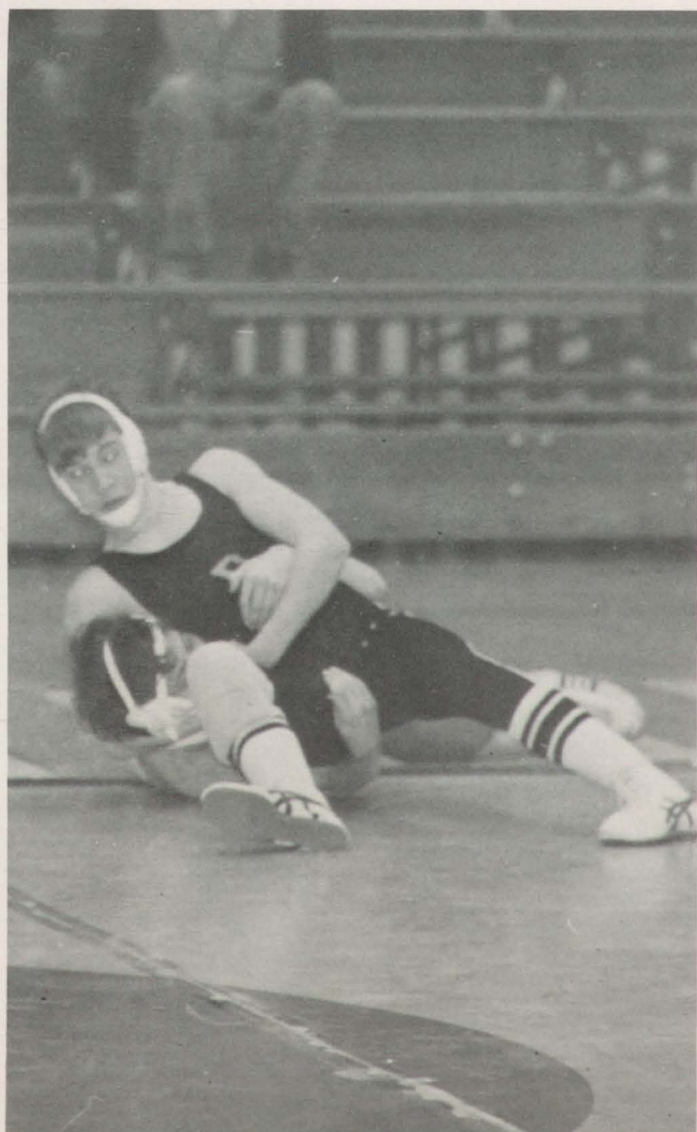

Leading the team in spirit were Cindy Jolly and Heidi Horrum, the wrestling cheerleaders. This was Cindy's first year and Heidi's second in cheerleading for the wrestling team. Heidi was also President of the mat maids. These two girls were busy leading cheers, making spirit-promoting posters, providing refreshment stands, and assisting in tournaments. More importantly, they gave moral support to the coaches and the team.

Above: My, my, isn't it a pretty basketball.

The Rudyard "Frosh" team was pitted against many bigger and stronger teams, but through hard work, determination, and pride they got good experience to be winners next year on the J.V. level. Behind Coach Al Kantola, they provided a lot of excitement for those very few fans who showed up for their games.

Mike Usry, Jay Ewing, and Ernie Darnall were the mainstays of the team, and they should really be helpful in the coming years. They led in scoring and rebounding most of the year. Other members of the team were: Tim McGrath, Jim McGrath, Rod Garwood, John Bennie, Jon Gross, Kevin Hesselink, and Larry Bullock, and Ahmet Buyukgurgor.

GRADUATES

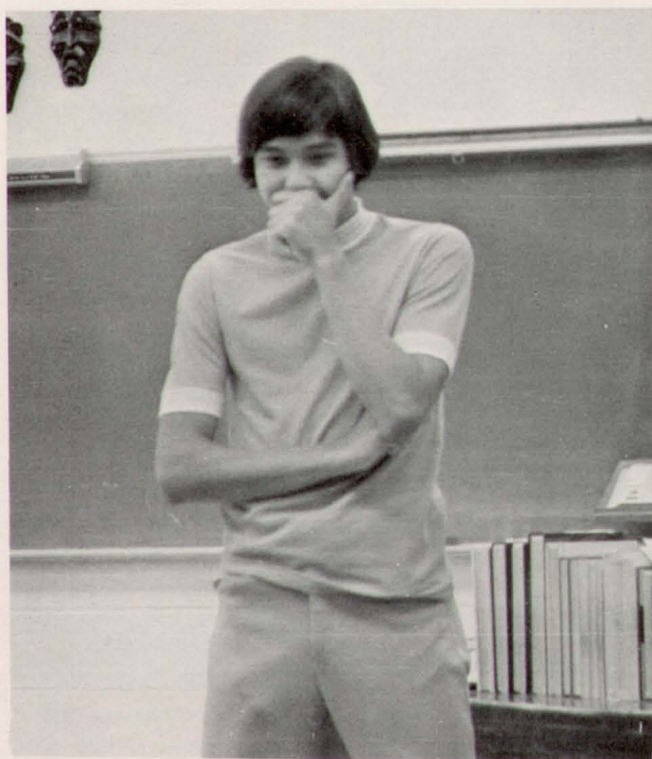

Life Is Wonderful Never Miss a Moment of It.

