## SIDE LETTER OF AGREEMENT

### ESSER I, II, and III POSITIONS AND PAY

During the 2020 – 2021 school year, the Maple Run Unified School District received three grants from the federal government, such as Elementary and Secondary School Emergency Relief Funds I, II, & III (ESSER I, II, III). Any professional educators who work outside their contract position for summer work called for in the district plan will be paid at their per diem rate. In the district plan, ESP professionals who work outside their contract position for summer work will be paid \$25/hr.

Any positions created through Maple Run's envisioning plan and paid for by ESSER funds will sunset by September 30, 2024. Personnel hired for these positions and are qualified for open, locally funded positions during their service to Maple Run are encouraged to apply for the opening to remain an employee. If the job is no longer in existence and funding cannot be found, the people hired in ESSER-funded positions will be reduced in force.

This side letter and the contents as stated herein will automatically expire on the expiration date of the Master Agreement: September 30, 2024, at the end of spending authority for these grants. This benefit shall not be considered part of the "status quo" terms of employment should a successor to this Agreement not be ratified by said expiration date.

The signatures of the Association Presidents and the Board Chair representing each party below indicate their respective parties' acceptance of the terms stated herein and understand that they are bound by them.