On a road called Today,
With a dream called Tomorrow.

In these words, we, the 1977 graduating class of Rudyard High, express our hopes and dreams for our individual futures. We realize that the first, precarious footfall on the Path of Life—away from familiar faces and molds—is formidable. And we are willing, not just as seniors, but as young men and women, to take that step and those that may follow. Yes, we are leaving behind precious memories and friends. Yet, they will always be with us in our hearts.

In the years ahead, we can look to the joy and sadness these four years have given us. And in these reflections we can find the strength to live the life that awaits each of us. Remember the words of Longfellow:

Build today, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.

Above: Keep smiling—it makes people wonder what you've been up to. Right: Music is the only language in which you cannot say a mean or sarcastic thing.

If you keep watching the world around
you grow, if you dream and search
and grow a little inside every day, the
magic of growing up will stay in your
heart forever.

Once the thrill and excitement of being moved up out of the "dungeon" of the old school into the plush new carpeted office upstairs had worn off, the 1976-77 yearbook staff rolled up their sleeves and settled down to work. To brave the sometimes freezing temperatures, the staff often kept their sleeves down and coats on. No matter what the temperature or apparel, work on the yearbook continued on and on.

While the hectic planning and preparing of pages seemed to drag on forever, deadlines for those same pages seemed always to rush up and catch us unprepared. With help and encouragement from advisor, Mrs. Atkins, however the 1976-77 yearbook staff completed their final pages and closed up shop until next year.

Uniquely ours . . . This is the theme of the 1976-77 yearbook, and it indeed sums up the collection of memories stored within its covers.

Yearbook Staff includes: Sitting: Candy MacDowell, Debbie Petkus, Robyn Atzenhoffer, Debbie Warner, Karon Atzenhoffer, Nora Rhodes, Gina Prall. Kneeling: Nancy Kovar, Karen Salo, Sabra Judd, Debbie Solesby, Cindy Griffith, Susan Finnegan, Steve Radecki, Lee Muckleroy. Standing: Dan Quenneville, Kathy Casino, Becky Wiltrout, Joel Gough, Paul Zoltek, Bob Simpson, Sherry Postma.

Top left: Mrs. Atkins compliments Bob Simpson on his sports layouts. Top Center: Becky Wiltrout finishes her Activities Section while Candy MacDowell serves as resident typist in the final rush days. Center: Co-editors Kathy Casino and Sherry Postma, aid Nora Rhodes with Student Life pages. Right: Joel Gough and Dan Quenneville check the quality of some negatives before printing them up.

We Put It All Together

Yearbook Photographers include: (l. to r.) Dan Quenneville, Paul Zoltek, Kathy Casino, Karen Salo, Sabra Judd, Sherry Postma, Joel Gough. Center: Mr. Corey. Not Pictured: Mouse Porter.

These Were the Times

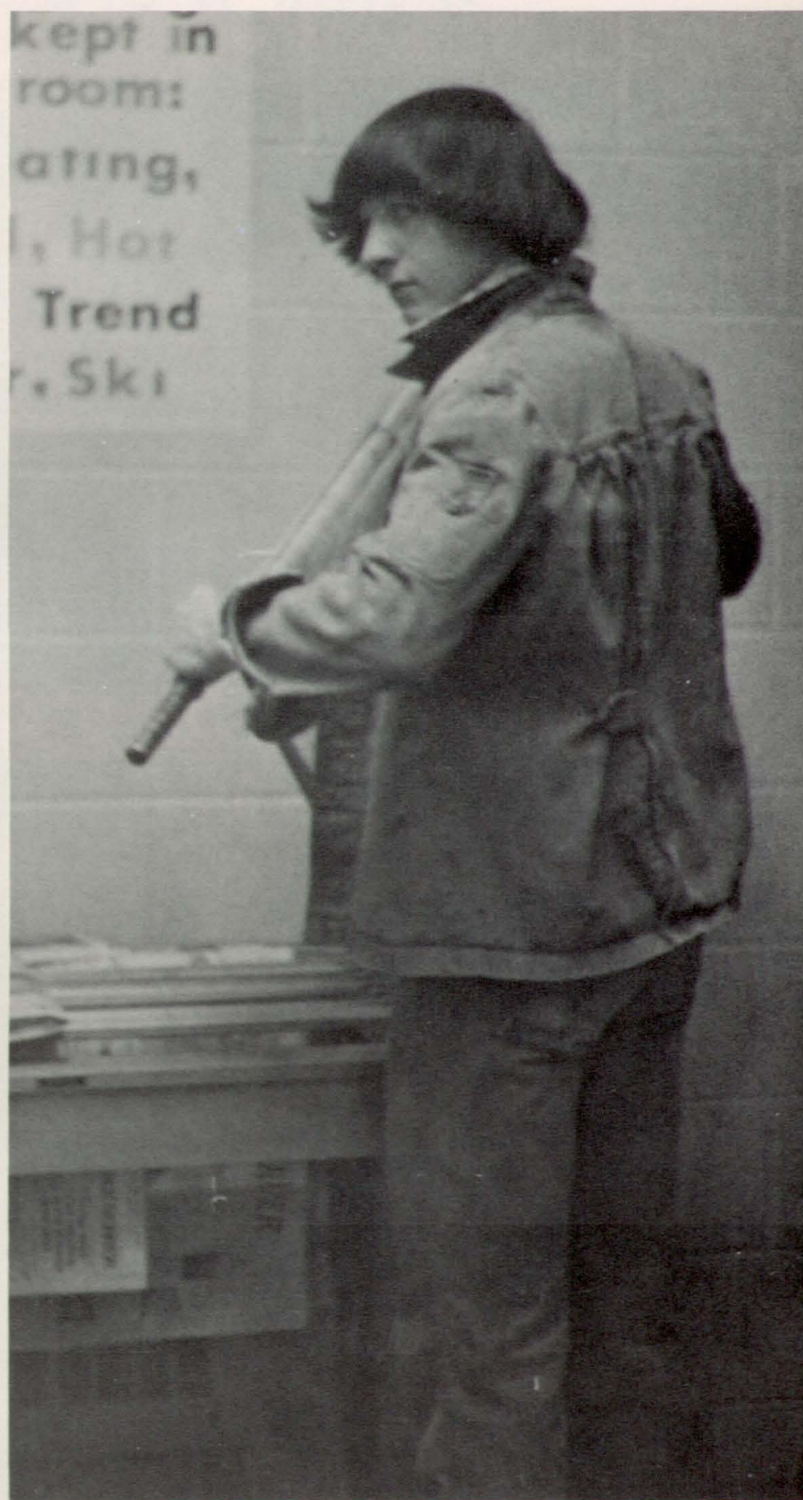

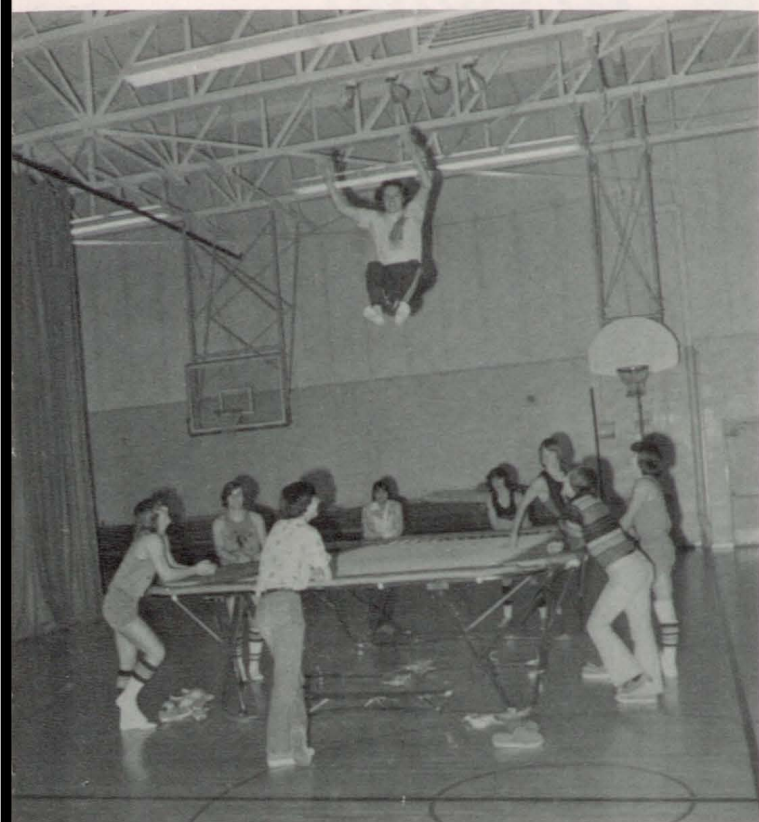

Sometimes we cried to the music.
Sometimes we danced to it.
Sometimes we lived it.
But mostly we sang along
Because that seemed like the thing to
do.
And as we sang, we became the music.

These were the times.
We made them what they were.
They became what we made them.

There is only so much we can do in
life.
We can only take so much.
We can only give so much.
And maybe we realize that too late.
If we could do it all again,
Would we do it differently?

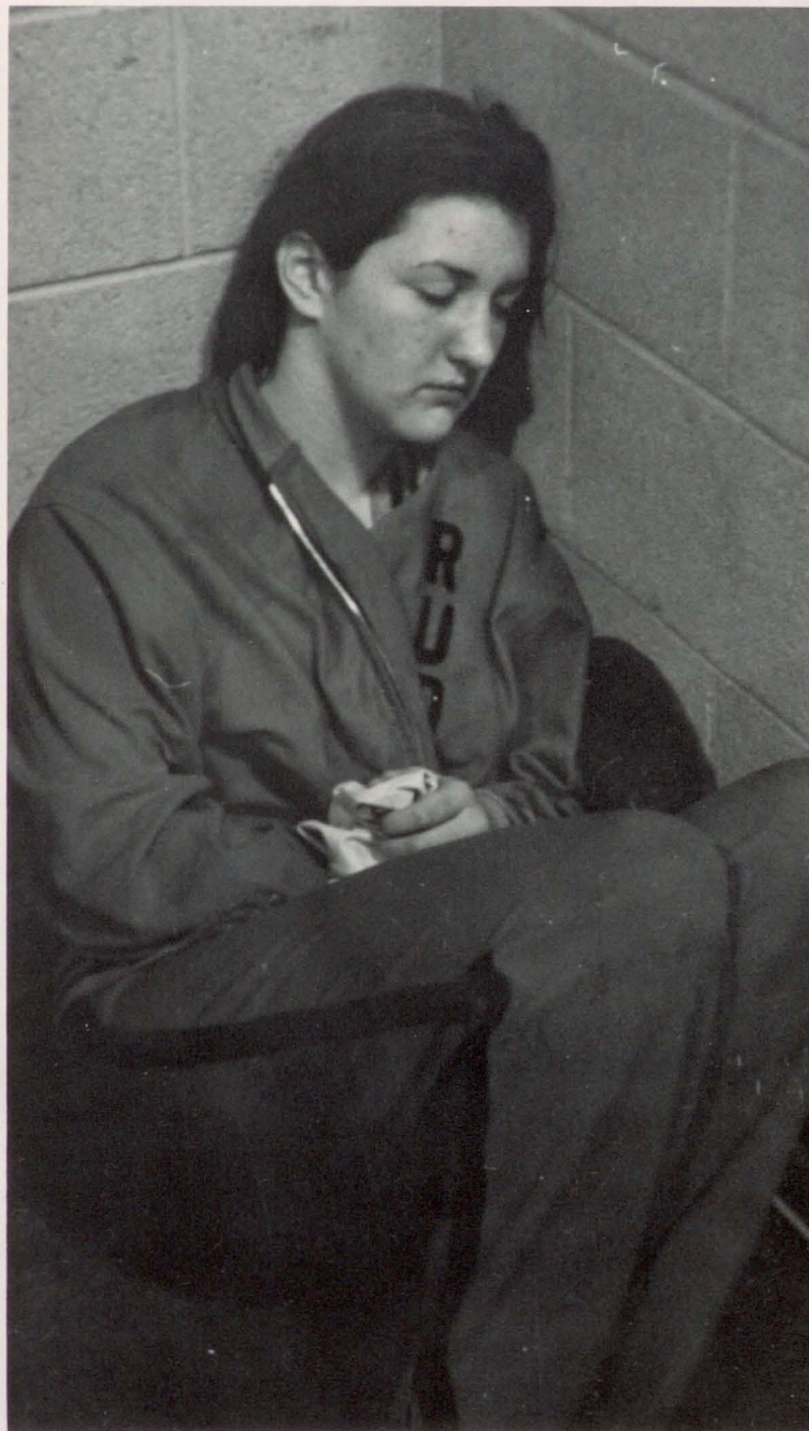

What Were Our Dreams?

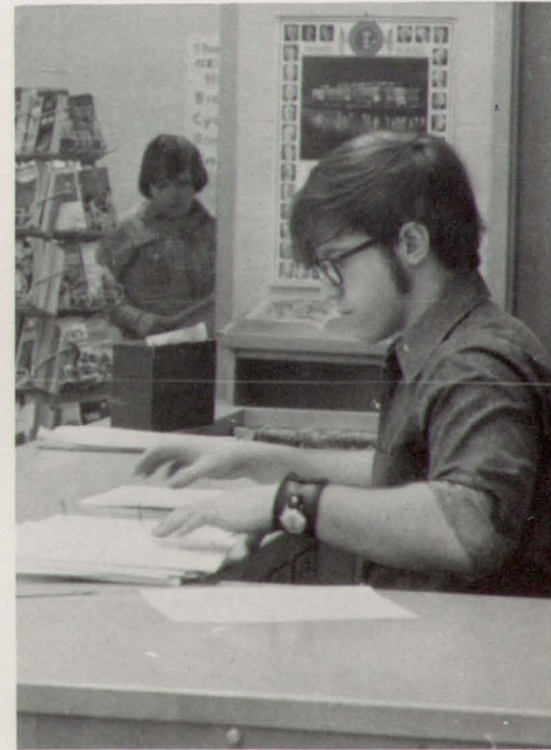

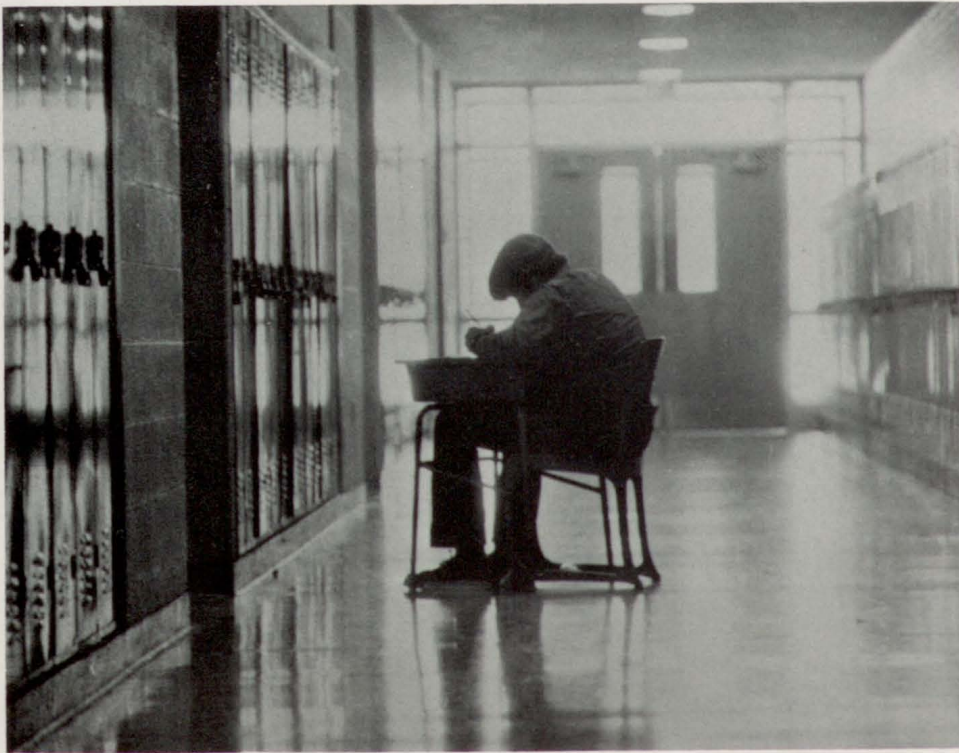

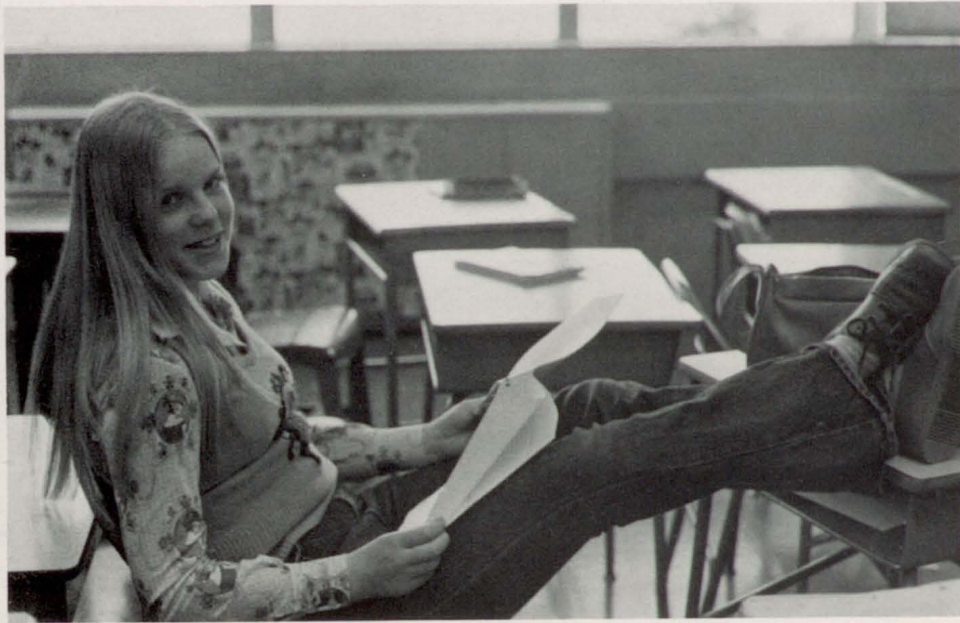

It is in today
That yesterdays are made.
It is in tomorrow
That today's dreams come true.
But what were our dreams?

We trudged into that red brick building every day,
Day after day after day.
We listened to the lectures.
We opened our books—
And at least pretended to study.
We even took the examinations.
It's all part of the educational process.
But that's not all we did.
We did more than learn what was in the books.

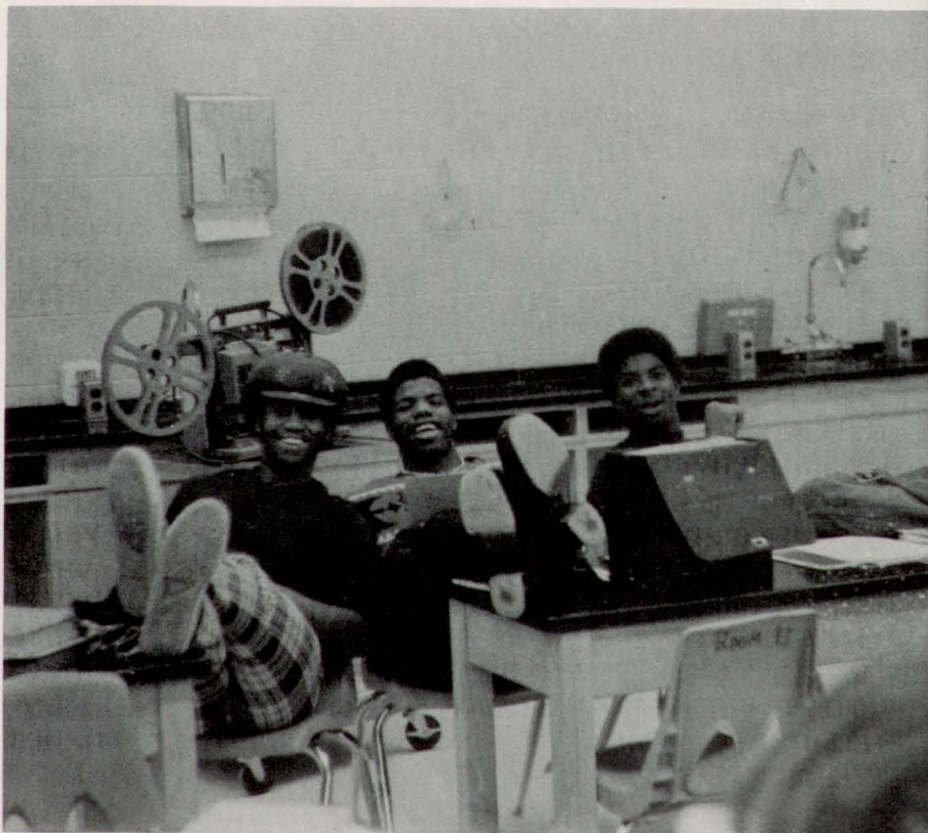

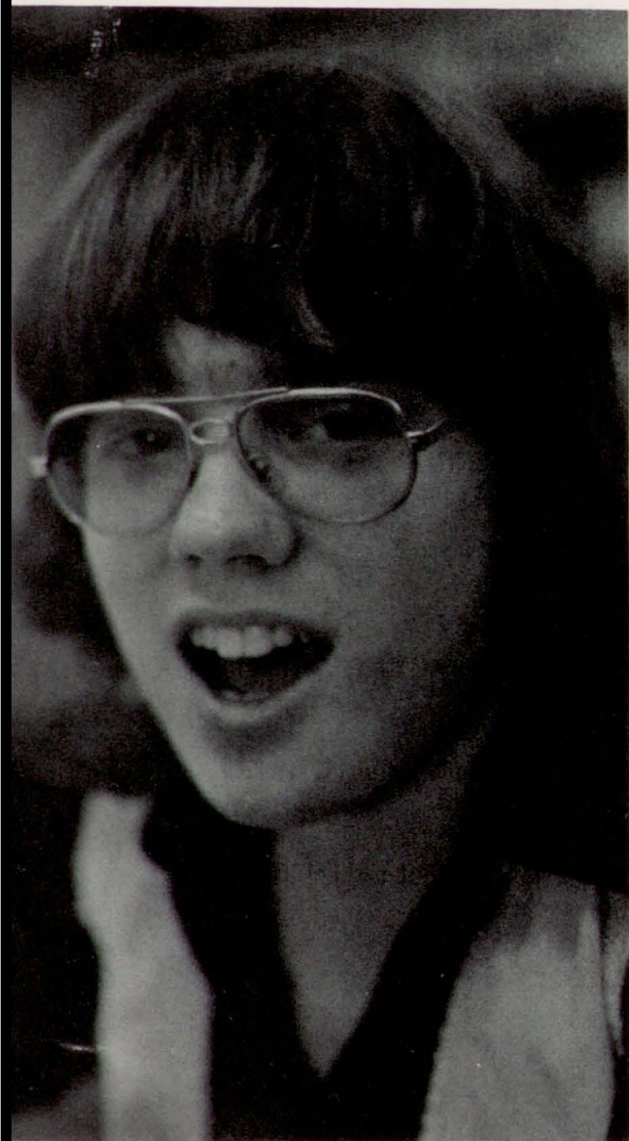

We learned what friends were all about.
We had our share of disappointments—
But we had our share of fun.
And sometimes we didn't study
Because there were better things to do.
But it was worth it.

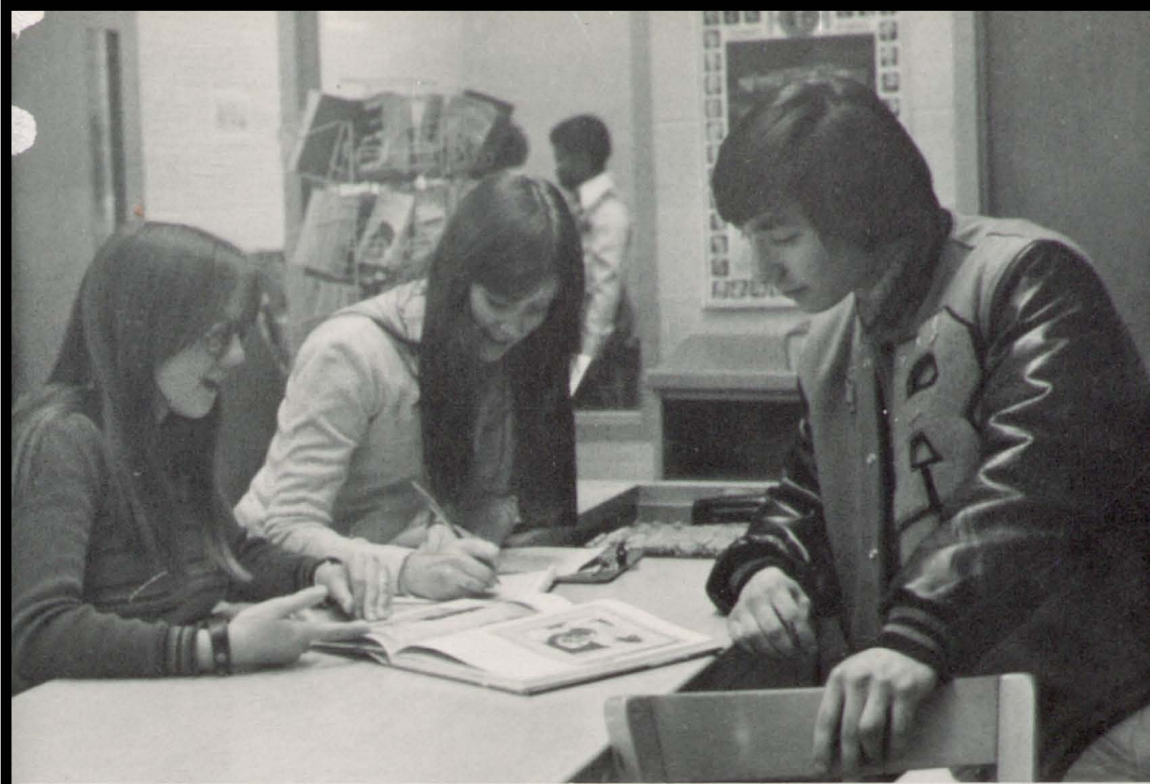

We'll Always Remember . . .

We will only know these years once.
We will only know some of these friends
once.
We will only know this school once.
We must soon move on.
RHS will not die without us,
But we were an important part of it,
For while we were here,
We were RHS.

LSSC LAKE SUPERIOR STATE COLLEGE

Sault Ste. Marie, Michigan

game of Trichinopoly

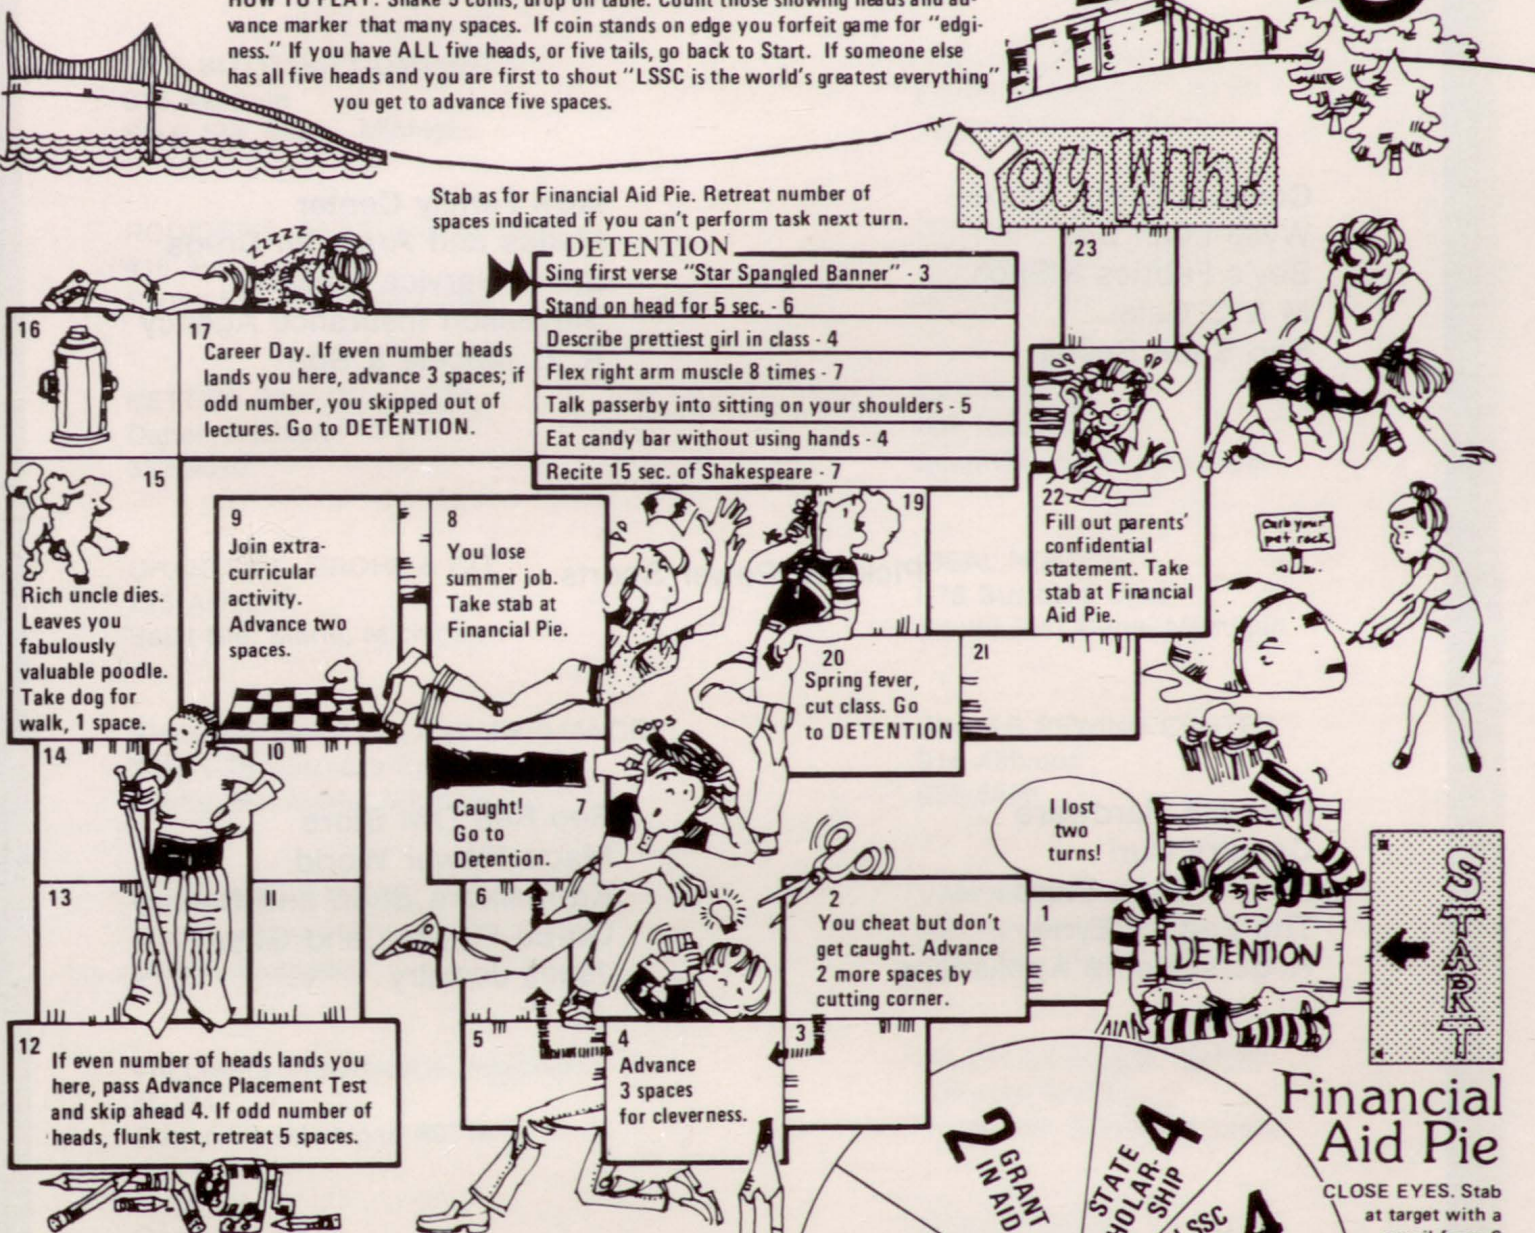

HOW TO PLAY: Shake 5 coins; drop on table. Count those showing heads and advance marker that many spaces. If coin stands on edge you forfeit game for "edginess." If you have ALL five heads, or five tails, go back to Start. If someone else has all five heads and you are first to shout "LSSC is the world's greatest everything" you get to advance five spaces.

Stab as for Financial Aid Pie. Retreat number of spaces indicated if you can't perform task next turn.

DETENTION

- Sing first verse "Star Spangled Banner" - 3
- Stand on head for 5 sec. - 6
- Describe prettiest girl in class - 4
- Flex right arm muscle 8 times - 7
- Talk passerby into sitting on your shoulders - 5
- Eat candy bar without using hands - 4
- Recite 15 sec. of Shakespeare - 7

You Win!

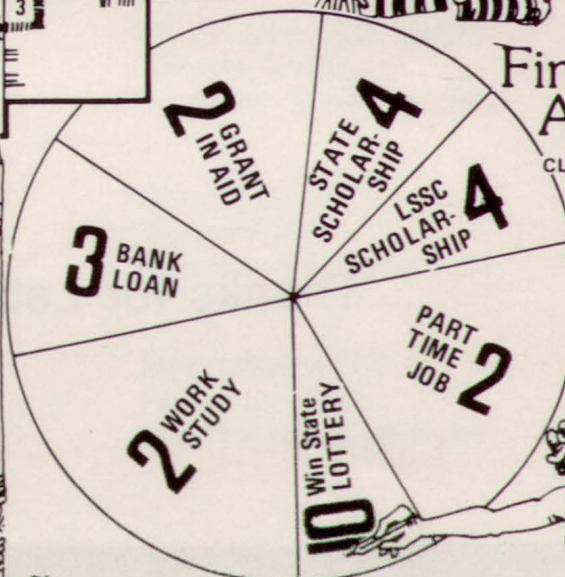

SECRET TIPS on winning at Trichinopoly

We think that LAKE SUPERIOR STATE COLLEGE may well be the kind of school you'd be crazy about. It's a small college in a small town in the great north woods of Michigan's upper peninsula. JUST HOW FAR is it to Lake Superior State College? As the car drives from Detroit it's seven hours; but as the mind stretches you set your own distances. How far is it to understanding of Robert Frost or the principles of economics, the sociological relationship between men, the business of business, the conversation of our earth, or the development of a better engine? THE FACULTY and your fellow students at Lake Superior State College will try and help you find the answers to these and other questions. The College enrolls 2,300 students, taught by 100 faculty on a beautiful 120-acre campus in the land of clean air, sky blue waters, and green trees. It will grow, but only to a limit of 2,500 students. Located within the city of Sault Ste. Marie, (population 14,500) LSSC is now in its second quarter century, offering more than 50 one, two and four-year programs.

Financial Aid Pie
